MALCOLM GLAZER

Owner/President

Malcolm I. Glazer, the engaging and dynamic owner/president of the Tampa Bay Buccaneers, enters his fifth season as the leader of one of the National Football League's most successful franchises. Known among his NFL peers as an innovative thinker, Glazer has infused his team and employees with the determination and dedication to be the best in the league. Glazer's commitment to building a championship organization has provided the foundation for the team's recent success on the field. That success has resulted in a level of popularity and support that is unmatched in franchise history.

Glazer, who purchased the club on January 16, 1995, has successfully constructed a multi-faceted plan which calls for stable ownership, a talented coaching staff, knowledgeable personnel executives, and a solid business partnership within the Tampa/St. Petersburg communities. The most visible aspect of the success of this plan is the new \$200 million dollar state-of-the-art Raymond James Stadium where the Buccaneers flexed their muscles last September 20th in their inaugural game against the Chicago Bears. Trailing 15-0 at half-time, the Buccaneers stormed back with 27 unanswered points in the second half en route to a 27-15 victory before a soldout Raymond James Stadium crowd of 64,328.

"That was one of the finest days of my life," Glazer said. "I say that with all sincerity. My family and I arrived at the stadium very early to see all of the inaugural pre-game festivities. I was greeted by hundreds of fans who came up to me to express their thanks to me and my sons for building what is without question the finest stadium in all of professional sports. Several NFL owners

including many of whom only saw our stadium on television contacted me and offered their congratulations on building such a magnificent stadium. We said back in 1995 that with the help of Buccaneers fans in the Tampa Bay area, we would build a stadium the community would be proud of. Raymond James Stadium is that promise come to fruition."

Now that the stadium is complete, Glazer has turned his attention to constructing the team's new training facility, scheduled to open in 2001. The facility, to be located adjacent to Raymond James Stadium, will be a three-story building containing approximately 150,000 square-feet of space, a state-of-the-art strength training area, 2 1/2 practice fields, outdoor jogging paths, and access control security outlets including a technologically advanced satellite link to the NFL office in New York City.

"Just like our stadium, our training facility and administrative offices will be among the finest in the NFL," Glazer said. "To ensure that our facility will be the best, we sent our football and administrative staffers to visit what we felt were the best NFL training facilities and, in some cases, the best collegiate facilities in the country. We instructed our people to take notes and photographs, and to design their respective areas the way they wanted them to be once the facility is finished. The information our people returned with was amazing. Our plan is to take that information, present it to the architects, and let them create the NFL's best training facility."

Undeterred by his team's 8-8 finish last season, Glazer enters the 1999 season with a more determined resolve.

"No one will dispute the fact that we didn't have as good a year as we did in 1997," Glazer said. "We were all disappointed, but, like you do in the business world, you learn from the mistakes and you move on to the greater accomplishments of the future. I

believe in Tony Dungy, I believe in Rich McKay, and I believe in our football team. I think we have the players and the coaching staff to have a pretty good season, and I'm confident that we will be a much more competitive team on both sides of the football this season. Our goal is to be playing at Raymond James Stadium when the playoffs begin in January."

Glazer's finest hour thus far as an NFL owner occurred in 1997 when the Buccaneers emerged as one of the NFL's biggest surprises, tying the club record for wins in a season (10), and recording the franchise's first playoff victory since 1979 - a 20-10 win over the Detroit Lions on December 28 at Houlihan's Stadium.

"We had an outstanding season in 1997," said Glazer, who oversaw an unprecedented rise in the club's attendance both at home and on the road. "Winning 10 games during the regular season and then winning a playoff game for the first time since 1979 were two tremendous accomplishments. But our goal is to make the playoffs every year, and I think we've got the players, staff, and coaches in place to do just that."

Financially and philosophically, Glazer and his sons continue to demonstrate how a franchise can change its identity from perennial also-rans into championship contenders both on and off the field. During the past several off-seasons, Glazer showed that he is serious about winning by extending the contracts of head coach Tony Dungy, general manager Rich McKay, and Pro Bowl defensive tackle Warren Sapp, and by signing talented free agent wide receiver Bert Emanuel away from the Atlanta Falcons. Glazer also provided the necessary financial support during the season to allow McKay to extend the contracts of Pro Bowlers quarterback Trent Dilfer, linebacker Derrick Brooks, safety John Lynch, and key contributors guard Jorge Diaz, defensive tackle Brad Culpepper, and wide receiver Karl Williams.

Glazer continued to chart the club's course of success in 1998 by extending the contracts of Pro Bowl fullback Mike Alstott, and cornerback Donnie Abraham.

"We have and will continue to do all of the things the team needs to do to win a championship," Glazer said. "We just have to remain focused, and play up to our capabili-

ties. The rest will take care of itself."

At the conclusion of the 1996 season, Glazer spearheaded massive changes at One Buccaneer Place, home of the team's administrative offices and practice facility, which included more than 20,000 square feet of new office space, a re-vamped season ticket and club seat purchasing operation, upgraded computers, and more than 90 additional employees working to make the Buccaneers one of the most respected organizations in all of the professional sports.

Additionally, Glazer, after many years in business, continues to display his trademark of accomplishing the "impossible."

He devoted a significant amount of time working to make the organization more fan-friendly by greatly expanding fan activities at Buccaneer home games through the formation of the club's special events department in 1997. His mandate to increase player and coach visibility in the community was reflected in the more than 700 appearances made by Buccaneer players, coaches, and front office officials last year including running back Warrick Dunn's "Home for the Holidays Program" - an initiative in which Dunn provided the down payment which enabled single-parent families in Hillsborough County and Dunn's hometown of Baton Rouge, Louisiana to purchase their first homes.

"It is important for us to succeed on the field, but I want us to be good citizens in our community as well," Glazer said. "We are role models. Children and adults look up to us. I want us to set the right example."

Glazer's input has been sought on the league level as well, as evidenced by his position on the NFL's Finance Committee, one of the most prestigious working groups of owners in the NFL.

Glazer, a resident of Palm Beach, Florida, is president and chief executive officer of First Allied Corporation. First Allied serves as a holding company for Glazer's varied business interests. Mr. Glazer owns, controls or is the largest shareholder of companies with \$1.5 billion in sales which employ more than 17,000 people.

A true American success story, Glazer began working in his father's watch-parts business at the age of eight. When Glazer was

15, his father died and the son assumed responsibility for the family business and expanded it.

Mr. Glazer now owns a diverse portfolio of nationwide investments whose interests include food service equipment, food packaging and food supplies, marine protein, broadcasting, health care, real estate, banking, natural gas and oil protection, Internet publications, stocks, government securities, and corporate bonds. He has been profiled in *The New York Times*, *USA Today*, and *Forbes Magazine*, which stated that Glazer has "an eye for value."

Glazer's philanthropic and charitable activities have included significant local involvement with the Tampa Bay Sports Commission. Glazer and the Buccaneers have made a commitment to donate up to more than \$2 million to the sports commission which will be used for the continued development of amateur sports in the Hillsborough and Pinellas counties. Glazer made a preliminary donation of \$75,000 following the 1997 season, donated \$60,000 fol-

lowing the 1998 season, and will contribute an additional \$7,500 for every Buccaneer home victory over the next 30 years.

Additionally, Glazer is also involved with the American Cancer Society, Sloan-Kettering Cancer Center, United Jewish Appeal, and the Jewish Guild for the Blind. Glazer has also been a benefactor for such worthwhile causes as the Muscular Dystrophy Association, Cystic Fibrosis, the American Heart Association, the Multiple Sclerosis Foundation, the Leukemia Society, St. Jude's Children's Hospital, the March of Dimes, Mothers Against Drunk Drivers (MADD), the Jewish Home for the Aged, and Junior Achievement.

During the 1999 offseason, Glazer started the much-anticipated Glazer Family Foundation, which is dedicated to creating ways to benefit charitable and educational causes for the youth in the greater Tampa Bay community.

Malcolm Glazer was born in Rochester, New York. He and his wife, Linda, have six children: Avram, Kevin, Bryan, Joel, Ed and Darcie.

Malcolm Glazer's Reconstruction of the Buccaneers

In 1995, Malcolm Glazer paid a record price for a professional football team that had a 19-year winning percentage of .307. Nevertheless, he predicted success on the field; in fact, practically his first words uttered as new owner of the Tampa Bay Buccaneers were, "We expect to be winners."

Three years later, the Buccaneers are enjoying one of the most remarkable turnarounds in recent sports history. Below is a chronology of the events that led to the Buccaneers being termed a "model franchise" in the NFL.

- ❖ Just months after buying the team, Glazer announces that his first priority is to build a new state-of-the-art stadium in the Tampa Bay area. After passage of the Community Investment Tax, plans are unveiled for the 65,000-seat facility (Raymond James Stadium) that will host Super Bowl XXXV on January 28, 2001.
- ❖ On January 22, 1996, Glazer hires Tony Dungy as the sixth head coach in team history, proclaiming the former Minnesota Vikings defensive coordinator as "not only one of the finest coaches, but one of the finest people in the NFL." Glazer's words seem prophetic as Dungy directs the team to a franchise record-tying 10-6 season in '97 and guides the club to its first playoff victory in 18 years.
- ❖ On April 9, 1997, the Buccaneers unveil new, hard-hitting uniforms sporting primary colors of red and pewter. The team's new look is enthusiastically embraced by players and fans.
- ❖ In his continuing efforts to transform the organization into one of the league's model franchises, Glazer undertakes a complete overhaul of the team's front office in 1996, greatly expanding the sales and marketing staffs to meet the team's growing demands.
- ❖ Glazer shows his long-term commitment to bringing a championship to Tampa Bay by extending the contracts of key football personnel in 1998. Beginning with a new five-year deal for Dungy, Glazer also locks up General Manager Rich McKay and cornerstone player DT Warren Sapp, as well as signing emerging free agent WR Bert Emanuel away from the Atlanta Falcons.
- ❖ Glazer and his sons open Raymond James Stadium in grand style with a 27-15 victory over the Chicago Bears before a crowd of 66,321 fans. After trailing 15-0 at halftime, the Buccaneers storm back with 27 unanswered points to defeat the Bears. Tampa Bay posts an impressive 6-2 record (.750) at RJS in 1998.

BRYAN GLAZER

Executive Vice President

Entering his fifth season as Executive Vice President of the Tampa Bay Buccaneers, Bryan Glazer's leadership has been pivotal in the team's ascension through the National Football League's ranks. During Glazer's tenure, the club has become one of the most recognizable franchises in the NFL and one of the most technologically advanced clubs in all of professional sports.

An instrumental force in his family's purchase of the Buccaneers in 1995, Glazer has been a driving force in improving every aspect of the club's influence both nationally and in the Tampa/St. Petersburg communities. His commitment to the organization and the local community culminated with the club's effort in constructing one of the finest facilities in professional sports -- Raymond James Stadium, a 65,000-seat venue that received national acclaim during its 1998 inaugural season.

Along with brothers Joel and Edward, Bryan oversees the day-to-day operation of the franchise, including financial operations, marketing and communications. Since the purchase of the team, he has devoted a significant amount of his efforts to such massive projects as the development and construction of Raymond James Stadium, the overhaul of the team's logo, colors and uniforms, and the restructuring and expansion of the Buccaneers' staff. These days, a great portion of Glazer's attention is focused on the final plans for the Buccaneers' new administrative offices and training facility slated for completion in 2001.

If Raymond James Stadium is an accurate barometer, the Buccaneers' new training facility, which will contain all of the latest equipment and technology in the areas of strength training, sports medicine, and video technology, should be second to none among NFL complexes.

During the construction of Raymond James Stadium, Glazer worked alongside stadium architects and contractors to produce his vision of what the premier stadium in the NFL should be. Glazer oversaw all phases of the construction of the new stadium which will host Super Bowl XXXV in 2001. The state-of-the-art stadium features such amenities as 19-inch wide seats with chairbacks, cupholders, armrests, concourse televisions, full color replay boards at both ends of the stadium, one of the most sophisticated scoreboard systems in all of professional sports, and the centerpiece of the stadium -- the luxurious club seats and air-conditioned club lounges that made Tampa Bay's new home the envy of the NFL.

In 1996-97, Glazer worked closely with designers and graphic artists from NFL Properties in New York and Los Angeles to develop and refine the Buccaneers' new logo, which was successfully unveiled before a huge crowd at the Tampa Bay Convention Center on April 9, 1997.

The new logo, which drew rave reviews from such national media outlets as *USA Today*, *Fox Sports*, *The Houston Chronicle*, *The New York Times*, and the *Washington Post*, consists of a skull and crossed swords on a blood-red, wind swept flag that is displayed on unique pewter-colored helmets. The modifications, based on research of Caribbean buccaneer history, were the first significant changes to the logo and uniform in the team's 23-year history.

A native of Rochester, the 34-year-old Glazer makes many community and charitable appearances on behalf of the organization, and is a member of the Ronald McDonald House, the Tampa Bay Performing Arts Center, and Florida 2012, the organization working to bring the 2012 Summer Olympic Games to the Tampa Bay and Central Florida area. Glazer earned his bachelor's degree in broadcast communications from American University in 1986 prior to completing his law degree from Whittier College School of Law in 1989.

A member of the Florida Bar Association, Bryan resides in Tampa.

JOEL GLAZER
Executive Vice President

Strengthening the business side of the Tampa Bay Buccaneers organization has become the primary focus of fifth-year Executive Vice President Joel Glazer. Glazer has played a prominent role in the club's dynamic new structure since his arrival, along with overseeing the design and construction of what NFL insiders call the "most impressive new stadium in the NFL" -- Raymond James Stadium. Glazer, along with his brothers Bryan and Edward oversees every facet of the Buccaneers' non-football operations, including sales, marketing, accounting and ticket operations.

Glazer, who represents the club at all NFL meetings, played a pivotal role in the franchise's successful effort to gain approval for the construction of Raymond James Stadium. He was also the team's chief organizer of the highly successful Charter Seat Deposit campaign, and he played a key role in the conception, design and construction of the state-of-the-art luxury suites and club seats located in Raymond James Stadium.

Additionally, Glazer spent a significant amount of time at the construction site of the new stadium in an effort to ensure the Buccaneers would be playing in the finest stadium in the NFL. His vision of what the elite NFL stadium should resemble came to fruition on September 20th of last year, when the Buccaneers defeated the Chicago Bears 27-15 in their inaugural game at the facility.

Fueled by Glazer's efforts, Raymond James Stadium offers fan-friendly amenities that are unmatched throughout the league. The stadium has been lauded by fans, teams and the media alike. Glazer is also heavily involved in the design of the Buccaneers' future training facility, scheduled to be completed in 2001. Like Raymond James Stadium, the team's new facility will be one of the league's finest, a state-of-the-art complex that will ready the team for the 21st century.

Glazer also oversees the club's corporate sponsorship packages, local radio and television contracts, stadium signage and outdoor signage related to the Buccaneers' organization, coaches and players.

Since moving to Tampa in 1995, Glazer has been an active member of the Tampa Bay Super Bowl Task Force which succeeded in bringing Super Bowl XXXV to the Bay Area in January, 2001. In addition, he is a member of the Tampa Chamber of Commerce Board of Directors and the Outback Bowl Advisory Committee.

Before his family purchased the Buccaneers in 1995, Glazer worked as Vice President of First Allied Corporation, the family's holding company for its diversified business entities. Glazer sought out and negotiated new commercial real estate acquisitions for the company.

Glazer, 32, earned his bachelor's degree in interdisciplinary studies from American University in 1989. The Rochester, New York native is single and lives in Tampa.

EDWARD GLAZER

Executive Vice President

Edward Glazer has made significant contributions to the Buccaneers and the Tampa Bay community since joining the club as an Executive Vice President in 1997. Overseeing all aspects of the club's administrative offices, Glazer has aggressively worked to implement an array of improvements over the last three years.

One of Glazer's first original concepts was the extremely popular "Buccaneer Battle Flags." Each time the Buccaneer offense penetrates the opposition's 'red zone,' the red flags are raised throughout the stadium. This dramatic game enhancement has quickly become a signature at Buccaneer home games.

Many of Glazer's improvements have taken place at the team's executive offices at One Buccaneer Place. Under his leadership, the Buccaneers have installed a diverse, multi-dimensional computer and telecommunications system, making the Buccaneers one of the most technologically advanced teams in the NFL.

Later this year, the Buccaneers will be unveiling their new web site. Under Glazer's direction, this web-site will be the NFL's best and most comprehensive web site, allowing fans from around the world to meet Buccaneers players and coaches as well as keep up to date with breaking Buccaneer news. In addition, fans will be allowed to take a virtual behind-the-scenes tour of the Buccaneers' training facility and Raymond James Stadium.

Along with his brothers Bryan and Joel, Edward is heavily involved in the design of the much-anticipated Buccaneers' training facility and administrative offices, scheduled for completion in 2001.

Tireless and conscientious, Glazer continues to oversee all aspects of the team's sales campaign, including television, radio and

outdoor billboards which have resulted in unprecedented results for season-tickets sales.

Edward and his brother Joel were the driving force and creators of Tampa Bay's nationally recognized club seat sales film in 1998. The film, designed to educate fans about the luxurious club seating available at Raymond James Stadium, won such prestigious awards as the Communicator Crystal Award and the Telly Award for short film. By winning a Telly, the club seat film was singled out as one of the year's most outstanding non-network video production and received notable mentions in various film and trade publications across the country.

Leading the Buccaneers' Community Relations Department into the millennium, Glazer works closely with the Community Relations staff as well as local, regional, and national non-profit agencies in an effort to take the Buccaneers' philanthropic efforts to a national level. Last season, the Buccaneers were recognized by several national media outlets including HBO's *Inside the NFL* and the *Miami Herald* as one of the most charitable teams in the league with programs such as Warrick Dunn's "Homes for the Holidays" program and Warren Sapp's "Sapp for Shoes" campaign.

Glazer and his wife Shari live in Tampa and are deeply committed to providing aid and assistance in their community. Shari volunteers her time at many local charities including Camp Good Days and Special Times, where she hosted a group of 20 children from the charity last season at a Buccaneers home game. Other charities she is actively involved in include The Children's Cancer Center, The Spring of Tampa Bay and The Children's Hospital at St. Joseph's. Additionally, Shari works with the Tampa Aids Network, where she was co-chairperson of the Tampa Aids Walk for the second consecutive year.

Edward Glazer was born in Rochester, New York and earned a bachelor's degree in sociology from Ithaca College.

GLAZER FAMILY FOUNDATION

In this, its first year, the Glazer Family Foundation is dedicated to developing ways to assist and benefit charitable and educational causes for the youth in the greater Tampa Bay community. "The Tampa Bay area has invested considerably in its support of the Buccaneer organization," said Malcolm Glazer, team owner and president. "In turn, the franchise plays a critical role in the continued economic vitality of the community. We have also made a significant effort to assist those in our community who are less fortunate, and we want the Foundation to further target and impact these needs." The Glazer Family Foundation will work with established not-for-profit organizations to help identify fundamental needs for children. The Foundation's goal is to help create programs that advocate positive social development for the area's youth.

VERONICA (RONI) COSTELLO *Executive Director of the Glazer Family Foundation*

Veronica S. Costello was named Executive Director

of the Glazer Family Foundation on April 16, 1999. She will oversee all aspects of the Foundation for the Glazer family.

Costello, 43, has been a Buccaneer senior executive since 1996, coordinating the team's sales and luxury services departments. Before joining the Buccaneers, she worked as a vice president with Tucker/Hall, focusing on corporate positioning, issue management and community relations. Prior to that, Costello was the Director of Public Affairs for Florida at Hill and Knowlton, Inc. Her extensive government experience includes the position of Central Florida District Assistant to Senator Bob Graham and eight years working in Tallahassee with the Florida Legislature.

A native Floridian, Costello was one of the first senior executive staff members hired by the Glazer family during their restructuring of the Buccaneers' front office in 1996.

Costello's community involvement over the years includes membership on the Steering Committee, Paint Your Heart Out Tampa, Tiger Bay Club, Cuban Foundation Board of Directors, Tampa Club Board of Directors, Alpha House Board of Directors, Greater Tampa Chamber of Commerce and Leadership Tampa Alumni.

Costello is a graduate of Florida State University and has participated in the MIT-Harvard Public Disputes Program in Cambridge, MA. Born 5/5/56, Costello and her husband, Harry, live in Tampa. She has two stepsons, Brian (11/27/75) and Mark (3/23/78).

RICHARD MCKAY

General Manager

The main architect behind the Buccaneers' resurgence, General Manager Rich McKay has engineered one of the most dramatic turnarounds in the National Football League through shrewd draft day maneuvers and key free agency acquisitions.

Beginning his seventh season with the team and fifth as the team's general manager, McKay supervises the entire football operation of the Buccaneers and the negotiation of all player contracts. Additionally, he presides over the club's college and pro personnel departments, including the NFL draft, waiver wire transactions, trades, free agency acquisitions, and salary cap management.

McKay, who directed the club's last five drafts, has guided the Buccaneers from a history of draft difficulty to recognition as one of the NFL's most successful draft-day teams. Adopting a philosophy based on production rather than potential, McKay has developed into one of the more astute and crafty draft-day technicians in the NFL.

In five of the last seven NFL drafts, the Buccaneers have selected at least one player that has gone on to become a Pro Bowl performer for the Buccaneers. That impressive list includes: safety John Lynch (1993), quarterback Trent Dilfer (1994), defensive tackle Warren Sapp (1995), linebacker Derrick Brooks (1995), fullback Mike Alstott (1996) and running back Warrick Dunn (1997). During the 1997 season, the Buccaneers sent an NFL-best eight players to the Pro Bowl played at Aloha Stadium in Honolulu, Hawaii. That grand accomplishment marked the first time in team history that more than three Buccaneers attended the league's post-season all-star event. Five of those players - Alstott, Brooks, Tony Mayberry, Hardy Nickerson and Sapp - were extended repeat invitations following the 1998 campaign.

Under McKay's leadership, the 1994-98

drafts produced 11 starters. Moreover, 22 of the Buccaneers 40 draft picks throughout that span remain on the team's roster. From 1995-97, McKay positioned the team with a league-high six first-round selections over that three-year time period.

Just how good has McKay been at directing a draft? According to the *Fort Worth Star-Telegram*, better than any other team in the NFL since he took over as Tampa Bay's general manager in 1995. The newspaper, using a draft success rating system based on the last five NFL Drafts, found the Buccaneers to be the league's best drafting team over that five-year span.

Assigning a point total for various criteria including draft choices earning All-Pro status, players earning trips to the Pro Bowl and players who have led their team in a major offensive or defensive statistic during the past five seasons, the newspaper awarded the Buccaneers with an NFL-best 80 points as the league's top drafting team since 1995. The New England Patriots were second with 75 points, the Jacksonville Jaguars were third with 69 points followed by the fourth-place Tennessee Titans with 68 points. The St. Louis Rams were fifth in the *Star-Telegram's* rating system with 62 points.

McKay's draft day success since 1995 was directly responsible for the club's breakthrough season in 1997. Tampa Bay experienced a monumental turnaround, tying the team record for wins in a season with 10 and winning its first playoff game since 1979. McKay has negotiated contract extensions for many of the players vital to that success, ensuring the core of the team will remain intact through the turn of the century. Players who have been secured to new contracts or extensions prior to the '98 season include: Sapp, Brooks, Lynch, Dilfer, Brad Culpepper, Donnie Abraham, Jorge Diaz and Karl Williams.

During the 1998 off-season, McKay was appointed co-chairman of the NFL's prestigious Competition Committee, replacing retired New York Giants General Manager George Young and joining Seattle Seahawks

head coach/general manager Mike Holmgren on the committee as co-chairmen. Since 1994, McKay has served on this committee of NFL coaches and executives, which studies the game and passes rule modifications to ensure player safety while promoting competitiveness in the league.

During his tenure as a committee member, McKay has played a vital role in helping secure such progressive rules changes as instant replay, the two-point conversion, the spotting of missed field goals from the point of the kick, and moving of the kickoff spot from the 35-yard line to the 30-yard line. At the time of his appointment, NFL Commissioner Paul Tagliabue acknowledged McKay's advanced understanding of league procedures and policy.

In 1996, McKay coordinated the team's search for a new head coach which culminated in the hiring of Tony Dungy. Under Dungy's guidance, Tampa Bay has emerged as one of the NFL's most up-and-coming teams. Dungy's leadership combined with McKay's familiarity with personnel matters have produced the foundation for a team that appears to be constructed for long-term success.

Regarded as one of the nation's leading experts on facility leases, McKay has represented a number of professional sports teams on a variety of stadium issues regarding acquisitions, financing, and debt service. Additionally, he played a key role in securing the club's new state-of-the-art stadium -- Raymond James Stadium -- which will host Super Bowl XXXV in 2001. McKay,

along with Buccaneers Executive Vice Presidents Bryan and Joel Glazer, negotiated the terms for the lease of Raymond James Stadium with Tampa Mayor Dick Greco and Hillsborough County Administrator Dan Klemm.

Prior to joining the Buccaneers on a full-time basis, McKay was an attorney with the Tampa law firm of Hill, Ward, and Henderson, joining them in 1986. While in that position, he served as the team's legal counsel for six years and helped facilitate the reworking of the team's lease agreement with the Tampa Sports Authority in 1991.

McKay, who also taught a course in sports/entertainment law at Stetson University's College of Law, earned his bachelor's degree in 1981 from Princeton University. He also graduated from Stetson's College of Law in 1984 and clerked for two years for Tampa U.S. District Judge William Terrell Hodges.

McKay is the son of legendary coach John McKay, who won four national championships at the University of Southern California and was the first head coach in Buccaneers history (1976-84). Born March 16, 1959 in Eugene, Oregon, McKay grew up in Los Angeles and Tampa, graduating from Tampa's Jesuit High School where he was the football team's starting quarterback. An avid long distance runner, he has participated in and finished two New York City Marathons. McKay and his wife, Terrin, have two sons, Hunter (7/20/88) and John (9/24/92). The family resides in Tampa.

Rich McKay's Draft-Day Dealing

General Manager Rich McKay has helped shape the Buccaneers' build-through-the-draft approach and has made that philosophy work with extensive maneuvering on draft day. Below is a look at McKay's most important draft-related moves over the last six years.

- ❖ Traded TE Harold Bishop to Cleveland in 1995 for a second-round pick in the 1996 draft, which was used to select two-time Pro Bowl FB Mike Alstott. Bishop had been selected by Tampa Bay in the third round in 1994 and had been activated in six games with no starts as a rookie.
- ❖ Traded the seventh overall selection in the 1995 draft (and a third-round pick) to the Philadelphia Eagles for three draft picks which included the 12th overall selection. This trade allowed the Buccaneers to select two-time Pro Bowl defensive tackle Warren Sapp with the 12th overall pick and later enabled Tampa Bay to package the additional draft picks to obtain another first round selection in the first round of that same draft. The Buccaneers used that pick to select two-time Pro Bowl linebacker Derrick Brooks.
- ❖ Traded restricted free agent QB Craig Erickson to Indianapolis in 1995 for a first-round draft choice in 1996.
- ❖ Traded a 1996 second-round pick to San Diego for the Chargers' first-round choice in 1997. That pick was eventually used to select all-rookie WR Reidel Anthony, the team's leading receiver in '98. The Buccaneers' six first-round picks over a three-year span (1995-97) were the most by any NFL team in that period.
- ❖ Traded the Buccaneers first-round pick in 1998 draft to Oakland for two of the Raiders' second-round picks. With these second-round picks, Tampa Bay then selected WR Jacques Green and CB Brian Kelly.
- ❖ Traded the Buccaneers second-round pick in 1998 to San Diego in exchange for the Chargers' first-round pick in 2000.

TONY DUNGY

Head Coach

19th NFL Season, 4th with Buccaneers

When Tony Dungy was named the sixth head coach in Buccaneer history, he was not intimidated by the franchise's share of disappointments during the last two decades. Instead, Dungy embraced the challenge, believing the fortunes of the team could be reversed with the right players, the right schemes, and the right attitude.

In just over three years, Dungy has the Buccaneers poised for a return to post-season action for the second time in three seasons. Under Dungy's guidance, the Buccaneers have blossomed from a perennial also-ran to one of the rising, young teams in the NFL. Dungy's list of coaching accomplishments includes producing the club's first playoff appearance in 15 years, tying the team record for wins in a season and posting the franchise's first playoff victory since 1979.

Long considered one of the league's top defensive minds, Dungy's three-year coaching record of 24-24 (.500) is the best winning percentage of any head coach in club history.

With renewed vigor and a combination of eight current or former Pro Bowl players filling out the roster, Dungy and his staff are committed to improving upon the team's 8-8 finish last season. After a disappointing 4-7 start, the Buccaneers concluded the season with a 4-1 record, renewing hopes for a strong 1999 campaign. The streak was punctuated by an electrifying 24-22 victory over the Green Bay Packers on ABC's Monday Night Football in December that helped the Buccaneers finish their inaugural season at Raymond James Stadium with an impressive 6-2 home record.

Tampa Bay then concluded the 1998 campaign with a 35-0 blanking of Cincinnati,

marking the franchise's first road shutout in team history.

Dungy, whose defensive units typically finish among the NFL's elite, guided his troops up the league rankings once again to second in the NFL overall - the unit's best finish in 19 years. Tampa Bay's average of 271.6 yards allowed per game ranked first in the NFC, marking the Bucs' first top conference rating since 1979.

Dungy's offense also finished the season in strong fashion. The Tampa Bay offense featured a potent ground attack that finished second in the NFC with 2,148 rushing yards. The explosive tandem of Mike Alstott and Warrick Dunn capped off another productive campaign, combining for 1,872 rushing yards. Additionally, second-year WR Reidel Anthony followed up a solid rookie-season by leading the club in receptions (51), receiving yardage (708) and TD catches (seven).

Following the 1997 season, Dungy was selected as the Professional Coach of the Year by the Maxwell Football Club for his accomplishments in turning the Buccaneers into legitimate playoff contenders. Long considered the most accessible head coach in the NFL by members of the national press, Dungy was awarded the prestigious Horrigan Award which is presented annually by the Pro Football Writers of America to the NFL's most cooperative head coach.

On March 11, 1998, Dungy received yet another reward for his outstanding achievements - a new five-year contract that essentially voided out the terms of his original pact and ensured that he would be with the team through the 2002 season.

Dungy was named head coach of the Buccaneers on January 22, 1996. Eleven months later, he guided his club to victories in five of their final seven games including a franchise-record five consecutive victories at home. The strong finish would serve as an

early indicator of the organization's eventual rise to prominence the following year.

Buccaneer fans found out almost immediately what kind of football coach Dungy is in '96 when his team stumbled out of the blocks with an 0-5 record before recording their first victory of the season and Dungy's first as an NFL head coach - a 24-13 triumph over the Minnesota Vikings on October 13. Remaining calm and committed to their approach, Dungy and his staff guided the Buccaneers to a 6-5 record down the stretch and oversaw a defensive unit that held seven straight opponents to 17 points-or-less.

Dungy's aggressive defenses have been known for takeaways and scoring touchdowns. In his last 16 seasons, his units have scored an amazing 49 defensive TDs. In fact, since the 1970 AFL-NFL merger, only nine teams have scored as many as seven defensive touchdowns in a season and four of those have come under Dungy's guidance.

When Dennis Green became the Minnesota Vikings' head coach in 1992, he named Dungy as his defensive coordinator. In his four seasons with the Vikings, Dungy's defenses intercepted an NFL-best 95 passes as the team qualified for post-season play three times. In 1995, Dungy's troops racked up impressive statistics. The Vikings finished second in the NFL in takeaways with 40, ranked second in the league in interceptions with 25, ended up fourth in the NFL against the rush and were tied for first in the NFC and fourth in the NFL in sacks with 44.

Dungy directed another successful defensive effort for the Vikings in 1994 despite having fewer first round picks (one) than any other playoff defense. Minnesota ranked first in the NFL in defensive TDs with seven, first in the league in run defense, was fifth in the NFL in total defense, tied for first in the NFC in fumble recoveries with 16, fourth in the conference in takeaways with 34 and tied for fifth in the NFC with 36 sacks. The Vikings' league-best 68.1 rushing yards allowed per game was the fourth-best in NFL history and the top league mark in 30 years (Buffalo 65.2 in 1964).

In 1993, the Vikings had the NFL's top-ranked defense (275.3 yards per game). Minnesota was also the league's only team to rank in the top six defenses against both the run and the pass. Dungy's corps also led the

NFC and ranked second in the NFL in interceptions with 24, was third in the NFC in takeaways with 34, paced the league in fewest first downs permitted (259), was number one in highest percentage of opponents' passes intercepted (5%) and finished fourth in the conference in sacks with 45.

In his first year with Minnesota (1992), Dungy's defense had five new starters yet still led the NFL in interceptions with 28, ranked first in the NFC and second in the NFL with 42 takeaways, tied for the league lead in defensive touchdowns with eight (NFL's best total in eight years), and tied for third in the NFL in sacks with 51. Additionally, the Viking defense was second in the league in yards allowed per play (4.5), finished first in the NFL in fewest yards allowed per pass play, had the NFL's lowest percentage of TD passes allowed (2.4%), finished third in the league in fewest TDs allowed with 23, ranked eighth in the NFL in total defense and was seventh in the NFL against the pass. Four Viking defensive players were selected to the Pro Bowl.

From 1989-91, Dungy was the defensive backs coach for the Kansas City Chiefs under Head Coach Marty Schottenheimer. In 1989, the Chiefs finished first in the AFC and second in the NFL in pass defense while the club qualified for the playoffs in 1990 and '91. From 1989-90, Kansas City allowed both the second fewest completions in the NFL (503 behind Minnesota's 470) and the league's second lowest completion percentage (51.2% behind Philadelphia's 48.5%). Under Dungy's guidance, CBs Albert Lewis and Kevin Ross were two-time Pro Bowl selections.

Dungy's first NFL coaching stop was with the Pittsburgh Steelers from 1981-88. In '81, he became the youngest assistant coach in the NFL (25) when he joined the Steelers as a defensive assistant. From 1982-83, Dungy served as Pittsburgh's defensive backs coach, tutoring such Steeler stars as Mel Blount and Donnie Shell. In 1983, the Steelers' secondary permitted just seven touchdown passes in 16 games. In '84, Dungy became the youngest coordinator in the NFL when, at the age of 28, the Steelers tabbed him to run their defense. Pittsburgh's "D" ranked among the league's top six in each of his first two seasons as coordinator and, in his five years in that position, his defenses averaged 24 interceptions and 37 takeaways per season while scoring

20 touchdowns (including a league-best seven in 1987).

Dungy began his coaching career in 1980 at the age of 24 when he served as the defensive backs coach at the University of Minnesota (his alma mater).

As a player, Dungy was a quarterback at the University of Minnesota from 1973-76. He finished his Golden Gopher career as the school's all-time leader in pass attempts (576), completions (274), passing yards (3,577) and touchdown passes (25). Dungy also rushed 413 times for 1,345 yards and 16 touchdowns. A two-time team Most Valuable Player, Dungy played in the East-West Shrine Game, the Hula Bowl and the Japan Bowl. At the time he completed his college career, he ranked fourth in Big Ten history in total offense behind Mike Phipps, Archie Griffin and Bob Griese. As a junior, he established a single-season school record with 15 TD passes while leading the Big Ten and ranking fifth nationally in both total offense and passing. As a freshman, Dungy played for the 1973-74 Gophers varsity basketball team, averaging 2.6 points per game before ultimately playing football only. He earned a bachelor's degree from UM in business administration.

Following his UM career, Dungy signed as a free agent with the Pittsburgh Steelers in May, 1977. In training camp, he was converted from quarterback to wide receiver to safety, and he impressed the Pittsburgh coaching staff sufficiently to become the first free agent to make the team's final roster in two years. Dungy appeared in 14 games as a rookie and notched three interceptions. In a '77 game against the Houston Oilers, Steeler QBs Terry Bradshaw and Mike Kruczek were both injured and Dungy completed three of eight passes for 43 yards and rushed three times for eight yards. He had the unusual

experience of making an interception and throwing one in the same game.

In 1978, Dungy played in all 16 games and, despite starting just two contests, he ranked second in the AFC with six interceptions. He saved the Steelers' 15-9 victory over the Cleveland Browns with an end zone interception on the game's final play which he returned 65 yards. Dungy played in the Steelers' 35-31 victory over the Dallas Cowboys in Super Bowl XIII. During training camp in 1979 (8/21), Dungy was traded to the San Francisco 49ers in exchange for a 1980 tenth-round draft choice. He participated in 15 games for the 49ers in '79. Prior to the 1980 campaign (3/27), Dungy was dealt to the New York Giants along with RB Mike Hogan in exchange for WR Jimmy Robinson and CB Ray Rhodes (current head coach of the Green Bay Packers).

Since arriving in Tampa Bay, Dungy and his wife, Lauren, have been very active in community affairs. Dungy has done extensive work as a speaker for the Fellowship of Christian Athletes and Athletes in Action. Since 1997, he has participated in Mentors for Life, a program which provides tickets to Buccaneers home games to area youth and their mentors. Additionally, he has been a large supporter of a variety of children's charitable programs such as Big Brothers/Big Sisters, Boys and Girls Clubs and foster parenting organizations. Lauren has volunteered regularly at The Spring, a shelter for abused women and children, as well as the First Baptist Church of College Hill lunch program.

Born Anthony Kevin Dungy on October 6, 1955 in Jackson, Michigan, he graduated from Parkside High School in Jackson. He and Lauren, have three children: daughter Tiara (12/28/84), and sons James (1/6/87) and Eric (1/12/92).

MARK ASANOVICH

Strength & Conditioning Coach

5th NFL Season, 4th with Buccaneers

For the last three seasons, Mark Asanovich, the Buccaneers' strength and conditioning coach, has overseen all aspects of the club's strength and conditioning routines including the highly successful four-month off-season voluntary workout program. Asanovich's voluntary workouts continue to be one of the most highly attended off-season programs in the National Football League, boasting a participation level from eligible roster players of nearly 100 percent.

Under Asanovich's guidance, the Buccaneers have upgraded virtually every facet of their weight training facilities. Asanovich provides each Buccaneer player with a clearly defined road map on how he will reach his full potential in areas of conditioning, nutrition, and strength training.

Asanovich spent the 1995 NFL season as assistant strength and conditioning coach for the Minnesota Vikings. Prior to joining the Vikings, Asanovich worked from 1987-95 as the strength and conditioning coach at Anoka (Minn.) High School. During his tenure there, the school captured state football championships in 1990 and 1994. Anoka also won state titles in soccer (1989), wrestling

(1991), and basketball (1992) during his nine years at the school. Asanovich came to Anoka after spending 1986 in a similar capacity at The Citadel.

In 1984, Asanovich was hired as a graduate assistant coach at Ohio State as the Buckeyes won the Big Ten title and played in the Rose Bowl that season. That same year, he also worked as the strength and conditioning coach at Grove City (Ohio) High School. Asanovich was promoted to assistant strength and conditioning coach at Ohio State the following year as the team went 9-3 and defeated Brigham Young in the Citrus Bowl.

While in Minnesota, Asanovich was a member of the Governor's Council for Health and Physical Fitness and also was on the Executive Board of the Minnesota Association of Physical Education, Health, Exercise, Recreation, and Dance. He was also one of the first 15 coaches certified by the National Strength Conditioning Association.

Asanovich earned his bachelor's degree in special education from St. Cloud State and his master's in strength training and athletic conditioning from Ohio State.

A native of Duluth, Minnesota, Asanovich played guard and linebacker at the city's East High School. He and his wife, Allisen, reside in Odessa.

WENDELL AVERY

Offensive Assistant

1st NFL Season, 1st with Buccaneers

Wendell Avery begins his first season as the Buccaneers' offensive assistant. Avery, the only 1999 addition to Head Coach Tony Dungy's staff, has served as a head coach and assistant coach on the collegiate level for 10 years.

Avery assumed the role of offensive assistant after Ricky Thomas was promoted to tight ends coach on March 24. A former University of Minnesota quarterback, and college teammate of Dungy's from 1975-76, Avery completed his collegiate career in 1980, and left Minnesota with a degree in Urban Administration.

Avery began his coaching career as the quarterbacks/wide receivers coach at Macalester College (MN) from 1982-83.

After his stint at Macalester, Avery pursued a career in the private business sector as a Senior Sales Representative for Xerox Corporation in Minneapolis, MN from 1984-90.

Avery returned to the collegiate ranks as the offensive coordinator at Winona State (MN) from 1990-91. He spent the following two seasons in a similar capacity as the offensive coordinator at Alabama A&M from 1992-93.

Avery assumed the position of offensive coordinator at Savannah State (GA) in 1994 and served as the Tigers' head coach the next two seasons from 1995-96.

Avery, 42, participated in the NFL Minority Coaching Fellowship Program as a member of the Detroit Lions' coaching staff in 1995 and as a fellow for the Buccaneers' staff in 1997.

Prior to joining Dungy's staff as a full-time assistant coach, Avery served as the quarterbacks coach at Fort Valley State in 1998.

As Minnesota's starting quarterback in 1977, Avery led the Gophers to their first bowl appearance in 15 years. He and his wife, Brenda, have two children, son Quincy (6/7/86) and daughter Taylor (7/7/95). The family resides in Tampa.

CLYDE CHRISTENSEN

Quarterbacks Coach

4th NFL Season, 4th with Buccaneers

After spending his first three seasons tutoring the Buccaneers tight ends, fourth-year assistant coach Clyde Christensen will switch roles and work with the team's quarterbacks in 1999. Promoted to his new position during the past offseason by head coach Tony Dungy, Christensen will work closely with offensive coordinator Mike Shula and the rest of the offensive staff to add more firepower to the club's passing game. Christensen, who spent 16 years in the collegiate coaching ranks included frequent tutoring of quarterbacks, has a working knowledge and solid understanding of the intricacies of the position.

Before joining the Buccaneers in 1996, the 41-year-old Christensen spent two years (1994-1995) as the co-offensive coordinator/quarterbacks coach at Clemson University. From 1992-1993, he served as the quarterbacks coach at the University of Maryland where he worked closely with John Kaleo and former Buccaneers quarterback Scott Milanovich. Under Christensen's direction, Kaleo ranked second in the nation in total offense in 1992 while Milanovich finished fourth in 1993. In 1991, Christensen served as running backs coach at South Carolina after spending the 1989-1990 season as an assistant coach at Holy Cross University.

While coaching the Crusaders, he oversaw the receivers and tight ends in 1989 before being promoted to offensive coordinator for the 1990 season. From 1986-88, Christensen was the offensive coordinator and was also in charge of recruiting at East Carolina as the Pirates built a reputation for offensive explosiveness against ranked opponents.

Christensen oversaw the quarterbacks and wide receivers at Temple from 1983-85 after holding the position of offensive coordinator at East Tennessee State from 1980-82. He began his coaching career as a graduate assistant at Mississippi in 1979.

As Tampa Bay's former tight ends coach, Christensen oversaw the development of a young corps anchored by emerging veteran Dave Moore. Under Christensen's guidance, Moore successfully made the transition from backup role player to starter, equaling receivers Karl Williams and Reidel Anthony with a team-high four touchdown receptions in 1997 and more than doubling his career reception totals over the past two seasons.

As the first quarterbacks coach under Dungy since his staff was assembled in 1996, Christensen takes over both an experienced starter and a revamped corps. Established starter Trent Dilfer has opened 64 consecutive games, the second-longest streak in the NFL entering 1999, and has thrown a team-record 42 touchdown passes over the past two seasons. His two primary backups are both new acquisitions: fifth-year veteran Eric Zeier, who started 11 games over four seasons with Cleveland and Baltimore, and rookie Shaun King, the team's promising second-round draft pick out of Tulane.

As a player, Christensen was an All-America quarterback for Fresno City Junior College from 1975-78. He continued his collegiate career as a QB at North Carolina where he lettered for the Tar Heels from 1977-78 as they earned trips to the Peach Bowl and Liberty Bowl. Christensen earned his bachelor's degree in industrial relations from UNC.

Born January 28, 1958 in Covina, California, Clyde and his wife, Debbie, reside in Tampa with their three daughters, Rachel (7/15/83), Rebecca (9/12/85) and Ruth (9/6/90).

HERMAN EDWARDS

**Assistant Head Coach/
Defensive Backs Coach**

10th NFL Season, 4th with Buccaneers

Regarded as one of the NFL's best teachers and communicators, Herman Edwards begins his fourth season as the club's assistant head coach/defensive backs coach.

Edwards, who met Buccaneer Head Coach Tony Dungy while participating in the Hula Bowl and Japan Bowl college all-star games in 1976, has developed a wide array of schemes, alignments, and blitzes to take full advantage of his players' strengths. In addition to his position coaching duties, Edwards is responsible for assisting the head coach with various day-to-day administrative functions.

A top gameday tactician who is a stickler for detail and preparation, Edwards was the architect of one of the NFL's most effective secondaries in 1998. Despite playing with a unit riddled with injuries for most of the year, Edwards' group battled through the adversity and finished the year as the NFL's second-ranked pass defense. Tampa Bay yielded a paltry 172.6 passing yards per game, the club's lowest total since the 1982 season (153.8), and the sixth-lowest total in

franchise history. With last season's outstanding showing, Tampa Bay's secondary has recorded three consecutive seasons of finishing in the NFL's top 10 in pass defense (1996-98).

In '97, the Buccaneer secondary put forth its second consecutive stellar performance under Edwards' tutelage, finishing in the league's top 10 in pass defense. Aided by an improved defensive line that constantly harassed opposing passers, the Buc defensive backfield allowed an average of just 188.0 passing yards per game. One of the unit's biggest beneficiaries of Edwards' counsel was S John Lynch, who became the first Buc defensive back to earn a Pro Bowl selection since Wayne Haddix ('90) after posting a career-best 154 tackles and two interceptions in 1997.

In 1996, under Edwards' guidance, the Buccaneer pass defense rose from 16th in the league after the second week to fourth place by season's end. Led by Lynch and rookie sensation Donnie Abraham, the Tampa Bay defensive backs limited opposing offenses to an average of just 182.8 passing yards per game, the team's lowest mark since 1991 (179.5).

Edwards, 45, joined the Buccaneers after spending the previous seven years in several

different capacities with the Kansas City Chiefs. In 1995, he served as a pro scout in the Chiefs' player personnel department. From 1992-94, he was the team's defensive backs coach and was credited with the development of Dale Carter (AFC Defensive Rookie of the Year in '92) and S Charles Mincy while also coaching Pro Bowlers Kevin Ross and Albert Lewis.

In each of Edwards' three seasons as the Chiefs' DBs coach, the team ranked in the NFL's top three in takeaways and in the top ten in pass defense. In 1992, under Edwards' guidance, the Chiefs led the AFC and ranked second in the NFL in pass defense (158.6 yards per game). Kansas City's 24 interceptions was the third highest total in the league that season as Chief DBs scored five touchdowns. In 1993, injuries rocked the Kansas City secondary and Edwards was forced to use five different starting combinations. Still, the Chiefs permitted just 196.6 yards per game and had 21 interceptions (seventh in the NFL).

From 1990-91, Edwards was a talent scout for the Chiefs while also spending training camps as an assistant to Dungy who was then Kansas City's defensive backs coach. Edwards initially worked for the Chiefs in the summer of 1989 as the recipient of the team's Minority Coaching Fellowship. He began his coaching career at San Jose State as the Spartans' defensive backs coach from 1987-89. During each of his three seasons at SJSU, Spartan opponents completed less than 50% of their passes.

As an NFL player, Edwards played ten seasons including nine with the Philadelphia Eagles (1977-85). Undrafted following his college career, he was signed as a free agent by current Chiefs' President/General Manager Carl Peterson who was then the Eagles' Director of Player Personnel. As a rookie cornerback, Edwards started the first pre-season game and then proceeded to start all 135 games during his nine-year Eagle tenure. He earned Second Team All-NFC honors in 1980 and 1982, and played for the Eagles in Super Bowl XV (27-10 loss to Oakland Raiders).

However, Edwards is best remembered for recovering a fumble by New York Giant QB Joe Pisarcik and returning it 26 yards for a

touchdown with 31 seconds remaining in Philadelphia's 19-17 "Miracle in the Meadowlands" (11/19/78). He left Philly with 33 career interceptions which ranks second on the team's all-time list behind Bill Bradley and Eric Allen (34). Including post-season play, his 38 interceptions is an Eagle record. Edwards' final NFL season came in 1986 when he played four games for the Los Angeles Rams and three for the Atlanta Falcons before announcing his retirement during the season (11/11).

Edwards began his college career at Cal-Berkeley and played there in 1972 and '74, earning All-PAC-8 (now PAC-10) honors. He set a Golden Bear record with four interceptions in one game. In 1973, he played at Monterrey Peninsula Junior College. Edwards played his senior season at San Diego State where he received his bachelor's degree in criminal justice.

In 1997, Edwards and the Buccaneers' secondary implemented a youth enrichment program called "Focus and Finish," which they will sponsor again this season. The program encourages high school athletes to excel in athletics and as citizens in their respective communities through volunteering, tutoring, and mentoring programs. The student-athletes involved in "Focus and Finish" must have a minimum 3.0 grade-point average and be involved in community service. The group sits in a special section each game, courtesy of tickets purchased by Edwards and members of the Bucs secondary.

Edwards, for the fourth straight year, also hosted the Herm Edwards Football Camp, which was attended by more than 300 underprivileged youth living on the Monterey Peninsula. The camp, which is offered at no cost to participants, raises money through an auction and raffle dinner which is then distributed to five area schools. In years past, he also hosted the Annual Herman Edwards Charity Golf Classic which benefited the Boys and Girls Club in Seaside, California.

A native of Monmouth, New Jersey, Edwards grew up in Seaside, California. He has a son, Marcus (12/13/81) and is engaged to Lia Camara. Edwards lives in Tampa.

CHRIS FOERSTER
Offensive Line Coach
 7th NFL Season, 4th with Buccaneers

One of the first assistants hired by head coach Tony Dungy when he arrived in 1996 was Buccaneer offensive line coach Chris Foerster, who has engineered a dramatic improvement in the club's offensive line play over the last three seasons. Foerster's hard work was rewarded after the last two seasons when center Tony Mayberry became the first Buccaneers offensive lineman ever to be selected to the Pro Bowl. In his seventh NFL season and fourth with the Buccaneers, Foerster is credited with tutoring a solid, young offensive line that paved the way for Buccaneer running backs to record the second-best rushing total (2,148) in club history in 1998.

Foerster's troops also excelled in pass protection during the 1998 season, giving up only 28 sacks, tied for the fourth-lowest mark in franchise history. An intense motivator, Foerster has earned the respect of his players with a no-nonsense approach that has enabled the unit to develop into one of the most cohesive offensive lines in the NFL.

Prior to 1997, no Buccaneer offensive lineman had ever been selected to represent the NFC in the league's all-star game. All that changed however, when Mayberry earned

that honor and LT Paul Gruber was chosen as a first alternate. In 1997, the Buccaneer offensive line finished tied for fifth in the league in sacks allowed, surrendering just 32 take-downs. In his first three seasons with Tampa Bay, Foerster has been instrumental in the progress of early-round selections T Jason Odom ('96), T Jerry Wunsch ('97) and G Frank Middleton ('97) as well as '96 surprise college free agent G Jorge Diaz.

In his first season with the Buccaneers in 1996, Foerster took over an offensive line unit that suffered various injuries to key personnel. Despite the fact that the unit's five starters played together in just one game, the Buc offensive line ranked 12th in the league in sacks allowed, surrendering just 30 take-downs.

Foerster joined the Minnesota Vikings staff in 1993 as assistant offensive line coach and also helped with the tight ends in 1994. In 1995, he was promoted to tight ends/assistant offensive line coach by Vikings Head Coach Dennis Green. The Vikings' offensive line solidified their reputation for getting the tough yards as the team earned a first down on 25 of 27 third or fourth down tries from three yards or less. In '94, Minnesota gained a club-record 5,848 yards (since broken) and permitted just 31 sacks in 704 pass attempts. That ratio of a sack every 22.7 passes was the second best in team history. In Foerster's first Viking season, the club produced a sackless streak of 14 consecutive quarters, which was a team record.

In Foerster's three years with the Vikes, G Randall McDaniel was selected to three Pro Bowls. In '94, TE Andrew Jordan and T Todd Steussie were named as consensus all-rookie picks.

In 1992, prior to accepting his post with the Vikings, Foerster worked as the offensive line coach at the University of Minnesota under Head Coach Jim Wacker. That season, the Gophers set a school mark for completions while also leading the Big Ten in passing yards. One of Foerster's players, T Keith Ballard, was named as the team's Most Valuable Player.

From 1988-91, Foerster tutored the offensive line at Stanford, working the last three years for then-Cardinal Head Coach Dennis Green. While Foerster was at Stanford, T Bob Whitfield developed into an All-America and 1992 first-round draft choice, and FB Tommy Vardell set a school career and single-season record for rushing TDs. Foerster began his college coaching career at Colorado State in 1983 as a graduate assistant. He was promoted to

offensive line coach the following season and remained with the Rams through the 1987 campaign. While at CSU, Foerster's line played in front of the school's all-time leading rusher (Steve Bartalo) and passer (Kelly Stouffer), and the school boasted three First Team All-Western Athletic Conference offensive linemen.

Foerster played center at Colorado State from 1979-82, originally as a walk-on before earning a starting job and a scholarship as a sophomore. In his senior year, the Rams set a school record for passing yards in a season. The previous year, Foerster was named as CSU's outstanding scholar-athlete. Foerster earned his bachelor's degree in history from Colorado State.

A native of Milwaukee, Foerster grew up in Tucson, Arizona where he earned all-city honors in football. He and his wife, Michelle, live in St. Petersburg with daughter Kathleen (8/9/88) and son Jake (12/6/91). The couple is expecting their third child in November.

MONTE KIFFIN
Defensive Coordinator
 17th NFL Season, 4th with Buccaneers

Arguably one of the most talented and unsung defensive coordinators in professional football, Monte Kiffin begins his fourth

season as the architect of one of the National Football League's most feared units. During his four-year reign as the chief conductor of the attacking Buccaneer defense, Kiffin has led a veritable wrecking ball, the only defense in the league to rank in the top five each of the past two seasons. The most experienced assistant on Tony Dungy's staff, Kiffin sows confusion with a variety of blitzes, cov-

erage disguises, and ball-hawking schemes.

Kiffin's talent-laden defense over-matched many opponents in '97 and '98, allowing an average of 17.4 points per game and limiting teams to less than 300 total yards in 20 of 32 regular season contests. Fueled by Pro Bowlers LB Derrick Brooks, LB Hardy Nickerson, DT Warren Sapp, and SS John Lynch, the Buccaneer defense finished third in the league in 1997 and second last year.

Kiffin came to Tampa Bay after spending the 1995 campaign as the defensive coordinator for the New Orleans Saints. In 1995, the Saints tied for fourth in the NFL in sacks with 44. Just prior to coaching in New Orleans, Kiffin spent four seasons (1991-94) as an assistant coach for the Minnesota Vikings, serving as defensive coordinator for Head Coach Jerry Burns in 1991 and as inside linebackers coach for Head Coach Dennis Green and Defensive Coordinator Tony Dungy from 1992-94. During that tenure in Minnesota, the Vikes led the league in both total defense and run defense in 1994.

In 1990, Kiffin tutored the linebackers for the New York Jets under then-Head Coach Bruce Coslet and Defensive Coordinator Pete Carroll. Kiffin had his first tour of duty with the Vikings as the team's linebackers coach from 1986-89. During that time, he coached standout Viking LBs Scott Studwell, Chris Doleman and Mike Merriweather. In both '88 (255.7, 4.3) and '89 (261.5, 4.1), Minnesota was the league leader in both total defense and yards allowed per play.

From 1984-85, Kiffin coached the linebackers for the Buffalo Bills, overseeing

players like Darryl Talley and Jim Haslett who later coached with Kiffin in New Orleans. Kiffin's first professional coaching job came in 1983 as the linebackers coach for the Green Bay Packers under then-Head Coach Bart Starr.

Kiffin was the head coach at North Carolina State from 1980-82, compiling a 16-17 record including 6-5 marks in 1981 and '82. Former Philadelphia Eagle Pro Bowl WR Mike Quick played for the Wolfpack under Kiffin. From 1977-79, Kiffin was defensive coordinator for Lou Holtz at Arkansas while also serving as assistant head coach in '79. Arkansas led the nation in scoring defense in 1977.

Kiffin began his coaching career at Nebraska where he worked from 1966-76 under both Bob Devaney and Tom Osborne. Kiffin directed a Cornhuskers defense that led Nebraska to consecutive national championships in 1970-71. When Osborne became Nebraska's head coach in 1973, he retained Kiffin as his defensive coordinator.

As a player, Kiffin was both an offensive and defensive tackle at Nebraska from 1959-63. Following graduation, he sat out the 1964 season due to a knee injury before playing defensive end for the Winnipeg Blue Bombers of the Canadian Football League in 1965.

A native of Lexington, Nebraska, Kiffin was that state's High School Athlete of the Year in 1958. Monte and his wife, Robin, live in Tampa. They have three children including daughter Heidi (9/5/68) and sons Lane (5/9/75) and Chris (1/19/82).

AARON KOMAREK

Assistant Strength & Conditioning Coach

4th NFL Season, 4th with Buccaneers

Beginning his fourth full season as assistant strength and conditioning coach for the Buccaneers is 28-year-old Aaron Komarek. Komarek, who assists Strength and Conditioning Coach Mark Asanovich in all aspects of the club's strength and conditioning program, also works with the players in the critical areas of flexibility, agility, and speed. He also tailors specific workouts based on the individual needs and capabilities of all Buccaneers players.

Before coming to Tampa Bay, Komarek worked with Asanovich from 1993-95 as a strength and conditioning intern for the

Minnesota Vikings and as a strength and conditioning coach for Minnesota's Anoka High School. With his assistance, the 1994 Anoka football team went undefeated (14-0) and captured the high school state championship.

Komarek graduated with honors from the University of Minnesota in 1995, earning a bachelor's degree in kinesiology. The St. Paul, Minnesota native is a member of Florida's Expert Strength Council (1996-97) and served as Minnesota's Co-State Director of the National Strength & Conditioning Association in 1994. In 1998, he also served as a trainer for professional tennis player Jennifer Capriati. He is single and resides in Tampa.

JOE MARCIANO

Special Teams Coach

14th NFL Season, 4th with Buccaneers

Joe Marciano, regarded by his peers as one of the game's top special teams coaches, begins his 14th season in the National

Football League and fourth as a member of the Buccaneers coaching staff. Marciano, whose charges have proven that hard work, desire, determination, and all-out hustle are the hallmarks of effective special teams play, watched his units establish new club single-season standards for both kickoff return average (23.7-yard per return) and punt

return average (13.7-yards per return) in 1998. Tampa Bay's kickoff coverage teams also continued to be amongs the NFL's best by tying the NFC Champion Atlanta Falcons for the seventh lowest opponent drive start (24.4-yard line).

Marciano's punt return team was responsible for perhaps the most electrifying moment of the Buc's 1998 season at Green Bay's Lambeau Field when wide receiver/punt returner Jacques Green, in his first NFL game, raced 95 yards for a touchdown, the longest punt return for a score in the NFL last season and the longest in franchise history. Green's 15.1-yard punt return average was good enough for second in the NFL behind Dallas' Deion Sanders (15.6).

Marciano and the Buccaneers' special teams also excelled in 1997. In Marciano's second year with Tampa Bay, Karl Williams recorded just the third punt return for a touchdown in franchise history and rookie LB Alshermond Singleton blocked two punts. Williams finished as the NFC's second-leading punt returner and the Bucs finished first in the NFL in opponent net punting and opponent field goal percentage, fourth in punt return average and opponent average kickoff drive start and fifth in opponent gross punting average.

Marciano has turned the Bucs' special teams units into big-play producers. In just three seasons under his tutelage, Buccaneer special teamers have recorded five NFC Player of the Week awards, 10 blocked or deflected kicks and six of the eight longest punt and kickoff returns in team annals. Marciano joined Tampa Bay after spending the previous 10 years as the special teams coach for the New Orleans Saints. For the first

nine of those campaigns, he also coached the team's tight ends. In 1995, the Saints ranked third in the league in lowest punt return average allowed (6.5) and sixth in lowest kickoff return average permitted (19.8).

During Marciano's New Orleans tenure, he coached three special teams players who were selected for the Pro Bowl (Morten Andersen, Tyrone Hughes, Bennie Thompson).

Marciano's first professional football job came as the special teams/tight ends coach for the Philadelphia/Baltimore Stars of the USFL. Marciano joined the Stars after spending 1982 as the tight ends/special teams coach at Temple.

In 1981, Marciano tutored the tight ends for Head Coach Joe Paterno at Penn State. There, he coached future NFL offensive lineman Ron Heller who played TE for the Nittany Lions. Marciano also coached tight ends at Villanova (1980) and Rhode Island (1978-79). He began his college coaching career overseeing the tight ends at East Stroudsburg University in 1977. Marciano coached at Wyoming Area High School in West Pittston, Pennsylvania in 1976.

The 45-year-old Marciano was a quarterback at Temple where he earned his bachelor's degree in health and physical education. A native of Dunmore, Pennsylvania, he is an avid fisherman who has conducted various fishing tournaments and has appeared on numerous ESPN fishing shows. In 1993, Marciano was inducted into the Northeast Chapter of the Pennsylvania Sports Hall of Fame. He is single and resides in Odessa.

ROD MARINELLI
Defensive Line Coach
4th NFL Season, 4th with Buccaneers

One of the game's most successful instructors on the finer points of technique, leverage, and balance in the defensive line trenches is fourth-year Buccaneers defensive line coach Rod Marinelli. Marinelli's unit, led by two-time Pro Bowl defensive tackle Warren Sapp and veteran nose tackle Brad Culpepper, proved to be the front line of one of the National Football League's premier run-stopping clubs last season. The Buccaneers allowed an average of 98.9 rushing yards per game, third-best in the National Football Conference behind Atlanta and Green Bay.

Marinelli's unit also continued its penchant for getting to enemy quarterbacks on a consistent basis, finishing the season with 37 sacks. In three seasons as the club's high-energy defensive line coach, the Buccaneers have dropped opposing quarterbacks 116 times including a team single-season record 44 in 1997. In fact, Marinelli's tenacious and talented defensive front features four current players among the club's all-time sack leaders list: DT Warren Sapp (29.5), DT Brad Culpepper (27), DE Chidi Ahanotu (21) and DE Regan Upshaw (18.5).

Marinelli helped every member of the Bucs' defensive line record a career year in 1997, as Sapp emerged as a bona fide NFL star, Ahanotu made a name for himself as much more than a dependable performer, Culpepper finally shed the mantle of 'over-achiever' and Upshaw gave the team its first significant production at right end in years.

A veteran of 20 seasons as a college assistant coach, Marinelli came to Tampa Bay after spending the 1995 season as the defensive line coach at Southern Cal under Head Coach John Robinson. From 1992-94, Marinelli was

the assistant head coach/defensive line for Head Coach Bruce Snyder at Arizona State. In 1993, three of his starting linemen earned All-Pac-10 honors. Shante Carver was an All-America pick and was also a finalist for the Outland and Lombardi trophies before being selected in the first round of the draft by the Dallas Cowboys.

From 1983-91, Marinelli coached the defensive line at California, adding assistant head coach to his title for his final two Golden Bear seasons. Snyder became the school's head coach in 1987 and retained Marinelli. While at California, Marinelli coached several future NFLers including Chidi Ahanotu, Rhett Hall and Natu Tuatagaloa.

Marinelli's first coaching job came in 1976 from Snyder who was then the head coach at Utah State. From 1976-81, Marinelli oversaw the Aggies' defensive line before becoming USU's offensive line/special teams coach for the 1982 campaign. In six seasons as the D-Line coach for Utah State, three of his players (Rulon Jones, Mike Perko, Shawn Miller) won conference Defensive Player of the Year honors. Marinelli began his coaching career at his alma mater, Rosemead High School in San Gabriel Valley, California, from 1973-75.

Marinelli played offensive and defensive tackle at Utah in 1968 before serving a one-year stint in Vietnam. He returned from the service and attended California Lutheran from 1970-72, earning NAIA All-America honors as an offensive tackle in '72. Marinelli earned his bachelor's degree in history from CLC.

Born July 13, 1949 in Rosemead, California, Rod and his wife, Barbara, reside in Tampa. The family includes daughters Christine (2/11/70) and Gina (8/8/81). Christine is married to Joe Barry, a linebackers coach at UNLV under Head Coach John Robinson.

TONY NATHAN
Running Backs Coach
 12th NFL Season, 4th with Buccaneers

Lobbying for the club to spend high draft picks for fullback Mike Alstott in 1996 and tailback Warrick Dunn in 1997, Tampa Bay Buccaneers Running Backs Coach Tony Nathan knew both players needed to quickly develop into big-game performers.

Alstott and Dunn have delivered on the potential seen by Nathan, a 12-year NFL coaching veteran and running backs guru. Accumulating 1,872 of Tampa Bay's 2,148 rushing yards in 1998, the second-highest combined yardage total in franchise history, Alstott and Dunn gave Buccaneers fans a glimpse of what's to come as each player continues to mature and improve. Nathan's running backs finished the season with the fourth highest rushing total in the NFL, good enough for second-best in the National Football Conference behind San Francisco (2,544).

Under Nathan's direction, Alstott capped off the most productive campaign of his three-year career by earning his second consecutive trip to the Pro Bowl. Alstott is the first rusher in team history to receive the honor in consecutive seasons. A starter in all

16 games, he set career marks in carries (215), yards (846), and rushing touchdowns (eight). Not to be outdone, Dunn topped his rookie season rushing total (978 yards) with the team's first 1,000-yard season since 1995. Dunn finished the '98 season with 1,026 yards.

Nathan, a versatile, pass-catching running back for nine seasons in a Miami Dolphin uniform, has helped mold Alstott and Dunn in that same fashion. Alstott and Dunn have led the team in receptions in two of the last three seasons, respectively, and the two combined for 1,643 rushing yards, 640 receiving yards and 17 touchdowns in 1997.

Nathan, in his 12th season as an NFL assistant coach, helped the Bucs improve from 22nd in the league in rushing in 1996 to 11th in 1997 and fourth in 1998.

From 1988-95, Nathan was an assistant coach for the Dolphins. Initially hired by legendary Miami Head Coach Don Shula as a coaches' assistant, Nathan's responsibilities included breaking down game film and charting plays. In 1993, he was promoted to Miami's offensive backs coach.

In 1995, Bernie Parmalee, formerly an undrafted free agent, led the Dolphins in rushing with 878 yards and nine TDs while Terry Kirby finished in the AFC's top ten in

receptions. In 1993, Nathan's first season supervising the team's RBs, Kirby (75) and Keith Byars (61) combined for an NFL backfield-best 136 receptions which was also the highest total by two backs in Dolphin annals.

Nathan was a running back for Miami from 1979-87. He ranks fourth on the club's all-time list in rushing attempts (732), rushing yards (3,543) and receptions (383). He is also fifth in receiving yards (3,592), tied for ninth in scoring (198 points, 33 TDs), seventh in punt return yards (484) and ninth in kick return yards (1,133).

In 1981, Nathan was named the Dolphins' Most Valuable Player after leading the team in rushing with a career-high 782 yards and posting an NFL-best 5.3-yard rushing average.

Nathan played in Super Bowls XVII and XIX for the Dolphins when the team lost to the Washington Redskins and the San Francisco 49ers. Perhaps the single play

Nathan is most remembered for occurred in one of the NFL's greatest games, a 41-38 OT playoff loss to San Diego on January 2, 1982. Nathan scored on a 25-yard run following a lateral from WR Duriel Harris on the famous "hook and ladder" play.

As a collegian, Nathan starred at Alabama from 1975-78. In both his junior and senior seasons, the Crimson Tide posted an 11-1 record, winning a national championship in 1978. In his Alabama career, Nathan rushed for 1,997 yards on 310 carries with 29 touchdowns. He gained 770 yards in the national championship season and ran for 127 yards in the Tide's 14-7 Sugar Bowl win over Penn State that clinched the title.

Born December 14, 1956 in Birmingham, Alabama, Nathan was a four-sport letterman at that city's Woodlawn High School. Tony and his wife, Johnnie, have three daughters, Francheria (7/8/80), Natalie (8/9/83) and Nadia (5/27/87).

KEVIN O'DEA
Defensive Assistant
6th NFL Season, 4th with Buccaneers

Beginning his fourth season as a defensive assistant for the Buccaneers is Kevin O'Dea. The 39-year-old O'Dea is responsible for assisting the defensive coaching staff in all aspects of game preparation including the production of detailed scouting reports, sta-

tistical research, opponent's film breakdown, and the assembling of defensive game plans and playbooks.

O'Dea joined the Buccaneers after spending the 1994-95 seasons in a similar role with the San Diego Chargers under Head Coach Bobby Ross. In his first San Diego season, O'Dea worked with the linebackers, then was primarily involved with the defensive backs in 1995.

Prior to his stint in San Diego, O'Dea

spent three years (1991-93) working for Joe Paterno at Penn State. In 1991, he was a graduate assistant coach working with the wide receivers before being promoted to assistant strength coach and also working with the defensive line (1992) and the linebackers (1993).

O'Dea also had a similar three-year stint at the University of Virginia from 1988-90. He began as a graduate assistant (defensive backs) for two years under Head Coach George Welsh before moving on to become the assistant strength coach in his final season with the Cavaliers. In 1987, O'Dea was the defensive backs coach at Cornell University.

After a four-year term in the Coast Guard from 1979-83, O'Dea enrolled at Lock Haven University. He played defensive back and wide receiver for the Bald Eagles from 1983 until suffering a back injury during the 1985 season. He helped out coaching the receivers for the remainder of the '85 campaign, then served as the team's receivers coach in 1986 while still a student at the school.

O'Dea earned his bachelor's degree in fitness management from Lock Haven and also has a master's in sports medicine from Virginia. A native of Williamsport, Virginia, he is single and lives in Tampa.

MIKE SHULA

Offensive Coordinator

12th NFL Season, 7th with Buccaneers

Charged with the implementation and direction of the Buccaneers offensive attack is 34-year-old Mike Shula, who begins his fourth season with the Buccaneers as offensive coordinator and 12th year as an NFL assistant coach.

One of the game's brightest young teachers, Shula enters the 1999 season determined to improve every facet of Tampa Bay's offense, which finished second in the NFC last season in rushing offense with 2,148

yards. Armed with talented Pro Bowl backs Warrick Dunn and Mike Alstott, Shula will orchestrate an even stronger offensive unit this season, and will dedicate a significant amount of time to improving the club's downfield passing game.

After spending the last two seasons overseeing the development of Pro Bowlers QB Trent Dilfer, Dunn, Alstott, and C Tony Mayberry, Shula is looking for even better results this season as wide receiver Jacques Green returns for his second season, veteran wide receiver Bert Emanuel comes back from a severe ankle injury that sidelined him for much of the 1998 season, and third-year speedster Reidel Anthony, who led the Buccaneers last season with 51 catches for 708 yards and seven touchdowns, looks to

become the first Buccaneer wideout to reach 1,000 yards in 10 seasons.

Leading the Bucs' passing game will be Dilfer, who, under Shula's direction, set Tampa Bay records for touchdown passes (21) and consecutive passes thrown without an interception (152) in 1997, while finishing the year with the second highest single-season passer rating (82.8) in team annals. Dilfer tied his own TD pass record in 1998 and is the first Buc QB to start every game for four straight seasons.

The 34-year-old Shula joined the Bucs in 1996, marking the return to where he began his coaching career, after spending the 1993-95 seasons as tight ends coach of the Chicago Bears. During his stint in Chicago, he assisted Head Coach Dave Wannstedt and Offensive Coordinator Ron Turner with the planning and implementation of the Bears' game plans.

From 1991-92, Shula was a coaches' assistant for the Miami Dolphins. In that role, he worked not only with the coaching staff but also assisted the player personnel department in pro scouting.

He began his coaching career with the Buccaneers as the NFL's youngest assistant

(23), working on Head Coach Ray Perkins' staff from 1988-90. In his first two seasons, Shula was an offensive assistant before being promoted to quarterbacks coach for the 1990 campaign.

A quarterback as a player, Shula was a 12th-round draft choice of the Bucs in 1987, but was waived in the final cut. He was later re-signed and finished the season with Tampa Bay.

Shula was a three-year starter for Perkins at Alabama, completing 298 of 552 passes (54.0%) for 3,881 yards, 33 touchdowns and 30 interceptions. He was a two-time All-Southeastern Conference selection and led the Crimson Tide to victories in the Aloha and Sun bowls in his final two seasons. As a junior, he became only the second Alabama QB ever to throw for over 2,000 yards in a season (also Scott Hunter in 1969). Shula earned his bachelor's degree in labor relations from Alabama.

Born June 3, 1965 in Baltimore, Shula attended Columbus High School in Miami where he earned all-state honors and led his team to the state championship game as a senior. Recently married, he and his wife Shari reside in Clearwater.

Hard Rain

The Kansas City Chiefs make just their fourth visit to Tampa this season, 20 years after participating in one of the most important and surreal wins in Buccaneer history.

On December 16, 1979, the Bucs took the field at Tampa Stadium needing a win over Kansas City to secure their first NFC Central title and their initial foray into the NFL postseason. The weather wasn't cooperative, however, as the heavens opened, forcing the two teams to slish it out in a legendary downpour. Finally, with just 8:50 remaining in the game and literal waterfalls cascading down the stadium's aisles, Buccaneer kicker Neil O'Donoghue lined up for a 19-yard field goal. O'Donoghue's attempt was good, providing Tampa Bay with all the points they would need in a 3-0 victory. The Bucs' defense held the Chiefs to 80 total yards while Ricky Bell gained 137 yards on 39 carries.

LOVIE SMITH
Linebackers Coach
4th NFL Season, 4th with Buccaneers

Outstanding play from the Buccaneers linebacking corps has become Lovie Smith's signature since he joined Tony Dungy's staff in 1996 as linebackers coach. Smith has taken one of the most talented position groups on the team and made them better each year. A swarming group that relies on speed and instincts, Smith's linebackers continue to be one of the most dominating units in the National Football League.

Tampa Bay's linebackers, the backbone of the defensive unit, played well enough to help the defense finish second in the NFL in '98. Veteran MLB Hardy Nickerson earned his fourth career trip to the Pro Bowl following the season while rising star Derrick Brooks earned his second straight trip to the NFL's all-star game. Brooks started all 16 games and paced the defense with 189 tackles.

Before joining the Bucs, the 40-year-old Smith spent the 1995 season coaching defensive backs for John Cooper at Ohio State. The Buckeyes enjoyed a highly-successful season capped off by an appearance in the Citrus Bowl against Tennessee. Smith

spent the 1993-94 campaigns in a similar capacity at Tennessee under Head Coach Phillip Fulmer. In 1992, Smith coached the outside linebackers for Bill Curry at Kentucky.

From 1988-91, Smith oversaw the linebackers at Arizona State for Head Coach Larry Marmie who later served as Tennessee's defensive coordinator when Smith was at UT. Smith had joined the Sun Devils after spending 1987 as the linebackers coach at Wisconsin. His first college coaching position came at Tulsa (his alma mater). Smith coached linebackers for the Golden Hurricane from 1983-86 when Cooper was the head coach at TU. Smith's first jobs came at Big Sandy (Tex.) High School in 1980 and at Tulsa's Cascia Hall prep school in 1981.

As a player, Smith was a two-time All-America and three-time All-Missouri Valley Conference defensive back for Cooper at Tulsa. Smith enjoyed a spectacular prep career at Big Sandy High School in which he was named all-state on three occasions as his school captured three state championships.

A native of Big Sandy, Texas, Lovie and his wife, MaryAnne Ford Smith, have three sons, Mikal (11/16/76) Matthew (8/26/86) and Miles (9/27/89) and twin grandsons Malichi and Noah (11/13/95). The family resides in Tampa.

RICKY THOMAS

Tight Ends Coach

3rd NFL Season, 3rd with Buccaneers

During the 1999 offseason, Buccaneers head coach Tony Dungy shuffled his coaching staff and named Ricky Thomas the club's new tight ends coach. Thomas, who spent the previous two seasons as Tampa Bay's offensive assistant coach, begins the 1999 season charged with the continued development of the Buccaneers tight ends - an integral part of Offensive Coordinator Mike Shula's passing and running attacks.

During his first two seasons with the team, Thomas was responsible for game film analysis of upcoming opponents and the production of various offensive scouting reports.

Thomas, 34, who has coached for nine years on the high school and collegiate levels, came to the Buccaneers in 1997 after a short stint on the coaching staff of Gardner Webb University. He was named Gardner Webb's defensive backs coach on January 20, 1997 after spending one season as a graduate assistant coach at the University of Kentucky.

Prior to joining Kentucky's staff, Thomas spent five years (1992-96) on the faculty at the McCallie School in Chattanooga, TN teaching human development and coaching the football, wrestling and track and field teams. During this time, he also completed his master's degree in secondary education at the University of Tennessee-Chattanooga. Thomas arrived at McCallie after serving three years as the academic advisor for the football and men's basketball teams at the University of Alabama.

As a player, Thomas was a four-year starter at strong safety for the University of Alabama, where he earned a bachelor's degree in health and physical education. Though not drafted, he joined the Seahawks' training camp in 1987 and made the team as a free agent rookie, appearing in one game. Thomas also went to training camp with the Indianapolis Colts in 1988.

Long associated with the Fellowship of Christian Athletes, Thomas served as that organization's co-president in 1985-86. A native of Niceville, Florida, Thomas and his wife, Kimberly, have two children, daughter Kaitlyn (3/24/93) and son Ricky, Jr. (12/25/96). The family lives in Tampa.

CHARLIE WILLIAMS

Wide Receivers Coach

4th NFL Season, 4th with Buccaneers

Energy, enthusiasm, and a strong work ethic that filters down to his players are the intangibles that fourth-year Buccaneers wide receivers coach Charlie Williams brings to the table. Having assembled what might be the club's strongest corps of pass receivers in years, Williams' group, anchored by third-year veteran Reidel Anthony, enters the 1999 season determined to do its part to return the Buccaneers to NFL postseason action.

Anthony was the club's top receiver last season with 708 yards and a team-best seven receiving touchdowns on 51 catches. A college quarterback who was converted to wide receiver upon reaching the NFL, WR Bert Emanuel is still considered an improving player despite a five-year career average of 65 receptions and 900 receiving yards. Anthony, Green, and Karl Williams are also expected to further progress under Charlie Williams.

Prior to coming to Tampa, Williams spent three years in a similar capacity at the University of Miami. With the 'Canes, he was instrumental in the development of their

outstanding group of young receivers. In 1995, Williams was retained by new UM Head Coach Butch Davis after spending his first two Miami seasons working for Dennis Erickson.

Williams spent one year (1992) coaching the receivers at the University of Minnesota for Head Coach Jim Wacker. He had followed Wacker to UM from Texas Christian where he had spent the 1988-91 seasons coaching the Horned Frogs' wideouts. In 1989, *The Sporting News* recognized TCU's group of receivers as the best in the nation. From 1986-87, Williams tutored the running backs at New Mexico State after serving as the defensive backs coach at Long Beach City College from 1984-85. Williams' first two coaching jobs were on the high school level, at Long Beach Poly in 1983 and at Fairview H.S. in Boulder, Colorado in 1982. He was a graduate assistant at Colorado State in 1981.

As a collegian, Williams played defensive back at Long Beach City College from 1977-78 before transferring to Colorado State where he played from 1979-80. He earned his bachelor's degree in education from CSU.

A native of Long Beach, California, Charlie and his wife, Shellie, reside in Tampa with daughter Sydney (12/11/90) and son Gregory (3/16/94).

worked as the linebackers coach for the USFL's Los Angeles Express, ultimately being promoted to defensive coordinator.

Ackerley spent one year (1983) as the defensive line coach at Iowa State after spending the 1980-82 campaigns coaching outside linebackers at Kansas. He was a graduate assistant at Colorado State from 1970-72 until being promoted to coach CSU's defensive line from 1973-79.

the Buccaneers, the 27-year old Hickey spent 1994-95 as an assistant coach at Blinn Junior College in Brenham, Texas. At Blinn, he coached the defensive backs and was responsible for recruiting in the state of Texas.

Pro: Intense competitor and emerging top-notch pass-rusher who suffered first career setback in 1998 with shoulder injury... Despite missing most of '98, was designated as Tampa Bay's 'franchise player' for free agency purposes in February, 1999... One of only five players in team history to record a 10-sack season, ranks eighth on the Bucs' all-time sack list with 21... Has played in 81 games and started 73 since being drafted by Tampa Bay in the sixth round in 1993... Before abbreviated '98 season, had started at least 10 games in each of his first five NFL campaigns... Career stats also include 259 tackles, 12 passes defended, three fumble recoveries and one forced fumble.

1998: Played in and started four games at LDE, recording 22 tackles (14, 8)... Had season cut short by shoulder injury that required surgery on 10/13, leading to his placement on injured reserve on 10/27... After posting one tackle in opener at Minnesota (9/6), came back with seven stops, including one for a loss on QB Brett Favre, at Green Bay (9/13)... Also notched seven stops at Detroit (9/28), the last of which came on a diving tackle from behind of RB Barry Sanders that unfortunately caused season-ending shoulder injury... Was inactive for next three games before moving to injured reserve.

1997: Played in all 16 regular season games (15 starts) for the fourth time in first five years... Registered personal highs in tackles with 65 and sacks with 10, nearly doubling previous career sack total of 11... Posted three multi-sack performances, including a four-game stretch in which he recorded six takedowns, while helping defensive unit to franchise-best 44-sack performance... Tallied season-high seven tackles and third multi-sack game of career against Arizona (9/28) with a pair of fourth-quarter bringdowns... The ensuing week at Green Bay (10/5), followed up with four tackles, a fumble recovery and second consecutive multi-sack performance, bringing Packers QB Brett Favre down for losses of six and eight yards... Went on to record a sack in games against Detroit (10/12), Minnesota (10/26) and Atlanta (11/9)... In week 13 contest at New York Giants (11/30), posted third multi-sack performance of season, to become the first player since Santana Dotson (1992) and only the fifth player in team history to record 10 sacks in a season... After missing first start of the year in season finale against Chicago (12/21) due to a bout with the flu, came back to start both post-season games, recording three tackles and a sack against Detroit (12/28) and adding another three stops at Green Bay (1/4).

1996: Made recovery from pre-season hand injury to start at LDE in final 13 games... Enjoyed productive season, ranking second among defensive linemen with 47 tackles (37, 10)... Finished the 1996 season with 5.5 sacks (third-best on the team), doubling four-year total to 11... Had most productive game of season vs. Minnesota (10/13) with three solo tackles, a sack, a pass defended and a fumble recovery that sealed the Bucs' 24-13 victory... In win over New Orleans (11/24), came up with two sacks of Saints QB Jim Everett... Had solid game at Minnesota (12/15), with career-best eight tackles plus a sack.

1995: Had strong season as Bucs' most consistent D-line performer... For third time in three-year league tenure, played in all 16 games... Had 15 starts, all at LDE (only start missed was vs. Falcons, 10/22)... Led all defensive linemen and was eighth on team overall in tackles with 48 (36, 12)... Also was second on the club in both sacks with three and tackles for loss with nine... Six passes

defensed tied for third on team, unusual for a defensive lineman... That total marked most pass batdowns by a Buccaneer lineman in 14 years (David Logan's 13 in 1981)... Produced first sack of season but had streak of 23 consecutive starts snapped as Bucs altered defense to combat Falcons' run-and-shoot (10/22)... Came up with season-best six tackles at Houston (10/29)... Vs. Jaguars (11/19), notched first multi-sack game of career (2)... In final five games, only missed two defensive snaps.

1994: Was one of only seven Bucs (only defensive lineman) to start all 16 games... 14 of 16 starts came at LDE with other two at RDT... Finished ninth on team with 46 tackles (31, 15) plus a sack and five tackles for loss... In season finale vs. Green Bay (12/24), chipped in with six tackles plus a sack.

1993: As rookie, had impressive training camp to cement roster spot... Appeared in all 16 games with 10 starts... Starts included four at NT, three at DE and three at DT... Ended season with 31 tackles (15, 16), 1.5 sacks, a forced fumble and four passes defensed... Started the season's first six games (three at end, three at tackle), then also started games 9-12 at NT in place of injured Mark Wheeler... Top game of campaign came with five tackles, a sack and a forced fumble at Minnesota (10/10)... Drafted by Bucs in sixth round (145th overall) in 1993.

College: Had four-year career at California after initial Berkeley arrival as 215-pound walk-on... Statistics included 111 tackles and 8.5 sacks... As a **senior**, started all 11 games and contributed career-high 56 tackles, five sacks and pair of fumble recoveries... Earned All-PAC 10 honors and was

selected to play in the Japan Bowl... In 11 starts as a **junior**, totaled 28 tackles and 3.5 sacks... Was named Honorable Mention All-PAC 10... Slowed during **sophomore** season after pre-season bout with mononucleosis... Returned to see action in all 12 games as reserve lineman and was credited with nine total tackles and a fumble recovery... Got considerable playing time as a **freshman**, appearing in all 11 games with three starts... Racked up 18 tackles and a fumble recovery while being named team's Most Improved Lineman... Was redshirted as 1988 incoming **freshman**... Majored in human biodynamics.

Among five catches for 65 yards against Minnesota (11/1), made several plays of large impact in win over previously undefeated Vikings: a 41-yard return of the game's opening kickoff that set up the Bucs' first TD, a 12-yard touchdown reception on Tampa Bay's next possession and a 17-yard grab that opened the Buc's game-winning 43-yard TD drive in the fourth quarter... Turned just two receptions into 126 yards and two TDs at Jacksonville (11/15), recording the two longest receptions of his career, 47 and 79-yards... three tackles... In same role against Chicago (9/20), came up with five tackles plus another stop on special teams... Came in at nickel back against Giants (10/4) and helped seal victory with a fourth-quarter interception, the first of his career, which he returned 11 yards to New York's 30... Also started at LCB against Minnesota (11/1) and helped seal Bucs' upset win with a pass defended and a fourth-quarter sack of Randall Cunningham on third-and-six... After third consecutive LCB start vs. Tennessee (11/8), went back to nickel back role at Jacksonville (11/15) but still made large impact with four tackles, two passes defended and a sack of QB Mark Brunell... Moved over to starting RCB spot vs. Detroit (11/22) after injury to Anthony Parker and immediately posted eight tackles plus two more passes defended... Started at RCB at Chicago (11/29) and, in addition to four tackles and a pass defended, scored the Bucs' second touchdown of the day when he picked up a deflected Chicago punt and weaved 23 yards through traffic to the end zone... In Monday Night Football win over Green Bay (12/7), led the Buc secondary with nine unassisted tackles and also recorded one sack and two forced fumbles, the second of which led to Tampa Bay's final touchdown in the fourth quarter... Now permanently in starting RCB slot, tallied five tackles and three passes defended at Washington (12/19), including a diving bat-down on the goal line that prevented a Redskin touchdown... Finished season with seven-tackle, one-interception outing at Cincinnati (12/27), returning his pick 56 yards for the Bucs' longest INT runback of the year and tied for the 11th-longest in team annals.

1997: Saw action in only game of season against Arizona (9/28) during week five contest, contributing three tackles while participating primarily on passing downs... Stayed on the active roster the remainder of the season but was declared an inactive for each contest until the second playoff game at Green Bay (1/4), in which he registered two tackles and a pass defended as the team's nickel back... Drafted by the Buccaneers in the third round (66th overall) in 1997.

In following week's contest vs. Detroit (10/12), tallied team-leading 12 tackles along with a pass defended and a forced fumble that ended a potential Lions scoring threat at the Buccaneers' two-yard line... Hauled in first interception of season against New England (11/16), adding three tackles and a pair of passes defended... Two weeks later at New

York Giants (11/30), had most complete outing of season, pacing team with 11 tackles, breaking up two pass attempts and snaring second interception of season on a diving effort at the Tampa Bay 10-yard line... FIRST-ROUND FORTUNE

On April 22, 1995, Tampa Bay Buccaneers General Manager Rich McKay used a variety of draft-day maneuvering to position his team for two first-round selections. Those picks were used on DT Warren Sapp at number 12 overall and LB Derrick Brooks at number 28 overall. While that day's work seemed encouraging at the time, it would, by the end of the decade, rank as one of the most successful draft efforts in team history.

Through the 1998 season, that draft tandem of Sapp and Brooks was the only first-round pair in the NFL in the 1990s to each make the Pro Bowl. In fact, Sapp and Brooks' total of four Pro Bowl appearances in just eight combined seasons already ranks as the 14th-best mark among first-round tandems in league history. That list, headed up by the 1962 Los Angeles Rams pair of DT Merlin Olsen (14 Pro Bowls) and QB Roman Gabriel (three) includes such famous NFL pairs as:

Chicago Bears, 1965

LB Dick Butkus/RB Gale Sayers (13 Pro Bowls)

Cleveland Browns, 1978

TE Ozzie Newsome/LB Clay Matthews (7 Pro Bowls)

L.A. Rams, 1971

LB I. Robertson/DE J. Youngblood (13 Pro Bowls)

Kansas City Chiefs, 1963

DT Buck Buchanan/G Ed Budde (15 Pro Bowls)

College: Florida

Pro: One of the league's top interior pass-rushers and a key factor in the team's number-two defensive ranking in 1998... Career total of 27 sacks includes 8.5 in 1997 and a team-high 9.0 in 1998, making him one of just three defensive tackles in the NFL who have had at least eight sacks in each of the past two seasons (also John Randle and Maa Tanuvasa)... The most experienced Buccaneer defensive lineman, with 103 games played and 66 starts, has additional career totals of 306 tackles, six forced fumbles, three fumble recoveries and one special teams tackle... A two-time single-season Buc sack leader, already ranks fourth on the team's career list in that category... Owns a share of Tampa Bay's single-game sack record, with two of the 10 three-sack games in team annals, and is the only Buc ever to have two such outings in a single season... Joined the Buccaneers as a pre-season waiver claim in 1994 but has been a starter for most of the five seasons that followed, opening 64 of 77 games he's played in since.

1998: Led Tampa Bay in sacks with nine and joined Minnesota's John Randle and Denver's Maa Tanuvasa as the only defensive tackles in the NFL to have at least eight sacks in both 1997 and 1998... Started all 16 games at nose tackle... Produced career highs in both tackles (81) and sacks (nine), even though his totals were almost an exact

duplication of his 1997 efforts (80 tackles and 8.5 sacks)... Recorded the highest tackle total by a Buccaneer defensive lineman since 1984, when David Logan had 106 and Lee Roy Selmon had 100... Joined Selmon as the only two players in franchise history to have two different seasons of at least 80 tackles and eight sacks (Selmon had four)... Registered six tackles and corralled Brett Favre for a sack on third-and-13 at Green Bay (9/13)... Contributed five tackles (four solos) and a sack at Detroit (9/28)... Had similar five-tackle, one-sack outing in win over Carolina (10/18)... Along with six tackles vs. Minnesota (11/1), contributed key defensive play in Bucs' win over previously undefeated Vikings, sacking QB Randall Cunningham for an 11-yard loss late in the fourth quarter to end last scoring threat... Racked up a career-high 11 tackles at Jacksonville (11/15) and moved into the team lead with his fifth sack of the season... Recovered a fumble by QB Moses Moreno at Chicago (11/29), leading to Tampa Bay's first touchdown... Contributed to Bucs' eight-sack, eight-forced fumble explosion on Monday night against Green Bay (12/7), sacking QB Brett Favre twice among six tackles and forcing one fumble... Second sack of Favre came on game's last play, preserving 24-22 win... Posted three tackles and a sack at Washington (12/19)... Finished late-season surge in finale at Cincinnati (12/27), posting fourth sack in final four games and adding two tackles.

1997: Started all 16 games and both playoff contests... Recorded personal highs in tackles (80) and sacks (8.5) - which he surpassed in 1998 - and became first player in franchise history to tally two three-sack performances in the same season... Turned in five or more tackles in 10 regular-season games as well as both playoff contests... Key starter on defensive line unit that finished season with 44 sacks during the regular-season, a new team record... Worst to First

Twenty years ago, the Bucs entered the 1979 season with a less-than-threatening, three-year record of 7-37. But Tampa Bay raced out of the gates 5-0, eventually winning its first NFC Central title with a 10-6 mark. After beating Philadelphia in a divisional playoff contest, the Bucs hosted the NFC Championship Game, but fell 9-0 to the Los Angeles Rams. Nevertheless, the "Worst to First" Bucs orchestrated what, at the time, was the quickest rise from expansion team to a conference title tilt in league history.

NFL Statistics

GAMES/STARTS: 1996: 12/7, 1997: 16/16 (P: 2/2), 1998: 15/15
3-YEAR TOTALS: 43/38 (P: 2/2)

What to Look for in 1999...

...FB Mike Alstott could move as high as second on the team's all-time touchdown list with the second 10-TD season of his career. Alstott has 25 career touchdowns, good for a fifth-place tie with Errict Rhett on the team's career list. Next up for Alstott, who in 1997 became just the third player in team history to record a double-digit touchdown total (10), are Mark Carrier (27), Kevin House (31) and Jimmie Giles (34). James Wilder is the team recordholder with 46 career touchdowns.

...QB Trent Dilfer needs 19 touchdown passes to set a new Buccaneer record in that category. After he tossed a team-record 21 TD passes in each of the past two seasons, Dilfer's total stands at 59, 14 shy of Doug Williams (73) and 18 behind standard-bearer Vinny Testaverde (77).

...Tampa Bay finished the 1997 season ranked third in the NFL in overall defense, then improved to second in 1998. In 1999, the Buccaneers will attempt to capture the league's top defensive ranking for just the second time in team history and the first since 1979. The Buccaneers have never finished in the top 10 in overall defense for three consecutive seasons.

...With a virtual repeat of his 1,026-yard 1998 season, RB Warrick Dunn could move as high as second on the Bucs' all-time rushing chart. Dunn has racked up 2,004 yards in his two NFL seasons, the fifth-best total in team history. With 1,058 yards in 1999, Dunn would vault over Errict Rhett (2,853), Ricky Bell (3,057) and Reggie Cobb (3,061) and would trail only James Wilder (5,957) on the team's career rushing list.

Climbing the Charts

Each of Tampa Bay's anticipated four starters on the defensive line in 1998 - defensive tackles Brad Culpepper and Warren Sapp and defensive ends Chidi Ahanotu and DE Regan Upshaw - already rank among the club's top 10 all-time sack leaders. Sapp - elected to his second consecutive Pro Bowl last season - has 29 1/2 sacks over four NFL campaigns, good enough to rank third on the team's all-time list. Culpepper, who led the Bucs with nine sacks in 1998, is fourth with 27 sacks. Ahanotu ranks eighth on the list with 21 sacks, while Upshaw boasts 18 1/2 career sacks, which ties him for 10th in Tampa Bay annals.

The foursome racked up 37 sacks in 1998 after recording up a team-record 44 in 1997, a total of 81 takedowns that helped the Bucs rate second in the NFL in total defense last year and third the prior season. Not surprisingly, that represents the greatest two-year sack haul in Tampa Bay annals; the previous top sack total in a two-year span for the Buccaneers was 75 in 1991-92.

Free Agent Frenzy

In addition to its well-publicized success on draft day, the Tampa Bay Buccaneers' player personnel department has been adroit in the days immediately following each selection weekend. That period, which begins as soon as the last player is drafted, is another phase of player acquisition, when undrafted college players with potential are free to sign with any team. Since 1993, the Buccaneers have consistently uncovered diamonds in the rough. The players on this and the next seven pages hope to follow in the paths of such former college free agents as:

1993	Curtis Buckley	Special teams ace; six seasons with Buccaneers, 49ers, Giants
	Michael Husted	All-time leading scorer in Buccaneer history; currently with Raiders
	Shawn Price	Played 1996-98 seasons with Buffalo; successful stints with Bucs and Panthers
1994	Jerry Ellison	Rushed for 358 yards in four Buc seasons; also excelled on special teams
1995	Tony Bouie	Played in 57 consecutive games for Bucs (1995-98) with 39 special teams tackles
1996	Jorge Diaz	Has started 34 games at left and right guard and is current starter at LG
	Jeff Gooch	Current starter at strongside linebacker; had 72 tackles in 16 starts in 1998
	Karl Williams	76 receptions for 984 yards, five TDs in three Buc seasons; also owns two PR touchdowns
1997	Floyd Young	Stepped into nickel back role as a rookie, posted 16 tackles, six passes defended
1998	Rabih Abdullah	After leading team in rushing in pre-season, made squad as Warrick Dunn's backup

1998 GAME-BY-GAME RECAPS

GAME ONE SUNDAY, SEPTEMBER 6 MINNESOTA 31, TAMPA BAY 7 HUBERT H. HUMPHREY METRODOME

The Buccaneers, looking for the type of rousing season opener that propelled them to a 5-0 start in 1997, instead found themselves on the losing end of a coming-out party for the explosive Minnesota Vikings. Minnesota streaked to a 21-0 halftime lead with a potent passing game en route to an eventual 31-7 victory. The Vikings scored the first touchdown of the season on their second drive, although the bulk of the yardage was achieved via a 40-yard pass interference penalty on safety Charles Mincy. Positioned at the Bucs' two-yard line, the Vikings took two unsuccessful cracks at the end zone before QB Brad Johnson found WR Cris Carter with a scoring pass on third down. Tampa Bay appeared ready to answer on the ensuing march as passes of 12 yards to WR Bert Emanuel and 13 yards to RB Warrick Dunn from QB Trent Dilfer helped move Tampa Bay well into Viking territory. However, FB Mike Alstott fumbled after a four-yard reception, giving the ball back to Minnesota at its 33. The Vikings then struck quickly as Johnson lofted a 48-yard bomb to rookie WR Randy Moss, who reeled it in in the end zone after CB Floyd Young's tip caused Moss to bobble it twice. Tampa Bay's next drive also seemed promising, as four Dilfer-Emanuel hookups netted 45 yards and moved the team down to the Viking 21. After losing two yards on third-and-one, however, the Buccaneers went for a 41-yard

field goal and K Michael Husted pushed it right. Once again, Minnesota capitalized swiftly on Tampa Bay's misfortune, as Johnson directed a 69-yard drive that again ended with Moss in the end zone. After converting two third downs on short passes to Carter and Moss, Johnson fired a laser for 31 yards to Moss for the rookie's second touchdown of the day. Tampa Bay subsequently marched deep into Viking territory again, but came up empty shortly before halftime when a fourth-and-three pass eluded Emanuel's grasp. The Bucs did finally reach the end zone in the third quarter on a 55-yard drive that concluded on a three-yard TD pass to FB Lorenzo Neal. The drive was set up by a Mincy interception and fueled by TE Dave Moore's 16-yard catch. Minnesota took control of the game again in the final period, beginning with a 43-yard field goal by K Gary Anderson three plays into the quarter. That score was set up by FB Leroy Hoard, who turned in successive running plays of nine and three yards then followed with a 17-yard catch. Back-up QB Steve Walsh took over the reins for Tampa Bay in the fourth quarter after Dilfer suffered a severe thigh bruise. Walsh completed six of 12 passes but also threw an interception to CB Jimmy Hitchcock that led to Minnesota's final score, an 18-yard TD catch by Carter.

GAME TWO

SUNDAY, SEPTEMBER 13

GREEN BAY 23, TAMPA BAY 15

LAMBEAU FIELD

The Buccaneers followed a familiar script in Green Bay, as a strong defensive effort in Lambeau Field was again not enough to overcome a struggling offense and a few disastrous turnovers. Green Bay earned a 23-15 win despite a spirited comeback by a Tampa Bay team that played hard until the final whistle. Green Bay struck first on its opening possession, though it was more special teams work than offensive prowess that led to K Ryan Longwell's 38-yard field goal. WR Roell Preston returned the opening kickoff 48 yards to the Buccaneers' 45-yard line. Green Bay then took 11 plays to advance just 25 yards before Longwell's boot. Despite an illegal contact penalty on an unsuccessful third down pass that gave the Packers another try, Tampa Bay made the defensive stop thanks to back-to-back sacks by DTs Warren Sapp and Brad Culpepper. After exchanging punts, Tampa Bay took over on its own 27 but held the ball for only a few seconds. On first down, QB Trent Dilfer had the ball swatted from his hand by DT Santana Dotson and Packer DE Vonnie Holliday recovered. Two plays later, Green Bay QB Brett Favre capitalized with a 10-yard scoring pass to TE Tyrone Davis, completing a 14-yard drive. Tampa Bay then marched into Green Bay territory on its next possession on the strength of three straight Dilfer completions to WR Karl Williams for a total of 40 yards. However, a sickening déjà vu struck at the Packer 21-yard line when, on third down, Dilfer was sacked and

forced to fumble by DE Reggie White, leading to another Buc turnover. Neither team scored again until the second period. After being pinned at their own goal line by a 59-yard punt, Tampa Bay's resulting punt was returned to the Buc 35, setting up a 25-yard field goal drive. Green Bay's only long march of the half came five minutes later on a 78-yard field goal drive. Though the clock seemed to run out on a second-down pass to the Bucs' two, a delay of game penalty on Tampa Bay allowed for a successful 20-yard kick by Longwell. Neither team scored in the third period, though a muffed punt gave Tampa Bay possession at the Packers' 17. With Dilfer in the locker room receiving treatment for cramps, backup QB Steve Walsh lofted a pass into the end zone that was intercepted. Green Bay scored quickly in the fourth period when Favre's 38-yard pass to WR Antonio Freeman over the middle found paydirt. Tampa Bay then made its first contribution to the scoreboard four minutes later when rookie WR Jacquez Green returned a Packer punt 95 yards for a touchdown, marking the longest punt or kickoff return in team history. Still trying to forge a comeback, the Bucs took their next drive 84 yards on 10 plays, keyed by Dilfer's 22-yard strike to Williams and 25-yard pass to WR Reidel Anthony. The drive culminated in a two-yard scoring pass to TE Dave Moore. However, the onside kick attempt that followed was recovered by Green Bay.

GAME THREE
SUNDAY, SEPTEMBER 20
TAMPA BAY 27, CHICAGO 15
RAYMOND JAMES STADIUM

The Buccaneers slumbered through the first half of Raymond James Stadium's inaugural game, but awoke with a fury in the second half to post a 27-15 come-from-behind victory. Tampa Bay's offense set off the cannons in Buccaneer Cove's pirate ship with four consecutive touchdown drives in the second half as the Bucs scored 27 unanswered points. Neither team managed a first down on its first possession, but Chicago P Todd Sauerbrun's 61-yard punt helped the Bears open their second drive at their own 46-yard line. From there, three runs for 24 yards by rookie RB Curtis Enis keyed a 46-yard drive followed by a 26-yard field goal. Chicago also netted the first touchdown in Raymond James Stadium two minutes later when RB/KR Glyn Milburn returned Tommy Barnhardt's punt 93 yards for the score. The Bucs then dodged three straight bullets in the second quarter. Chicago earned a first down at the Bucs' five on its next drive, but four runs by Enis couldn't reach paydirt as S Damien Robinson tripped up the rookie in the backfield on fourth down. The Bucs began to move the ball on the ensuing possession, but lost it at the 38 on a Mike Alstott fumble. Chicago failed to capitalize when Jeff Jaeger's 29-yard FG try hit the left upright. TE Dave Moore fumbled on the very next play, but Chicago once again came up empty when LB Jeff Gooch forced a fumble by TE Ryan Wetnight at the Bucs' six.

Chicago did manage to increase its lead to 15-0 by halftime thanks to a safety and a 52-yard field goal by Jaeger. The second half, however, was all Tampa Bay, as the Bucs scored touchdowns on four consecutive drives. In desperate need of a spark, the Buccaneers took the opening possession of the third quarter 81 yards for a touchdown. The methodical 14-play drive included no plays over 14 yards (a run by RB Warrick Dunn), including its finale, a 13-yard TD pass from Dilfer to WR Reidel Anthony. Tampa Bay's defense then forced a quick three-and-out. The Bucs' next drive covered 62 yards in just four plays. After WR Brice Hunter gained 13 yards on third-and-five on his first career reception, TE Dave Moore turned in the play of the game with a one-handed catch of an overthrown pass. All alone on the left sideline, Moore then raced the final 25 yards and dove into the end zone for the score. Another Bear three-and-out was followed by an even swifter Buc drive. WR Reidel Anthony, escorted by QB Trent Dilfer, gained 32 yards on a reverse and RB Warrick Dunn finished the march with a dazzling 43-yard touchdown run up the middle. LB Hardy Nickerson forced a fumble by WR Curtis Conway on the Bears' next possession, setting up Tampa Bay's final score. Running on eight of nine plays, the Bucs drove 55 yards, concluding in FB Mike Alstott's third-effort two-yard touchdown run.

GAME FOUR

MONDAY, SEPTEMBER 28

DETROIT 27, TAMPA BAY 6

PONTIAC SILVERDOME

Tampa Bay's hopes of reversing its early-season road fortunes endured a slow first half in Detroit, then died abruptly after the intermission. Tampa Bay followed its 1998 trend of falling behind in the first half but, unlike the week before against Chicago, was not able to storm back in the final 30 minutes, falling 27-6 in the Pontiac Silverdome. The game was painful for the Buccaneers in a variety of ways, including the post-game injury report. Most sobering was the injury incurred by WR Brice Hunter on a helmet-to-helmet collision with Lion S Mark Carrier in the second quarter. Hunter was unconscious on the field for four minutes, but the anxious moments eventually gave way to reports that the first-year wideout escaped serious injury. DE Chidi Ahanotu was less lucky in the long run, as his diving tackle of RB Barry Sanders led to a shoulder injury that eventually ended Ahanotu's season. As a team, the Buccaneers escaped serious damage in the first half, trailing just 6-3 despite being exactly doubled in total yardage, 170-85. After a scoreless first quarter, the Lions struck first in the second period with a 58-yard field goal drive keyed by rookie QB Charlie Batch's 21-yard pass to WR Johnnie Morton. Detroit doubled its score on its next possession with a 76-yard field goal drive that ended in K Jason Hanson's 25-yarder. Sanders had the big play of that drive, bursting around right end for a 26-yard gain. Tampa Bay answered with a two-minute drill that garnered a field goal, K Michael

Husted's 43-yarder. The Bucs' march began with the play that injured Hunter, a nine-yard reception, and included a 16-yard grab by WR Reidel Anthony and 13-yard catches by RB Warrick Dunn and WR Robb Thomas. Tampa Bay got the ball first to open the third quarter, but that turned against the team when Detroit CB Bryant Westbrook intercepted Trent Dilfer's pass and returned it 34 yards for a touchdown. The Lion defense then forced a three-and-out, giving the ball back to the offense and Sanders, who immediately ripped off a 44-yard run to the Bucs' two. Though it took four plays to travel two yards, Batch upped the lead to 20-3 with his fourth-down sneak. In the fourth quarter, Tampa Bay recorded its only takeaway of the game and turned it into three points. S Tony Bouie recovered CB Terry Fair's fumble on a punt return at the Lions' 26. Though the offense was unable to move the ball from there, K Michael Husted did connect on a 47-yard field goal to pull the Bucs within two scores. Fair made up for his one mistake quickly and emphatically. On the kickoff that followed Husted's field goal, Fair weaved through traffic on the right sideline to go 105 yards for a touchdown return, running the score to 27-6. On the Bucs' next drive, Dilfer was driven into the turf after throwing a third-down incompletion, straining his right shoulder. Steve Walsh came on for the Bucs' final drive, but an interception halted Tampa Bay's last crack at the scoreboard.

GAME FIVE
SUNDAY, OCTOBER 4
TAMPA BAY 20, NEW YORK GIANTS 3
RAYMOND JAMES STADIUM

In one of the most dominating defensive efforts in team history, the Bucs turned back the New York Giants by a score of 20-3, nearly duplicating their 20-8 decision over the Giants in November of 1997. The Bucs allowed just 135 total yards of offense, the third-lowest mark in team history, and added three interceptions to control the clock and the outcome. Tampa Bay lit up the scoreboard earlier than it had in its first four games when S Charles Mincy picked off Giants QB Danny Kanell's second pass of the game and returned it 22 yards for a score. Mincy hauled in a ball thrown behind intended receiver Amani Toomer in the middle of the field and outraced the Giants offense to the left corner of the end zone, giving the Bucs their first defensive touchdown since 1995. Neither team gained a first down on its next possession, but another Tampa Bay takeaway led to the second score of the game. On their deepest incursion into Buccaneer territory in the first half, New York reached the Tampa Bay 21, but Buccaneer DE Regan Upshaw made an acrobatic interception on a first-down throw and rumbled up the sideline for 26 yards. Beginning at the Giants' 43, Tampa Bay was able to march 40 yards on 11 plays to set up Michael Husted's 35-yard field goal. The next Giants drive moved just past midfield thanks to a pair of penalties against the Bucs, but DE Tyoka Jackson, who started at LDE in place of the injured Chidi Ahanotu, ended that threat with a 12-yard sack

of Kanell on third-and-five. Five minutes later, New York recorded its first takeaway of the game when a Trent Dilfer pass that was batted into the air at the line was hauled in by a diving Marcus Buckley. Despite favorable field position at the Bucs' 40, however, the Giants gained two yards on three plays and had to punt. Tampa Bay took its 10-0 lead into halftime and had the ball to begin the third quarter. A promising 10-play drive that started at the Bucs' own 10-yard line was stopped when S Tito Wooten dropped Dilfer for a sack on a safety blitz. The Bucs' next drive also ended near midfield when a fourth-and-one dive by FB Mike Alstott came up inches short, but the Giants again could not capitalize on the good field position. New York finally got on the board in the fourth period after a sack by CB Carlton Gray forced a Dilfer fumble that the Giants recovered on the Bucs' 10. New York was not able to get the ball into the end zone from there, but did settle for a 22-yard field goal. Tampa Bay answered right back on its ensuing possession by marching 61 yards on 13 plays to set up Husted's second field goal, a 26-yarder. CB Ronde Barber and Alstott did the rest. On the Giants' second play on the next drive, Barber picked off a tipped Danny Kanell pass and returned it 11 yards to the Giants' 30. Five straight Alstott runs took the Bucs to paydirt from there, including a 28-yard scamper around right end and a one-yard scoring leap on second down.

GAME SIX
SUNDAY, OCTOBER 18
TAMPA BAY 16, CAROLINA 13
RAYMOND JAMES STADIUM

Tampa Bay kept its all-time record in Raymond James Stadium spotless with a 16-13 win over Carolina, but needed a rousing comeback for the second time in its three games at the new venue. After the Panthers scored 10 third-quarter points to take a 13-3 lead into the final period, Buccaneer QB Trent Dilfer rallied his squad to two touchdowns in the last five minutes. Neither team scored in the opening quarter, though the Bucs gained 97 yards and five first downs in the period. The Bucs' first two drives stalled near the 50-yard line but their third possession seemed to promise an early lead when it reached the Panthers' four on a 17-yard scramble by Dilfer. A 26-yard ramble by Mike Alstott on a screen pass set up that field position, but it went for naught when the Bucs lost the ball on a fumbled snap. The Panthers then embarked on a 10-play, 55-yard drive that allowed Carolina K John Kasay to put the Panthers on the board first with a 53-yard field goal. The Bucs answered back immediately with an 11-play, 70-yard field goal drive culminating in K Michael Husted's 33-yard shot. The key play in the drive was its first, a 25-yard cutback run by RB Warrick Dunn. Dilfer also preserved the drive with two long third-down completions to WR Reidel Anthony. That 3-3 score held until halftime, but the Panthers took temporary control of the game in the third quarter. On the second half's opening drive, Carolina marched 71 yards on 12 plays and earned a first down at the Bucs' two-yard line. An intense Buc

goal-line stand limited the Panthers to a 20-yard field goal, however. The Panthers stretched their lead to 10 points a few minutes later thanks to an interception by CB Doug Evans. Positioned at the Bucs' 41 after Evans' 18-yard return, the Panthers got to the one-yard line on a 27-yard catch by TE Wesley Walls and cracked the end zone on second down on a one-yard Fred Lane run. A punt on its next possession left Tampa Bay in a 13-3 hole entering the final period. The Buccaneer offense then got the team back into the game with a crucial 80-yard, seven-and-a-half minute touchdown drive. Dunn ran eight times for 43 yards on the march, including a critical 12-yard run on third-and-five, and Dilfer completed three of four passes for 27 yards. The final play was a combination of those efforts, as Dilfer ran the ball in himself on a bootleg around left end. After the Buccaneer defense stopped the Panthers at their own 23, nearly coming up with a turnover on Derrick Brooks' forced fumble, the offense took over again at its own 43-yard line. On third-and-16, CB Rod Smith was called for pass interference against WR Bert Emanuel and on the next play Dilfer fired a 29-yard strike to WR Karl Williams, who acrobatically got both feet down at the back of the end zone. After Husted misfired on the PAT to keep the score at 16-13, the Panthers drove 54 yards in 89 seconds but Kasay's 47-yard field goal try sailed just wide left.

GAME SEVEN
SUNDAY, OCTOBER 25
NEW ORLEANS 9, TAMPA BAY 3
NEW ORLEANS SUPERDOME

The Buccaneers saw one of their best defensive efforts of the season go to waste in New Orleans as the Saints used three Doug Brien field goals to squeeze out a tight 9-3 victory in the Louisiana Superdome. Despite limiting the Saints to just 12 first downs and 266 total net yards, the Bucs could not overcome a variety of offensive miscues. After a strong initial defensive stand by the Buccaneer defense that forced a quick Saints punt, Tampa Bay's electrifying punt returner, Jacques Green, once again showcased his exciting return skills. After fielding Saints P Mark Royals' kick at the Buccaneer 20-yard line, Green quickly sped up the middle of the field before breaking up the Saints sideline for a 55-yard return that seemed to put Tampa Bay in position for its first offensive touchdown in the first half this season. After a third down conversion by QB Trent Dilfer in which he avoided the oncoming New Orleans rush and flicked the ball out to WR Bert Emanuel who made a nifty one-handed catch for the first down, Tampa Bay's goal line demons struck again as TE Patrick Hape fumbled after hauling in a five-yard toss on the ensuing play. New Orleans S Sammy Knight recovered the loose ball to end the Buccaneer scoring threat. After a scoreless first quarter by both teams, New Orleans capitalized on Knight's second big play of the game, an interception of Dilfer which he returned 26 yards to the New

Orleans 43-yard line. Eight plays and 29 yards later, K Doug Brien broke the ice with a 46-yard field goal which would be the only points on the board prior to halftime. WR/KR Reidel Anthony opened the third quarter with a 32-yard return of the kickoff and Tampa Bay used a 17-yard run by RB Warrick Dunn to set up PK Michael Husted for a 52-yard field goal to tie the score at 3-3. That successful FG by Husted marked the 10th 50+-yard kick of his career and earned him the distinction as the most successful kicker in team history from that range. New Orleans answered on its next possession with a 45-yard drive that culminated in a 50-yard FG by Brien. After a three-and-out series on its next possession, Tampa Bay found itself with its best field position of the day after Saints QB Tolliver fumbled on an aborted play that was recovered by Bucs LB Jeff Gooch at the New Orleans 20-yard line. However, the Buccaneer offense managed just six yards and had to settle for a 32-yard FG attempt by PK Michael Husted that went wide left. Tampa Bay's last scoring chance came in the opening moments of the fourth quarter after a 24-yard completion from Dilfer to Anthony set up yet another FG opportunity for Husted, who would again miss to the left. New Orleans closed out the scoring on its next possession with a 41-yard FG by Brien.

GAME EIGHT

SUNDAY, NOVEMBER 1

TAMPA BAY 27, MINNESOTA 24

RAYMOND JAMES STADIUM

Though the Buccaneers' defense had been leading the way through most of the season's first half, Tampa Bay expected a shootout against the high-powered Minnesota Vikings. When a shootout indeed erupted in Raymond James Stadium, the Buccaneers fired the last two shots with a 10-point fourth quarter to win 27-24 and hand the Vikings their only regular-season loss of 1998. Shaking off their first-half woes, the Bucs scored TDs on each of their first two drives and added a field goal on the third, but the Vikings matched them score for score. After WR Reidel Anthony returned the opening kickoff 41 yards to the Bucs' 35, Tampa Bay embarked on a gritty 13-play, 65-yard drive that included conversions on two third downs and one fourth down. QB Trent Dilfer got the Bucs out of those situations with two passes to RB Warrick Dunn (14 and 10 yards) and one to Anthony (11 yards). Dunn then capped the drive with a 10-yard tightrope run down the left sideline. Minnesota matched that march immediately with an eight-play 76-yard drive keyed by TE Andrew Glover's 30-yard reception. RB Robert Smith took a first-down handoff up the middle for a nine-yard touchdown. Tampa Bay then held serve with another long march, this one consuming 80 yards in 13 plays and featuring seven Mike Alstott runs for 44 yards. Alstott's last run actually found the end zone, but was called back by a penalty, after which Dilfer found Reidel Anthony alone in the end zone for an 11-

yard scoring pass. Again, Minnesota answered back, grinding out 90 yards on 12 plays, including a 28-yard Randall Cunningham to Jake Reed pass to open the drive and a 44-yard TD hookup between Cunningham and Reed to finish it. Each team tacked on a field goal drive with its final possession of the half, Tampa Bay's fueled by a 50-yard Warrick Dunn run. Minnesota took its first lead with the opening possession of the second half, going 75 yards on nine plays, including a 25-yard grab by Glover and a 32-yard catch by Reed. Cunningham found Reed again for one yard and a score to cap it. The Bucs' follow-up drive worked its way to a first down at the Viking nine, but a fourth-down pass to Anthony fell incomplete. Still trailing by seven, Tampa Bay got its key defensive play from LB Derrick Brooks, who set the Bucs up for a field goal with the only turnover of the day, an interception and 25-yard return. On the ensuing Viking possession, the Bucs forced the first punt of the day thanks to a 10-yard sack of Cunningham on third down by blitzing CB Ronde Barber. Taking over at the Vikings' 43, Tampa Bay embarked on the game-winning touchdown drive, beginning with a 17-yard Dilfer-Anthony connection. On third-and-one from the six, Alstott broke through the line for the go-ahead score. Two plays then allowed the Bucs to hold on to the three-point win, a third-down sack by DT Brad Culpepper and a 31-yard pinball run by Alstott.

GAME NINE SUNDAY, OCTOBER 8 TENNESSEE 31, TAMPA BAY 22 RAYMOND JAMES STADIUM

In a nationally-televised Sunday evening battle of 4-4 teams, Tampa Bay jumped out to a 16-3 halftime lead over Tennessee but saw the game degenerate into a 31-22 loss by the final gun. Oiler RB Eddie George and scrambling QB Steve McNair proved too powerful of a running attack for the Bucs to repel on this evening. Tampa Bay got on the board first with a game-opening 52-yard field goal drive. The march started in fine fashion for the Bucs as FB Mike Alstott took a play-action pass on first down and turned it upfield for a 25-yard gain. A 13-yard Trent Dilfer-to-Bert Emanuel pass on third down later preserved the drive, and K Michael Husted finished it with a 46-yard kick. The Oilers immediately answered with a nearly identical 52-yard field goal drive. McNair hit rookie WR Kevin Dyson on a 21-yard aerial for the drive's big-gainer, but was tripped up for a one-yard gain on a scramble by DT Brad Culpepper. Tennessee settled for Al Del Greco's 45-yard kick. After the teams traded punts, Tampa Bay put together a 32-yard drive that was keyed by TE Dave Moore's acrobatic 16-yard reception. Husted nailed a 30-yard FG for a 6-3 Buc lead. After another Oiler punt, Tampa Bay took over at its own 12. From there, the Bucs embarked on a season-long 88-yard TD drive that ended in dramatic fashion. From first down at the Bucs' 42, Dilfer lofted a play-action bomb to Emanuel, who fought off CB Darryll Lewis and tipped the ball in the air three times before cradling

it in the end zone. Another long Buc drive finished the half, as Husted banged through a 24-yarder after a 79-yard march. RB Warrick Dunn's 31-yard gain on a screen pass was the drive's longest play, but its most exciting came on a fake field goal on which Husted ran around right end for a 20-yard gain. With only four seconds remaining, however, the Bucs' had to settle for the three-pointer anyway. The second half was all Tennessee, as the Oilers scored on their first two possessions. Two Buc penalties put the Oilers at the Buc 14 on the first drive, from where George slithered in for the touchdown. On the Oilers' next possession, George ran three times for 7, 16 and 30 yards and backup RB Mike Archie finished the four-play trip with a seven-yard TD run. Down by one, the Bucs took over on their own one-yard line early in the fourth quarter but saw disaster strike when LB Joe Bowden intercepted a Dilfer pass and walked into the end zone. The Bucs stormed back with a 79-yard, 7:26, 14-play drive featuring Reidel Anthony's four catches for 50 yards and a TD (10 yards), after which a two-point try fell incomplete. The defense then needed a quick stand to give Tampa Bay the ball back, and was able to force a third-and-eight at the Oilers' 29. Unfortunately, McNair then decided the game on a scramble that almost ended in the backfield but instead went 71 yards for a touchdown.

GAME TEN **SUNDAY, NOVEMBER 15** **JACKSONVILLE 29, TAMPA BAY 24** **ALLTEL STADIUM**

In a painful moment of déjà vu, the Bucs watched their upset hopes at Jacksonville slip away on a fourth-quarter 70-yard TD run by Jaguar RB Fred Taylor. The 29-24 upstate defeat had a familiar taste after the Bucs lost a narrow 31-22 game against Tennessee a week before thanks in large part to a fourth-quarter 71-yard TD scramble by Oiler QB Steve McNair. For the second straight week, Tampa Bay built an early lead with a strong first-half offensive performance. The Jaguars actually scored first, capitalizing on a Buccaneer fumble at the Jacksonville 30-yard line in the opening quarter. A third-down 19-yard Mark Brunell pass to WR Jimmy Smith set up Taylor's first score, a six-yard burst up the middle. Tampa Bay answered on its next possession with a 57-yard field goal drive that concluded on Michael Husted's 37-yard boot. Besides a 17-yard pinball run by RB Warrick Dunn, the biggest play of the drive was a 26-yard Trent Dilfer to Karl Williams improvisation that converted a third-and-10. The Jaguars came right back with another touchdown drive, this one covering 77 yards on 10 plays. The biggest chunks of yardage were carved out by three TE Pete Mitchell receptions for 35 yards, but Taylor again provided the denouement with a three-yard touchdown run. The Bucs continued the scoring frenzy on their next possession, reaching the end zone for the first time with a 75-yard drive. More than half of that yardage came on the final play, a

dramatic 47-yard touchdown catch by WR Reidel Anthony. Tampa Bay's defense stiffened for the remainder of the half and, after two Jaguar three-and-outs, set Tampa Bay up at its own 49. From there, the running of Dunn and FB Mike Alstott bit off 50 yards, 24 by Dunn on the drive's key play, and Dilfer finished it with a one-yard play-action TD pass to TE John Davis. Dilfer's second pass of the third quarter was intercepted by LB Kevin Hardy, leading to a game-tying 31-yard field goal by Mike Hollis. The Jags then got back on top late in the third period with another Hollis field goal, a kick that was forced by S John Lynch's strong third-down blitz on Brunell. On the first play of the fourth quarter, Anthony caught a medium-range slant on third-and-three and got much more than the first down, outrunning two defenders for a 79-yard touchdown. The resulting 24-20 lead stood for 11 minutes, until Hollis finished a 14-play, 66-yard Jaguar drive by nailing a 34-yard field goal. Trailing by one with 3:30 to play, the Jacksonville defense forced a Buccaneer three-and-out and got the ball back at the Jaguar 30-yard line. The next play was Taylor's game-clinching run, a cutback that started right and broke through a defensive wall on the left. The Bucs had one more chance with two minutes remaining, but Dilfer's fourth-down pass intended for Williams was intercepted by CB Aaron Beasley.

GAME ELEVEN

SUNDAY, NOVEMBER 22

DETROIT 28, TAMPA BAY 25

RAYMOND JAMES STADIUM

The Buccaneers' string of last-minute defeats stretched to three thanks to a 28-25 loss to Detroit in Raymond James Stadium that might have been a victory but for the outstretched fingers of DE Mike Chalemski. Chalemski's tip disrupted a potential fourth-quarter touchdown pass to rookie WR Jacquez Green and halted a Buccaneer rally that had made a nailbiter out of an early blowout. Detroit rushed to a 14-0 lead before the first-quarter gun sounded, and outgained the Bucs 167-38 in that period. The Lions wasted no time in lighting up the scoreboard, taking the opening drive 74 yards on three plays. The big-gainer in that march was a 53-yard scoring pass between a pair of rookies, QB Charlie Batch and WR Germane Crowell. After an unsuccessful Buc series, the Lions stormed back with another TD drive, this time marching 80 yards on nine plays. Batch again found Crowell on a 23-yard hookup that got the Lions into Buc territory. Batch finished the possession with a three-yard pass to TE Walter Rasby. Neither team advanced on its next possession, but the Bucs opened the second quarter with a 60-yard touchdown advance. QB Trent Dilfer eluded a heavy rush on the final play of the drive and heaved a 44-yard TD pass to rookie WR Jacquez Green, who caught the pass in stride for his first NFL receiving score. The Lions regained their two-TD lead later in the quarter on a quick-strike four play drive. Batch's 23-yard pass to FB Tommy Vardell was followed by an 18-yard cut-back from RB Barry Sanders and a 36-yard TD burst by

backup RB Ron Rivers. Left with just under four minutes on the clock before halftime, Dilfer led an impressive drive as Tampa Bay marched 80 yards on 12 plays for a score. WR Bert Emanuel preserved the drive with a dazzling one-handed 15-yard reception on third-and-eight, then caught an 11-yarder a few plays later on third-and-six. The drive was capped by Dilfer's eight-yard TD toss to TE Dave Moore. With the first possession of the second half, the Bucs again embarked on a lengthy drive, this one draining 8:30 off the clock before Michael Husted's 33-yard field goal. Emanuel caught a 34-yard pass to set up a 46-yard FG try by Husted, but a Lion penalty kept the drive going. Dilfer seemingly tied the game with a 12-yard scoring pass to WR Reidel Anthony, but a penalty negated that score as well. The Lions' only score of the second half came on an 18-yard drive after a tipped-ball interception by LB Richard Jordan. Vardell got the TD with his one-yard burst up the middle. The Bucs answered right back with a 74-yard TD drive ending in FB Mike Alstott's five-yard run around left end. In the game's closing minutes, Dilfer drove the Bucs to within striking distance, with help from a 27-yard draw-play run by RB Warrick Dunn. The Bucs appeared to have fate on their side after FB Mike Alstott gained 17 yards on a catch that ricocheted off Dunn, but that impression changed moments later with Chalemski's tip on the pass to Green, which sent the ball into the hands of Detroit S Ron Rice in the end zone.

GAME TWELVE

SUNDAY, NOVEMBER 29

TAMPA BAY 31, CHICAGO 17

SOLDIER FIELD

Though a succession of rare special teams plays kept the contest knotted at 14-14 just before halftime, a stingy Buccaneer defense led Tampa Bay to its first victory in Chicago since 1989. The Bucs prevailed 31-17 while holding the Bears and rookie QB Moses Moreno to just 224 yards of total offense. Tampa Bay QB Trent Dilfer did the rest with three touchdown passes to three different receivers. The Bucs failed to advance on their first possession, but quickly got the ball back in Chicago territory when DT Warren Sapp sacked Moreno on third-and-12 and forced a fumble. DT Brad Culpepper recovered at the 19 and, five plays later, Dilfer found FB Mike Alstott for a five-yard touchdown pass. Alstott actually caught Dilfer's throw near the line of scrimmage on third down, but was able to bull over two Chicago defenders to reach the end zone. Neither team scored again in the first period, but the Bears struck next thanks to a turnover and some trickery. After LB Andre Collins intercepted a pass that was deflected at the line of scrimmage, the Buc defense immediately forced a fourth down and an apparent field goal try. However, punter and holder Mike Horan shoveled a pass to TE Ryan Wetnight, who ran through a hole in the Buc line for an 18-yard TD. On the ensuing kickoff, the Bears regained possession by reaching the ball first at the Buc 23 on a pooch kick. On second down, a scrambling Moreno located WR Curtis Conway in the end zone and fired a 21-yard

strike for his first career TD pass. The Buccaneers were next to turn in a big play on special teams seven minutes later when rushing LB Jeff Gooch almost completely deflected Horan's punt attempt deep inside Chicago territory. The shanked kick was picked up at the 23 by Buc CB Ronde Barber, who weaved through a collection of Bears to reach the end zone and tie the game at 14-14. That appeared to be the halftime score until a Hail Mary pass by Dilfer with no time on the clock was deflected by WR Bert Emanuel to WR Brice Hunter for an unlikely TD. The Bucs thus led 21-14 coming out of the intermission and shortly came up with another turnover when a fumbled Bear handoff was recovered by CB Donnie Abraham at the Chicago 29. Dilfer turned the TO into a TD four plays later by throwing a short crossing pass to WR Reidel Anthony, who ran it in for a touchdown. Later in the third period, a short Horan punt and a 17-yard return by Jacquez Green set up a 21-yard drive that K Michael Husted finished with a 28-yard field goal. The Bears followed with a field goal drive of their own, moving 64 yards on 10 plays before Jeff Jaeger banged a 33-yarder through the uprights. With the Buccaneer defense protecting a two-touchdown lead, Moreno and the Bears had three more possessions but couldn't change the score. LB Shelton Quarles ended the Bears' last attempt with a seven-yard sack on fourth-and-three.

GAME THIRTEEN
MONDAY, DECEMBER 7
TAMPA BAY 24, GREEN BAY 22
RAYMOND JAMES STADIUM

The Buccaneers snapped a six-game losing streak to Green Bay and won their first Monday Night Football contest since 1982 with a 24-22 nailbiter in Raymond James Stadium. A profusely swarming Buc defense sacked QB Brett Favre eight times and forced a team-record eight fumbles (recovering two) to keep Green Bay out of the end zone until the final quarter. Buc QB Trent Dilfer provided most of the offensive firepower early with two long touchdown passes. The Buc D shot off the line quickly with three sacks and three forced fumbles on the Pack's opening possession. Though the Bucs were unable to recover any of the loose balls, the third sack and forced fumble, by CB Ronde Barber on a blitz, forced a Green Bay punt. Tampa Bay gained little on its opening possession and saw the Packers drive 52 yards on 12 plays for a field goal on the ensuing drive. Tampa Bay took the lead three plays later on third-and-two when rookie WR Jacquez Green caught a medium-range slant pass from Trent Dilfer and outran S Darren Sharper for a 64-yard TD. The Buccaneer defense forced a quick three-and-out after the kickoff and Tampa Bay took over again on its own 31. On third-and-three near the beginning of the second quarter, the Packers experienced an uncomfortably familiar feeling when WR Bert Emanuel caught a quick slant and zipped around the Green Bay defense for a 62-yard TD and a 14-3 Buc lead. Green Bay would cut the lead to eight later in the quarter on a 36-yard field goal by Ryan

Longwell. Another sack of Favre and a forced fumble, by DE Regan Upshaw, gave the Bucs a last-second scoring chance before intermission, but a 38-yard Michael Husted field goal attempt hooked right. However, the Bucs got Husted in position for a 46-yarder on the opening march of the second half and the sixth-year kicker advanced Tampa Bay's lead to 17-6. Green Bay began to mount a comeback two drives later when CB Tyrone Williams set up a field goal with an interception in Buc territory. Longwell's 35-yarder followed a successful Buc red zone stand. The Pack's next drive bled into the fourth quarter but went 62 yards for Green Bay's first TD, a four-yard catch by TE Mark Chmura. The two-point conversion, which could have tied the game, was broken up by Charles Mincy on a pass attempt to Derrick Mayes at the goal line. On the Packers' next drive, Barber forced a fumble by Mayes, which CB Donnie Abraham recovered. Tampa Bay took to the ground on a 53-yard touchdown drive, gaining 43 yards on eight carries, capped by Dilfer's six-yard bootleg up the middle for a touchdown. Green Bay answered with an 80-yard touchdown drive and another Chmura score (one-yard pass), but leached all but 140 seconds off the clock. Warrick Dunn's 16-yard first down run on the next drive helped the Bucs' run the clock down to 24 seconds before punting. Favre then completed two quick passes but, fittingly, was sacked on the game's final play.

GAME FOURTEEN **SUNDAY, DECEMBER 13** **TAMPA BAY 16, PITTSBURGH 3** **RAYMOND JAMES STADIUM**

The Buccaneers extended their winning streak to three games by beating the Pittsburgh Steelers for the first time in franchise history. A dominant defensive performance nearly identical to the team's earlier shutdown of the N.Y. Giants (10/4) led to a season-high five takeaways and a 16-3 Buc win. With the 'D' containing RB Jerome Bettis and QB Kordell Stewart, the Bucs were content to run the ball 45 times in 64 plays, gaining 144 yards and a touchdown. Pittsburgh actually dented the scoreboard first, driving 66 yards on 12 plays for a field goal off the opening possession, eating up exactly six minutes. Rookie WR Hines Ward made an acrobatic catch on third-and-nine from the Bucs' 33 to prolong the drive, marking the only third down Pittsburgh would convert in the first half, but Pittsburgh was still forced into a field goal try. K Norm Johnson nailed a 27-yarder after Stewart's third-down toss from the nine was tipped at the line of scrimmage. The Bucs answered with their own field goal drive, stepping off 54 yards while using the last nine minutes on the clock in the first quarter. A Mike Alstott run for 16 yards and a six-yard, fourth-down catch by WR Brice Hunter keyed the drive, which ended in Husted's 39-yarder. The Bucs doubled their score with a 37-yard field goal on their next drive, set up by a 46-yard punt return by rookie WR Jacquez Green. Neither team would score again before the intermission, as Pittsburgh managed just one second-quarter first

down and Tampa Bay was hurt by an Alstott fumble. After the Bucs' first drive of the second half failed, Pittsburgh drove from its eight to its 36 before Buc S John Lynch came up with the first of four Buc interceptions. Tampa Bay was forced to punt, but two plays later, DE Steve White knocked the ball out of substitute QB Mike Tomczak's hand, leading to DT Warren Sapp's recovery at the Steelers' seven-yard line. Alstott needed two carries from that point to punch it in for the only touchdown of the game. The Bucs victimized Tomczak again on the ensuing drive when, on the third play, Lynch picked off his second pass of the game and returned it 12 yards to the Steelers' 40. Though the Bucs failed to capitalize and had to punt, Pittsburgh's next drive did no better. The resulting punt was returned 27 yards by Green, setting the Bucs up at their own 41. Tampa Bay proceeded to use 12 plays to get to the Steelers' 15, including a successful fourth-down run by Alstott, but the team's 33-yard field goal try was blocked by CB Dewayne Washington. The setback was temporary, however, as rookie CB Brian Kelly snared an interception off Stewart two plays later, setting up a 21-yard Husted field goal. Leading 16-3, the Buccaneers came up with a final defensive stand as CB Donnie Abraham redirected another Stewart pass on fourth-and-three. Three Alstott runs later, the clock expired.

GAME FIFTEEN
SATURDAY, DECEMBER 19
WASHINGTON 20, TAMPA BAY 16
JACK KENT COOKE STADIUM

A 13-point Washington rally in the fourth quarter weakened the Buccaneers' playoff hopes and led to a 20-16 Redskin win in Maryland. The final statistics (Washington gained just 226 yards, was sacked five times and converted only two of 13 third downs), indicated the Bucs' general defensive dominance for three quarters, but a trio of turnovers in the last six minutes paved the way for Washington's comeback. For just the second time in 1998, Tampa Bay took its first possession the distance for a game-opening touchdown. A third-and-21 pass interference penalty on Washington CB Darrell Green helped preserve the drive, but a 13-yard reception on third-and-three by RB Warrick Dunn and an 11-yard scramble by QB Trent Dilfer were equally important. The drive culminated in Dilfer's eight-yard TD strike to TE Dave Moore on third-and-goal. Washington tied the score on its second drive with a seven-play, 38-yard drive made possible by Brian Mitchell's 32-yard punt return. Beginning at the Bucs' 38-yard line, Washington opened with a 14-yard run by rookie RB Skip Hicks and finished with a 16-yard TD run on an end-around by WR Leslie Shepherd. In the second quarter, Tampa Bay regained its lead with a pair of Michael Husted field goals. The first was set up by DE Steve White's fumble recovery after S John Lynch sacked Redskin QB Trent Green on a third-down blitz. FB Mike Alstott covered most of the ground on the resulting 41-yard drive with a 26-yard burst up

the middle on the first play. Three plays later, S Charles Mincy intercepted Green's pass and returned it nine yards to the Washington 30. Husted's 42-yarder followed to give the Bucs a 13-7 lead at halftime. In the third quarter, rookie WR Jacquez Green set up the only score of the period with a 25-yard punt return to the Redskins' 38. Alstott then ran on five consecutive plays, gaining 30 yards before Husted nailed a 24-yard three-pointer. On the last play of the third quarter, WR Albert Connell split the Buc safeties to gain 61 yards on a reception before CB Ronde Barber hauled him down at the six. Barber then dove to knock away a sure touchdown pass two plays later, forcing a 26-yard field goal by Washington kicker Cary Blanchard. With six minutes remaining, Washington trimmed the Bucs' lead to 16-13 with a 41-yard field goal drive ending in Blanchard's 35-yard shot. Trent Green moved the 'Skins with three straight passes to TE Stephen Alexander for a total of 33 yards. On the ensuing kickoff, Jacquez Green fumbled during his return, allowing a Redskin recovery at the Bucs' 15-yard line. Trent Green needed only one play to find Alexander again, scrambling right and firing to the tight end, who made a juggling catch in the end zone. The Bucs' had two more drives to try to regain the lead, but each ended in a Washington interception.

GAME SIXTEEN **SUNDAY, DECEMBER 27** **TAMPA BAY 35, CINCINNATI 0** **CINERGY FIELD**

In the most dominating road effort in franchise history, Tampa Bay capped a late-season surge with a 35-0 win over the Cincinnati Bengals. It marked the team's first-ever shutout away from home, its largest margin of victory on the road and its highest point total of 1998. The Bucs jumped on top just five plays into the game when QB Trent Dilfer launched a play-action bomb to WR Robb Thomas on third-and-one, completing a 50-yard TD pass. Cincinnati countered with a drive to the Bucs' 23-yard line, keyed by RB Corey Dillon's 41-yard gain on a screen pass, but K Doug Pelfrey misfired on a 40-yard field goal try. Though the Buccaneers next drive ended in an end zone interception by CB Ashley Ambrose, Tampa Bay got the ball back at the Bengals' eight-yard line four plays later when Cincinnati P Brad Costello fumbled the snap. FB Mike Alstott used three runs from there to power the ball into the end zone. On the ensuing kickoff, Bengal return man Eric Bienemy fumbled on the runback and Buccaneer RB Jerry Ellison recovered at the Cincinnati 31. A 17-yard burst through the right side of the line by RB Warrick Dunn and a 10-yard scramble by Dilfer on third-and-nine set the Bucs up at the Bengals' three-yard line. This time it took two plays for Alstott to find the end zone, as he leaped for a one-yard score. Midway through the second quarter, yet another special teams play opened the way for a Buccaneer score. LB Don Davis broke through the Bengal line on a punt attempt from the Cincinnati 24 and blocked Costello's kick.

The ball sailed out of bounds at the four, and Tampa Bay scored three plays later. Dilfer found an open Reidel Anthony in the end zone for a four-yard TD pass, notching his 21st scoring throw of the season to tie his own team record from 1997. Tampa Bay earned another scoring opportunity later in the half when S Charles Mincy intercepted the first pass attempted by backup QB Eric Kresser, who entered the game after starter Paul Justin suffered a hand injury on a sack by DT Brad Culpepper. The Bucs moved to the Bengals' one-yard line, but were forced to try a field goal on fourth down, and Michael Husted's attempt hit the right upright. Cincinnati took its initial drive of the second half down to the Buccaneers' seven, but Kresser's pass attempt on fourth down fell incomplete. After a Buc punt, the Bengals made another incursion into Buc territory and reached the 20-yard line before CB Ronde Barber intercepted a Kresser pass at the Tampa Bay goal line and returned it 56 yards. QB Steve Walsh relieved Dilfer in the fourth quarter, but the Bucs ran on all 17 of their offensive plays in the final period. After Barber's interception, Tampa Bay moved 43 yards on seven carries, the longest being a 19-yard run by Dunn and the last being a three-yard TD scamper by Alstott, who tied a team record with three rushing TDs. Cincinnati's last two possessions ended in an incomplete fourth-down pass and a punt.

MOST VALUABLE PLAYERS

Two separate awards are presented each year to the team member chosen as the Bucs' Most Valuable Player. **The St. Petersburg Times'** award is determined by a vote of writers who regularly cover the team. The Tampa Sports Club, a cross section of the Tampa sports community, votes for its award. The Newspaper Enterprise Association no longer conducts a poll which was won in 1977 and 1979 by Lee Roy Selmon, in 1976 by Dave Pear and in 1978 by David Lewis.

BUCCANEERS IN OVERTIME

September 9, 1979 - Tampa Bay 29, at Baltimore 26: Colts win the toss. On Baltimore's third play from scrimmage, Buccaneer DE Randy Crowder sacks Colt QB Greg Landry, forcing a fumble that is recovered by DT Bill Kollar at the opposition's 14-yard line. PK Neil O'Donoghue kicks a 31-yard field goal on the next play to win the game at 1:41 of OT.

October 12, 1980 - at Tampa Bay 14, Green Bay 14: Packers win the toss. After the two teams exchange a pair of punts, Green Bay QB Lynn Dickey continues the most prolific passing day ever by a Buccaneer opponent (418 yards), guiding the Packers into Tampa Bay territory in the final minute of overtime. A 21-yard completion to WR Aundra Thompson helps Green Bay reach the Bucs' 18-yard line, but a 36-yard field goal attempt by PK Tom Birney sails wide right as time expires, resulting in the NFL's first tie since 1978.

January 2, 1983 - at Tampa Bay 26, Chicago 23: Bears win the toss. Chicago takes possession on its own 20 but gains just five yards as QB Jim McMahon is nearly sacked on successive plays. After a 35-yard punt, the Bucs take over on their own 40-yard line. RB James Wilder takes a pitch around the right end on the Bucs' first play and runs 47 yards to the Chicago 13. Two plays later, PK Bill Capece hits a 33-yard field goal at 3:14 of OT to send the Bucs into the playoffs.

September 18, 1983 - Minnesota 19, at Tampa Bay 16: Vikings win the toss. The Buccaneers force a Minnesota punt and take over on their own 47-yard line. QB Jack Thompson produces three first downs and leads the Bucs down to the Vikings' 15-yard line, but PK Bill Capece misses a 33-yard field goal. Minnesota RB Ricky Young turns a short pass into a 48-yard gain to the Buccaneer 27-yard line, setting up a 42-yard game-winning field goal by PK Benny Ricardo at 5:33 of OT.

October 9, 1983 - at Dallas 27, Tampa Bay 24: Cowboys win the toss. Dallas takes over on its own 10-yard line after the kickoff and reaches Buccaneer territory with a 46-yard pass from QB Danny White to RB Ron Springs. RB Tony Dorsett's 12-yard jaunt around end sets up a 50-yard field goal try by PK Rafael Septien. Septien's attempt falls short, but a roughing the kicker penalty sets up another try by the Cowboy kicker and he converts from 42 yards out at 4:38 of OT.

December 12, 1983 - Green Bay 12, at Tampa Bay 9: Packers win the toss. Green Bay keeps the ball on the ground in the opening drive with RBs Jessie Clark and Harlan Huckleby running for 43 of the 65 yards gained on the possession. A 20-yard sweep by Huckleby down to Tampa Bay's seven-yard line sets up a game-winning chip of 23 yards out at 4:07 of OT.

September 30, 1984 - at Tampa Bay 30, Green Bay 27: Packers win the toss. After the teams trade punts, Green Bay begins at its own 27-yard line but is again forced to punt after three plays. Two short runs by FB John Stephens set up a 27-yard field goal by PK Jason Staurovsky at 3:08 of OT.

September 30, 1990 - Tampa Bay 23, at Minnesota 20: Vikings win the toss. Minnesota drives to the Buccaneer 31, but former Buc PK Donald Igwebuike's 48-yard field goal try is wide left. BUCS IN PRIME TIME

Thursday Night, 9/11/80 (ABC) - Tampa Bay 10, Los Angeles Rams 9: In a rematch of the 1979 NFC Championship Game, the Bucs exacted a small measure of revenge with a 10-9 win over the Rams before 66,576 at Tampa Stadium. Quarterback Doug Williams scored the game's only touchdown on a one-yard sneak with 57 seconds remaining to seal the victory. Despite yielding 360 total yards, the Bucs defense intercepted Rams quarterback Vince Ferragamo four times and held Los Angeles to just three Frank Corral field goals.

Monday Night, 10/6/80 (ABC) - Chicago 23, Tampa Bay 0: Chicago's defense held the Bucs to 147 total yards en route to a 23-0 Monday Night win before 61,350 at Soldier Field. The Bears held a 3-0 lead heading into the third quarter, when Tampa Bay quarterback Doug Williams hit tight end Jimmie Giles for an apparent touchdown. The play was nullified because of a penalty and the Bears' defense stiffened from there.

Monday Night, 11/29/82 (ABC) - Tampa Bay 23, Miami 17: The Bucs intercepted five passes to pick up their first win of the strike-shortened season, a 23-17 triumph over Miami before 65,854 at Tampa Stadium. Tampa Bay led 23-10 late, when Dolphins quarterback Don Strock hit tight end Joe Rose on an 11-yard scoring strike to cut the Bucs lead to six with 34 seconds remaining. Miami recovered the ensuing onside kick, but cornerback Mike Washington intercepted Strock on the game's final play to secure the win.

Monday Night, 12/12/83 (ABC) - Green Bay 12, Tampa Bay 9 (OT): Veteran kicker Jan Stenerud booted a 23-yard field goal with 4:07 left in overtime to lift Green Bay to a 12-9 win over the Bucs before 50,763 at Tampa Stadium. Tampa Bay led 9-6 when kicker Bill Capece missed a 35-yard attempt with 2:49 remaining in regulation. The Packers then drove 65 yards to set up Stenerud for a 23-yarder that sent the game into overtime. The Bucs' defense - which surrendered 55 points to the Packers in their first meeting of the season - kept Green Bay out of the end zone but couldn't prevent the team's third overtime defeat of 1983.

Sunday Night, 9/23/90 (TNT) - Tampa Bay 23, Detroit 20: Vinny Testaverde hit running back John Harvey on a three-yard touchdown pass with 4:21 remaining to rally the Bucs past Detroit, 23-20, before 55,075 at Tampa Stadium. Testaverde completed 5 of 7 passes for 91 yards in the fourth quarter, as the Bucs erased their third deficit of the contest. Gary Anderson rushed for 71 yards and one touchdown.

Sunday Night, 12/8/91 (ESPN) – Minnesota 26, Tampa Bay 24: A valiant Bucs rally fell short as Minnesota escaped with a 26-24 win before 41,091 at Tampa Stadium. The Vikings jumped out to a 20-3 lead before Tampa Bay battled back behind Vinny Testaverde, who threw for a season-best 330 yards. Testaverde hit wide receiver Mark Carrier on a 21-yard scoring toss to cut the lead to two late in the fourth quarter, but the Bucs could pull no closer. Carrier totaled 110 yards on six catches.

Sunday Night, 12/6/92 (ESPN) – Los Angeles Rams 31, Tampa Bay 27: The Los Angeles Rams erased a 24-point halftime deficit to stun the Bucs 31-27 before 38,387 at Tampa Stadium. Tampa Bay jumped out to a 27-3 lead, thanks to two touchdown passes from Vinny Testaverde and a 26-yard fumble return on a kickoff by cornerback Roger Jones. But the Rams scored three touchdowns in an eight-minute span of the third quarter to close the gap to 27-24. Quarterback Jim Everett then hit tight end Pat Carter on an eight-yard scoring toss with six minutes left to cap the comeback.

Sunday Night, 11/21/93 (ESPN) – Tampa Bay 23, Minnesota 10: Bucs running back Vince Workman keyed a workman-like dismantling of Minnesota as Tampa Bay rolled to a 23-10 victory before 40,848 at Tampa Stadium. Workman rushed for 58 yards and one touchdown, adding seven catches for 65 yards in his first career start. The Vikings led 7-6 at halftime before cornerback Milton Mack returned a Sean Salisbury pass 27 yards for his first career touchdown. Workman sealed the win with a one-yard scoring plunge in the fourth quarter. The Bucs' offense did not commit a turnover for the first time all season, while the defense turned in its best effort of 1993, limiting Minnesota to 235 total yards.

Sunday Night, 11/13/94 (ESPN) – Detroit 14, Tampa Bay 9: Detroit running back Barry Sanders rushed for 237 yards, leading the Lions to a 14-9 win over the Bucs before 50,814 at the Silverdome. Tampa Bay marched to the Lions' one-yard line twice in the first half but could only muster a 3-0 halftime lead. Detroit regrouped in the second half as Sanders careened for 200 yards after the intermission. Michael Husted's third field goal cut the margin to five points in the fourth quarter, but Sanders sealed the win with a 48-yarder late in the game, enabling Detroit to run out the clock.

Sunday Night, 12/10/95 (ESPN) – Tampa Bay 13, Green Bay 10 (OT): Michael Husted nailed a 47-yard field goal 2:46 into overtime, vaulting the Bucs to a pulsating 13-10 win over the Green Bay Packers before 67,557 at Tampa Stadium. Earlier, Husted had tied the game at 10 with a 38-yard field goal. The Packers had a chance to win with eight seconds remaining in regulation, but Chris Jacke missed a 45-yarder wide left. Wide receiver Horace Copeland caught a career-high eight passes for 122 yards, including a 23-yarder that led to the Bucs' lone touchdown, a one-yard plunge by running back Jerry Ellison.

Sunday Night, 9/15/96 (TNT) – Denver 27, Tampa Bay 23: Denver quarterback John Elway engineered another of his patented fourth-quarter comebacks, rallying the Broncos past the Bucs 27-23 before 71,535 at Mile High Stadium. Elway directed a 14-play, 80-yard march, culminating with a three-yard touchdown run by Terrell Davis with 3:32 remaining. Earlier, Michael Husted had given the Bucs a 23-20 lead on a 28-yard field goal, set up by Derrick Brooks' first career interception. Tampa Bay run-

ning back Reggie Brooks ran for 114 yards, while tight end Jackie Harris paced the Bucs receiving corps with five catches for 96 yards.

Sunday Night, 9/21/97 (TNT) – Tampa Bay 31, Miami 21: The Bucs ran their record to 4-0 with an electrifying 31-21 win over Miami before 73,314 at Houlahan's Stadium. Tampa Bay rang up 357 yards on the Dolphins' defense while holding Miami to just 48 yards on the ground. Rookie running back Warrick Dunn – fresh off two straight 100-yard rushing outings – caught six passes for 106 yards, including a 58-yard touchdown catch. Meanwhile, fullback Mike Alstott rushed for 95 yards and caught two short scoring tosses from Trent Dilfer in the first half. Dilfer outdueled Miami's Dan Marino, completing 18 of 24 passes for 248 yards and a career-high four touchdowns.

Monday Night, 9/28/98 (ABC) – Detroit 27, Tampa Bay 6: Detroit made the Bucs' first Monday Night appearance in 15 years a sobering one, racing past Tampa Bay 27-6 before 74,724 at the Silverdome. Despite being doubled in total yardage (170-85) in the first half, Tampa Bay trailed just 6-3 as the third quarter opened. Bryant Westbrook then intercepted a Trent Dilfer pass and raced 34 yards for a score to give Detroit a 13-3 lead. Quarterback Charlie Batch added a one-yard scoring run before Michael Husted's 47-yard field goal closed the gap to 20-6. Cornerback Terry Fair returned the ensuing kickoff 105 yards for a touchdown to ice the contest.

Sunday Night, 11/8/98 (ESPN) – Tennessee 31, Tampa Bay 22: Quarterback Steve McNair raced 71 yards for a touchdown with 1:46 left, squelching a Bucs comeback and lifting Tennessee to a 31-22 win over Tampa Bay before 65,054 at Raymond James Stadium. Trent Dilfer connected with wide receiver Reidel Anthony on a 10-yard scoring strike to pull the Bucs within 24-22, but misfired on the subsequent two-point conversion. Tampa Bay pressed the Oilers into a third-and-eight at their own 29 before McNair scampered to the end zone. The Bucs jumped out to a 16-3 halftime lead, but Tennessee stormed back behind running back Eddie George, who totaled 134 rushing yards.

Monday Night, 12/7/98 (ABC) – Tampa Bay 24, Green Bay 22: The Bucs ended a string of futility against Green Bay in style, beating the defending NFC champions 24-22 before 65,497 at Raymond James Stadium. Quarterback Trent Dilfer connected on two long scoring strikes in the first half – a 64-yarder to Jacques Green and a 62-yarder to Bert Emanuel – to give the Bucs a 14-6 halftime lead. Meanwhile, Tampa Bay's defense was suffocating, sacking quarterback Brett Favre eight times and forcing a team-record eight fumbles, recovering two. The Packers clawed to within two points with 2:20 remaining, but the Bucs then ran all but 24 seconds off the clock. Defensive tackle Brad Culpepper and Warren Sapp capped the sack parade by downing Favre on the last play of the game.

BUCCANEER PLAYOFF HISTORY

1979 NFC DIVISIONAL PLAYOFF GAME SATURDAY, DECEMBER 29, 1979 TAMPA BAY 24, PHILADELPHIA 17 TAMPA STADIUM

HISTORY

The first foray into the post-season was a successful one for the Tampa Bay franchise, which reached the playoffs in just its fourth year of existence. After winning the NFC Central with a 10-6 record, the Buccaneers faced Philadelphia in the Divisional Playoff round after the Eagles had downed Chicago a week earlier. Tampa Bay used a stingy defense (227 yards allowed) and the relentless running of Ricky Bell to prevail 24-17 in front of a home crowd of 71,402. The Buccaneers opened the game with a methodical 18-play, 80-yard march that drained over nine minutes off the clock. On his way to a 142-yard rushing performance, Bell ran on exactly half of the drive's plays, gaining 37 yards on nine totes, including a four-yard scoring burst around right end. Neither team advanced significantly on its next possession, but Philadelphia moved into field goal range early in the second quarter. After a successful fake field goal run was nullified by a delay-of-game penalty on the Eagles, K Tony Franklin came up short on a 52-yard attempt. Taking over at its own 35, Tampa Bay saw a 25-yard run by Bell called back due to holding but immediately compensated with a 34-yard pass from QB Doug Williams to WR Larry Mucker. Williams later fired a 26-yard pass to WR Isaac Hagins and an apparent TD toss to TE Jimmie Giles, but Giles was ruled to not have possession and the Bucs settle for a 40-yard field goal. Before the intermission, Tampa Bay was able to extend its lead to 17 thanks to a big play by the defense. NT Randy Crowder's fumble recovery at the Eagles' four-yard line just two plays after Tampa Bay's field goal set up a second Buccaneer touch-

down, though it took four plays to cover that short distance. After an incomplete pass and two Bell runs for three yards, Buccaneer Head Coach John McKay elected to send Bell through the line one more time on fourth down and the third-year back followed a block by left tackle Darryl Carlton to reach paydirt. Philadelphia did manage to get on the board before halftime when LB Jerry Robinson intercepted a Williams pass at the Buccaneers' 48 and returned it 37 yards to the 11. Two plays later, Jaworski hooked up with WR Charles Smith in the end zone to cut the Buc lead to 17-7. Philly then opened the third quarter with a 45-yard field goal drive aided by WR Harold Carmichael's tackle-breaking 39-yard reception and concluded by Franklin's 42-yard kick. The Bucs and Eagles then traded two more punts each to run out the period. On its second possession of the fourth quarter, Tampa Bay got what proved to be the decisive points when Williams hit Giles on a three-yard scoring pass that capped a 57-yard drive. Bell provided the key play of the march with a 26-yard run around left tackle on third-and-two from the Philadelphia 49. Philadelphia answered on its next possession with a gritty 80-yard drive, twice keeping possession on fourth-down completions by QB Ron Jaworski. After a 13-yarder to Smith on fourth-and-11 from the 50-yard line, Jaworski then found Carmichael for a 37-yard TD. Following an unsuccessful onside-kick attempt, Philadelphia forced a Buccaneer three-and-out and went on one last drive in the final two minutes. Jaworski's fourth-down incomplection from the Buc 45 effectively ended the game.

1979 NFC CHAMPIONSHIP GAME

SUNDAY, JANUARY 6, 1980

L.A. RAMS 9, TAMPA BAY 0

TAMPA STADIUM

In the first NFC Championship Game to be decided without either team scoring a touchdown, host Tampa Bay fell 9-0 to the Los Angeles Rams. In a reversal of the elements that brought the Buccaneers victory one week before in the franchise's first playoff game, Tampa Bay was held to 177 net yards of offense and surrendered to a pounding Rams running game that racked up 216 yards on 53 carries. Three Buccaneer passers were limited to just five completions in 27 attempts and Tampa Bay did not penetrate L.A. territory until midway through the third quarter. Neither team scored in the first quarter, though Los Angeles threatened twice. On its second drive of the game, L.A. advanced to the Buccaneer 18 thanks to two runs and one reception by RB Cullen Bryant for a combined 30 yards. However, fellow RB Wendell Tyler then fumbled on first-and-10 at the 18, with Buccaneer LB Richard Wood recovering. After a Tampa Bay punt, the Rams embarked on another drive deep into Buc territory, mostly on alternating runs by Bryant and Tyler. Tyler got the call on third-and-goal from the one on the final play of the first period but was stopped short by Buc DE Wally Chambers. On the first play of the second quarter, K Frank Corral opened the scoring with a 19-yard field goal. A combined five punts later, Los Angeles took over at its own 38 with just under six minutes to play in the half. Using five of those minutes, Los Angeles advanced 58 yards on 10 plays, the largest chunk coming on a drive-opening 22-yard completion from QB Vince Ferragamo to TE Charle Young. When Buc LB Dewey Selmon stopped Young for a four-yard gain on

third-and-five from the Bucs' eight, the Rams were forced into another field goal try, this one a successful 21-yarder. In the final minute of the first half, Tampa Bay drove nearly to midfield but Williams was interception in L.A. territory by LB Jim Youngblood. The Rams took a 6-0 lead into halftime after controlling the ball for almost 21 of the game's first 30 minutes. Neither team scored in the third quarter, though the Rams' Corral tried a 37-yard field goal that sailed wide left. The Los Angeles drive had stalled when S Cedric Brown tracked Tyler down in the backfield for a five-yard loss from the Bucs' 15. After a pair of punts, Tampa Bay made its first move into the Los Angeles half of the field when RB Jerry Eckwood threw a 42-yard option pass to WR Larry Mucker and Mucker was pulled down at the 24. However, QB Mike Rae, seeing his first playoff action in place of starter Doug Williams, threw incomplete passes on third and fourth down. Still trailing by just six points, the Buccaneers stiffened defensively on the ensuing possession. Wood stopped Tyler for two yards on third-and-three then dropped him for a one-yard loss on fourth-and-one at the Bucs' 27-yard line. After the Bucs were forced to punt again, Los Angeles made the game's final dent on the scoreboard, driving 45 yards on eight plays to set up Corral's third short three-pointer, a 23-yarder. A 13-yard run by Tyler and a 12-yarder by Bryant keyed the march. WR Isaac Hagins returned the ensuing kickoff to Tampa Bay's 35-yard line then hauled in a 25-yard pass from Rae, but Rae's fourth-down throw to Mucker fell incomplete in the end zone.

1981 NFC DIVISIONAL PLAYOFF GAME
SATURDAY, JANUARY 2, 1982
DALLAS 38, TAMPA BAY 0
TEXAS STADIUM

The Buccaneers won a thrilling showdown with Detroit in the last week of the regular season to capture the NFC Central crown but, for the second time in a row, failed to score in the resulting playoff game. Dallas ran for 212 yards and four touchdowns on 46 carries and held Tampa Bay to 222 net yards of offense in a 38-0 whitewash. Buccaneer QB Doug Williams was also sacked four times and intercepted four times as Dallas scored 28 second-half points. The first quarter, however, was scoreless as Tampa Bay repelled several Cowboy scoring chances. After an unsuccessful opening drive for the Bucs, Dallas reached Tampa Bay's 40-yard line but stalled when LBs Cecil Johnson and Andy Hawkins broke up a near completion from QB Danny White to TE Doug Cosbie on third-and-nine. Williams was intercepted by CB Dennis Thurman in Buccaneer territory a few plays later, but the Buc defense tipped away two passes and stopped RB Tony Dorsett for a four-yard loss to force a quick punt. Thurman promptly intercepted another Williams offering three plays later, giving Dallas possession at the Bucs' 47. A two-yard fourth-down run by FB Ron Springs and two third-down completions by White preserved a drive that bled into the second quarter and eventually ended in White's nine-yard scoring pass to Tony Hill. The Bucs appeared to be responding on their next possession when a 20-yard pass from Williams to RB James Owens sparked a drive that reached Dallas' 21. However, Tampa Bay was penalized 28 yards on second-and-six when Williams was flagged for intentional grounding while

trying to avoid a strong rush from DE Ed 'Too Tall' Jones. The drive ended in a punt one play later. Dallas added a 21-yard field goal drive after a short Buccaneer punt, giving the Cowboys a 10-0 halftime advantage. That lead was quickly extended after the intermission when Dallas put together a quick 80-yard touchdown drive to open the third period. Dorsett scrambled for consecutive gains of 25 and 26 yards on short passes and RB James Jones ran six yards off right guard for the score. S Michael Downs picked off a Williams pass later in the third quarter and returned it 21 yards to Tampa Bay's 33, setting up a Dorsett five-yard TD run. On the Bucs' next play, Williams was hit by DT John Dutton, leading to an interception by Ed Jones. James Jones converted that turnover into a five-yard touchdown run after Dorsett had zipped for 21 yards on first down. On a drive beginning in the final seconds of the third quarter, Tampa Bay made its deepest thrust into Dallas territory on the strength of a 75-yard reception by TE Jimmie Giles. Giles was pulled down at the Dallas five, but a sack and a three-yard loss by RB Jerry Eckwood led to a fourth-and-goal from the nine. Under pressure from LB Anthony Dickerson, Williams missed Giles in the end zone. Dallas scored its final touchdown on the ensuing possession, driving 90 yards in nine-and-a-half minutes before RB Timmy Newsome punched it in from one-yard out. The Bucs' last drive included a 23-yard Williams-to-Giles hookup but ended on a failed fake punt attempt.

1982 FIRST ROUND PLAYOFF GAME

SUNDAY, JANUARY 9, 1983

DALLAS 30, TAMPA BAY 17

TEXAS STADIUM

For the second straight season, Tampa Bay's playoff road began and ended in Dallas, where they had hoped to avenge a 38-0 drubbing from the 1981 post-season. Though Tampa Bay actually led 17-16 entering the final quarter, Dallas once again moved on at the Bucs' expense, scoring twice in the fourth quarter to earn a 30-17 win. The Buccaneers were outgained in total net yards by a wide 456-218 margin and had possession of the ball for less than 20 minutes of the game, but stayed close with three takeaways, five sacks and a pair of long touchdowns. Dallas cracked the scoreboard first with a 33-yard Rafael Septien field goal in the first quarter set up by Dexter Clinkscales interception at midfield. After a Buccaneer punt, Septien hit another field goal from identical distance, this one keyed by a 26-yard pass from QB Danny White to WR Butch Johnson that had a 14-yard personal foul tacked onto the end of it. Tampa Bay took its first lead of the game in the second quarter thanks to a big play on defense. With Dallas driving well into Buccaneer territory, White fumbled on third-and-six and Tampa Bay LB Hugh Green recovered the loose ball and ran 60 yards for the only defensive touchdown in Buccaneer playoff history. Dallas promptly moved back into the Bucs' half of the field on its next possession as White again hooked up with Johnson for 23 yards and found WR Tony Hill open for a 14-yard gain. The Buccaneer defense came up with another big play, however, as S Mark Cotney redirected another White aerial and returned it 50 yards to the Dallas 27. RB James Wilder

added an 11 yard run from there, but the Bucs were forced to kick a 32-yard field goal when CB Ron Fellows broke up a pass intended for WR Gerald Carter in the end zone. Dallas regained the lead before halftime by putting together a 10-play, 75-yard drive culminating in White's six-yard TD pass to RB Ron Springs. Key plays on that drive included a 21-yard catch by WR Drew Pearson and a 13-yarder by TE Doug Cosbie. The third quarter was dominated by a pair of long drives. Dallas opened the period with an 84-yard march on 17 plays that ended in Septien's 19-yard field goal. The Cowboys converted four third downs on the drive but missed the fifth when DE Lee Roy Selmon stopped RB Tony Dorsett for no gain at the one. After interceptions by Dallas' Dennis Thurman and Tampa Bay's Neal Colzie, the Bucs countered with an 80-yard touchdown drive on six plays. WR Gordon Jones got more than half of that on third-and-eight from midfield when he caught a 49-yard scoring pass, giving Tampa Bay a 17-16 lead. The Bucs then quickly got the ball back to start the fourth quarter thanks to two sacks of White, one by Selmon, but S Monty Hunter then turned in the game's pivotal play, intercepting a Williams throw intended for WR Kevin House and returning it 19 yards for a go-ahead score. Dallas added an 81-yard drive later in the period, scoring a clinching touchdown on White's 10-yard pass to RB Timmy Newsome. Tampa Bay's offense then stalled and Dallas converted two first downs to run out the final two minutes.

1997 NFC WILD CARD PLAYOFF GAME

SUNDAY, DECEMBER 28, 1997

TAMPA BAY 20, DETROIT 10

HOULIHAN'S STADIUM

In the team's first playoff game in Tampa Bay since the 1979 season, the Buccaneers dominated Detroit early, rushing to a 20-0 third quarter lead before holding on for the 20-10 Wild Card victory. Lion RB Barry Sanders, who came into the game in possession of a 14-game streak of 100-yard rushing efforts and just the third 2,000-yard season in league history, was contained spectacularly by a swarming Buc defense, gaining just 65 yards and notching no carry longer than 15 yards. After two failed first-quarter drives for each team, the Bucs made the initial strike with a 40-yard field goal drive keyed by QB Trent Dilfer's scrambling, 23-yard completion to WR Karl Williams on third-and-one. Detroit's next drive stalled, too, but the Lions almost regained possession when Williams muffed the resulting punt. However, the ball bounced through several Detroit hands and out of bounds at the Tampa Bay 11, instead setting up the longest drive in Buccaneer playoff history. Fueled by a pair of first-round rookies — RB Warrick Dunn gained 29 yards on seven runs and catches and WR Reidel Anthony caught passes of 10 and 20 yards — the Bucs marched down to a third-and-seven at the Detroit nine-yard line. From there, Dilfer fired a laser over the middle to WR Horace Copeland in the back of the end zone. Detroit's next attempt to climb back into the game was quickly turned back when CB Anthony Parker intercepted a Scott Mitchell pass at the Lions' 39 and returned it to the 20. Three plays later, PK Michael

Husted nailed his second three-pointer, this one from a Buccaneer playoff-record 42 yards out. Detroit moved into Buccaneer territory on its next possession but was stonewalled at the 45 when a fourth-and-one pass attempt fell incomplete under heavy pressure from LB Rufus Porter. The Bucs struck first again in the second half when, after a Detroit punt, Dilfer marched his squad 53 yards for a touchdown. FB Mike Alstott began the drive with a seven-yard run then finished it with a 31-yard pinballing burst up the middle that turned into the longest carry in Buc playoff history and Tampa Bay's final touchdown. Detroit's next drive lasted 11 plays as Sanders finally got untracked for consecutive runs of 11 and 15 yards, but another fourth-down pass attempt, this one from the Buccaneers' eight-yard line, fell incomplete under significant pressure from the defensive line. The Lions did manage a field goal before the third period ended, then tacked on a touchdown with their first drive of the final quarter, marching 82 yards behind back-up QB Frank Reich. On the ensuing kickoff, a Buccaneer penalty forced Tampa Bay to start at its own five-yard line and the team quickly found itself in a third-and-five situation from the 10. Any developing thoughts of a Detroit comeback were promptly denied, however, when Dilfer hit WR Robb Thomas on a crossing pattern that turned into a 52-yard gain.

1997 NFC DIVISIONAL PLAYOFF GAME

SUNDAY, JANUARY 4, 1998

GREEN BAY 21, TAMPA BAY 7

LAMBEAU FIELD

The Buccaneers trailed by just six points, 13-7, entering the final period but couldn't pull off the upset in Lambeau Field in a Divisional Playoff game as the Packers held on to a 21-7 win. Tampa Bay actually had the first scoring opportunity of the game in the opening quarter when a 51-yard drive positioned them at the Green Bay 25. However, DT Bob Kuberski blocked PK Michael Husted's 43-yard field goal attempt and the Packers took over at their own 33. That preceded a 67-yard, seven-play touchdown drive for the Pack that began with a 17-yard Brett Favre-to-TE Mark Chmura pass and ended similarly with a three-yard Favre-Chmura TD hookup. The Bucs' ensuing drive was much like the previous one, covering 50 yards and reaching the Packers' 25-yard line, thanks in large part to a 17-yard pass from QB Trent Dilfer to WR Horace Copeland on third-and-nine. This time, a potential 43-yard field goal was eschewed in favor of a fake attempt, but TE John Davis was stopped for no gain after taking a shovel pass from holder Steve Walsh. The tide seemed to turn again in the Bucs' favor two plays later when DT Warren Sapp stripped RB Dorsey Levens of the ball while making the tackle and recovered the fumble to give Tampa Bay possession at the Packers' 30. Unfortunately for the visitors, Green Bay's defense held strong, forcing another ill-fated field goal attempt, this one wasted by a botched snap. Sapp, who applied constant pressure in the Green Bay backfield all day, recording three sacks, nearly got

the ball back for Tampa Bay when he got to Favre and stripped the ball again on third down, but the Packers recovered and punted away. In the half's final two minutes, Green Bay added to its lead with a pair of field goals, the second one set up by CB Tyrone Williams' interception of a Dilfer pass that went through WR Robb Thomas' hands. The Packers opened the second half with a strong drive into Buccaneer territory, but S John Lynch and CB Donnie Abraham combined to turn them away when Lynch hit Favre as he was passing and Abraham made a diving interception of the resulting errant pass. The Bucs then embarked on a 94-yard drive, the longest ever in Buccaneer playoff history, to score a touchdown and pull within six. On third-and-11 from their own five-yard line, the Bucs got out of trouble when Dilfer hit a streaking Reidel Anthony on the sideline for a 52-yard gain. Dilfer then found TE Dave Moore for a 28-yard gain over the middle, setting up FB Mike Alstott's six-yard TD run around left end. Packer RB Dorsey Levens matched that score near the beginning of the fourth quarter with a two-yard touchdown run, finishing off a drive that had been kept alive when WR Derrick Mayes' bobbled reception on third-and-18 fell into the crook of Mayes' leg for a 22-yard gain. Favre ran the ball in himself on the two-point conversion. The Bucs' next two drives ended in failed fourth downs, including a march set up by Abraham's second interception of the day.

INTO THE RECORD BOOKS?

The NFL requires a minimum of 75 career returns before a player qualifies for the league's all-time lead in punt return average; Karl Williams has compiled a 13.8-yard average on 69 career returns. Heading into 1998, the NFL's all-time leader is the Oakland Raiders' Darrien Gordon, who owns a career 13.2-yard punt return average. To reach the 75-return limit with an average of 13.3, Williams would have to net 44 yards on his next six returns, a very reasonable average of 7.3 per runback.

LEE ROY SELMON #63

Lee Roy Selmon became the first Buccaneer player ever inducted into the Pro Football Hall of Fame on July 29, 1995. The Buccaneers' first draft choice in 1976, Selmon proved to be the most outstanding player to date in team history. Drafted out of Oklahoma where he won both the Outland and Lombardi trophies during his senior season, Selmon went on to become the cornerstone of the Buccaneer franchise for nearly a decade.

A member of eight All-America teams while with the Sooners, Selmon was an even greater professional. The Buccaneers' all-time career sack leader (78.5), Selmon anchored a ferocious defense which led the team to its first-ever NFC Central Division Championship in 1979.

Selmon managed to establish numerous team records despite having his career prematurely shortened due to a herniated disk suffered at the end of the 1984 season. His lengthy list of Buccaneer records include: career sacks (78.5), sacks in a season (13), career fumbles caused (28.5) and Pro Bowl selections (six). In addition, he was named NFL Defensive Player of the Year in 1979 and NFC Defensive Lineman of the Year by the NFL Players Association four times (1979-80, 1982-83). His number 63 became the first and only jersey retired by the Buccaneers on September 7, 1986.

Selmon's on-the-field contributions were equalled only by his generosity off the field. He

was a perennial contender for the NFL Man of the Year and the Byron "Whizzer" White Award for humanitarian service. Since his retirement,

Selmon has remained highly-visible in community affairs. In addition to occupying a seat on the board of the Tampa Sports Authority, Selmon has taken on the respon-

sibility of building the University of South Florida's fledgling football program. As Associate Athletic Director at USF, since August of 1994, Selmon was entrusted with the primary task of procuring funds for the University's successful efforts to form a football team.

Selmon was born and raised in Eufaula, Okla. He has five brothers and three sisters including Dewey who played for the Bucs from 1976-80 and Lucious who is currently the outside linebackers coach for the Jacksonville Jaguars. Lee Roy and his wife, Claybra, have three children, Brandy (21), Lee Roy, Jr. (18), a freshman on the USF football team, and Christopher (16).

RAYMOND JAMES STADIUM

A new era in Tampa Bay sports opened on September 20, 1998, when the Tampa Bay Buccaneers defeated the Chicago Bears, 27-15, in the inaugural event at Raymond James Stadium. The culmination of three years of intense research, development and construction, Raymond James Stadium is a combination of the finest elements of modern stadium design and its own groundbreaking innovations. Referred to as 'The Crown Jewel of the NFL' by league insiders, the stadium's features are centered around one concept: enhancing the fan's experience at a Tampa Bay Buccaneers game.

Raymond James Stadium was designed by HOK Sports Facilities Group and constructed under the joint management of Huber, Hunt & Nichols and Metric Constructors. It is administered by the Tampa Sports Authority and includes among its tenants the Tampa Bay Buccaneers of

the National Football League, the Tampa Bay Mutiny of Major League Soccer and the University of South Florida football team.

The \$168.5 million facility was financed by a half-cent sales tax for community investment purposes that was approved by voters on September 3, 1996. A Florida sales tax rebate also funded the stadium construction, as did a portion of a tourist development tax. The remainder of the stadium's finances were provided by Buccaneers Owner/President Malcolm Glazer. Bryan Glazer and Joel Glazer, team executive vice presidents, oversaw stadium design and were responsible for the development of the stadium's unique fan enhancements. The Tampa Bay Buccaneers hope you enjoy Raymond James Stadium throughout the 1999 NFL season and share in the bright future of the team, the stadium and the Tampa Bay community.

AMENITIES AT RAYMOND JAMES STADIUM

General Seating. After 22 years of watching Buccaneer football from bench seating, Tampa Bay fans now comfortably settle into individual seats, measuring 19-21" wide and with 32-33" from one seat back to the next. Overall, Raymond James Stadium holds over 66,000 fans, 52,000 of which will be in general seating. There are up to 650 wheelchair-accessible seats located in all areas, not just the end zone. Seats in all sections also feature cupholders.

Club Seats. Raymond James Stadium also has up to 12,000 club seats, a modern feature that allows fans to experience Buccaneer games and entertain guests in maximum comfort. Club seats are extra-wide and padded and feature waiter service and prime sideline locations. The seats are accessible from a luxurious, air-conditioned club level that houses restaurants, sports bars, video walls, lounge seating and additional views of the field.

Luxury Suites. A total of 167 suites on two floors at mid-level along both sidelines offer absolutely the most luxurious setting to watch a Buccaneer game. Each suite has retractable glass windows, private bar and restroom and five televisions that can carry other NFL action. The suites are accessible from private elevators.

Concessions. Raymond James Stadium has over 600 points of sale for food, beverages and merchandise, a ratio of one point for every 103 seats. A wide variety of concessions will be available, from hot dogs and sodas to gourmet pizzas and cappuccino.

Restrooms/Services. Raymond James Stadium is equipped with 44 restroom locations and a total of 841 fixtures. That ratio of one fixture for every 76 fans is an immense improvement in comfort for Buccaneer fans. The ratio for women fans is

one fixture for every 66 people, improved from 1 for every 131 in Houlihan's. There are also five first aid stations, with at least one on each level.

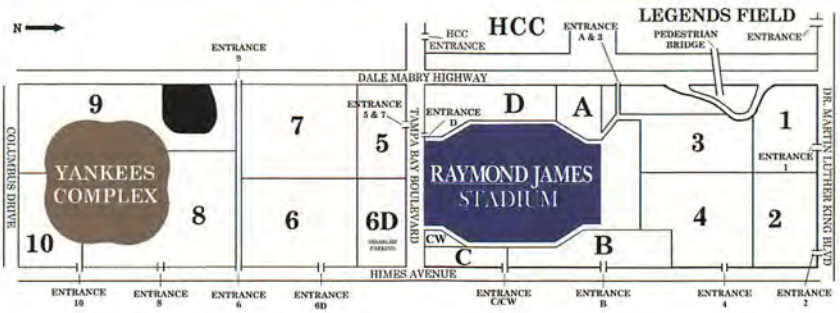

Media Facilities. The Raymond James Stadium press box seats up to 225 members of the media in a spacious, comfortable box on the west side upper suite level. A dining area featuring a multiple-screen video wall has been added, and the box is accessible from an elevator dedicated specifically to the media. The media entrance is located at Dock D on the southwest corner of the stadium.

Escalators. An added comfort feature in Raymond James Stadium is a total of 20 escalators. With a bank of four escalators located at each corner ramp and an additional four in the club lounge, Buccaneer fans will find it easier and quicker to navigate the stadium than ever before.

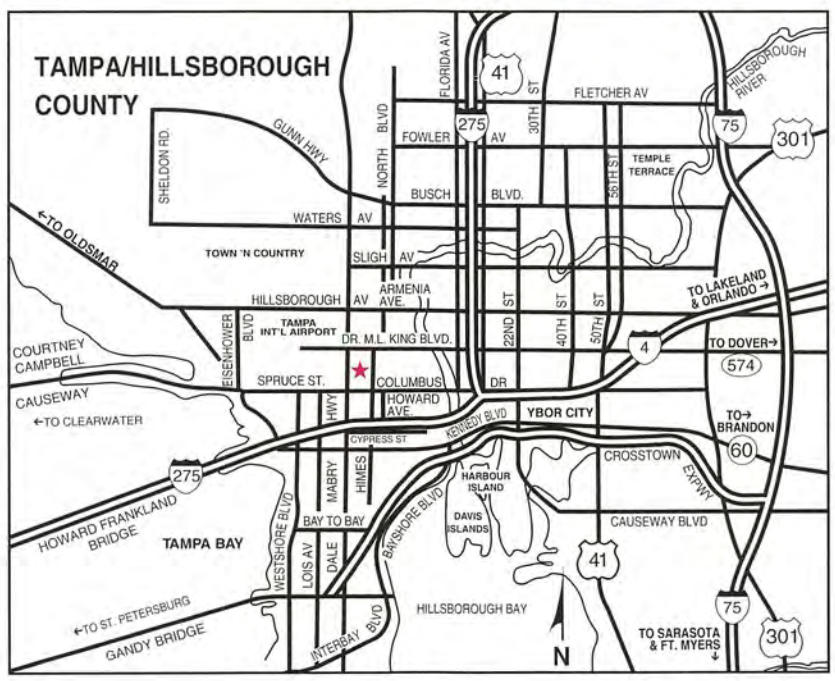

Traffic Control. Patrons of events at Raymond James Stadium can be assured that their travel to and from the facility will be as time-efficient as possible. The stadium is outfitted with a comprehensive traffic control system that automatically assists with the progression of traffic in and around the stadium traffic area. The system is comprised of a traffic control center located adjacent to the Tampa Sports Authority offices on the ground level of the south end zone plaza. From there, a crew of over 50 uniformed officers will assist in easing traffic flow. In addition, the system is equipped with 10 cameras and a staff of four constantly monitoring each major intersection surrounding the stadium and altering traffic light cycles accordingly.

SPECIAL FEATURES OF RAYMOND JAMES STADIUM

An instantly-recognizable Tampa Bay landmark, Raymond James Stadium includes some of the most unique stadium features in the world. It is a blend of modern design, classic appointments, state-of-the-art technology and historic influences that combine to create the most exciting and enjoyable game atmosphere in the National Football League. Some of the most extraordinary features include:

Buccaneer Cove

In an effort to expand and enhance the overall game experience at Raymond James Stadium, the Tampa Bay Buccaneers constructed a \$3 million pirate ship extravaganza called Buccaneer Cove. Located in the north end zone of the stadium, Buccaneer Cove encompasses 20,000 square feet and runs the entire length of the end zone concourse. The Cove features a weathered, 2-story fishing village façade from which a wide variety of stadium concessions, ranging from standard fare to more authentic Tampa items, are offered. Scattered throughout the area are a variety of beach hut kiosks offering additional concessions and other game enhancements.

The centerpiece of Buccaneer Cove is the majestic, 103-foot-long ship, an authentic replica of an early 1800s pirate ship, arguably one of the most recogniz-

able stadium feature in the world.

The most menacing aspect of the pirate ship is its massive 9'x7' skull and crossed swords facing the playing field which features huge, glowing red eyes and a mouth that breathes smoke. Additionally, eight cannons celebrate Buccaneer touchdowns by releasing thundering cannon fire, smoke, confetti, mini-footballs and a variety of Buc merchandise into the stands. The ship will also be complete with working rigging and a crew to raise and lower its huge 32x50 foot sails.

Massive enough to be a striking image from any spot in the stadium, the majestic ship looms out over the the crowd in the north end zone.

Ship Length.....	103'
Ship Weight.....	43 tons
Ship Height.....	78'
Bow Detail	9'x7'
Ship Width	32'
Swords.....	16' each

The ship was constructed over a two-month period using, among others, the following materials:

- 5.5 tones of concrete
- 14 tons of steel
- 700 yards of sails
- 1 mile of rigging
- 300 feet of rope
- 60 gallons of paint
- 64,000 linear feet of wood trim

The ship's dock serves as an interactive entertainment area from which patrons enjoy the most unique vantage point in the National Football League. Adding to the festive atmosphere is a larger-than-life interactive talking parrot that sits perched at the ship's stern.

Located adjacent to the ship is an old-time dock that serves as the site for pre-game and halftime shows performed by the Tampa Bay Buccaneers Cheerleaders, Tampa Bay's 44-person cheerleading troupe that includes a 10-member band of pirates who carry the signature red Buccaneer attack flags.

All areas of Buccaneer Cove and the Ship's facilities are ADA disabled ramp accessible so that all fans can benefit from this unique setting. With a full menu of food and beverages, plentiful facilities and an excellent view of the action on the field, Buccaneer Cove is as animated as the 19th-century pirate village after which it is modeled.

Buccaneer Cove was designed by HOK Studio 'E and constructed by The Nassal Company.

BucVision

BucVision, which features two massive videoboards at each end of Raymond

James Stadium, is arguably the most sophisticated video and scoreboard system in the NFL.

The main attraction of BucVision is the sheer size of the two videoboards, each measuring 24 feet high by 92 feet wide, which is significantly larger than conventional NFL scoring systems.

BucVision is not only larger, it is more technologically advanced. In addition to viewing plays from three different angles at each end of the field, fans are also treated to highlights from up to six games simultaneously from around the NFL before and after Buccaneer games, essentially transforming Raymond James Stadium into the world's largest sports bar.

Operated by more than 30 technicians, Bucvision allows Tampa Bay to become the first professional team in any sport to show images through high-definition television (HDTV), the wide-screen television images which are revolutionizing the television industry. In addition to showing the network feeds, the system incorporates five in-house cameras that capture the festive atmosphere of Raymond James Stadium patrons.

The system also contains a crystal-clear sound system which enhances the game-day experience for general fans, club seat holders, and luxury suite patrons.

JUST WHO IS RAYMOND JAMES?

When Tampa Bay Buccaneers Owner/President Malcolm Glazer embarked on a search for a firm to place its name on Hillsborough County's magnificent new stadium, they had certain standards in mind. They wanted a local company with a national presence, an excellent reputation, a commitment to the community and the potential to be a good fit for the Buccaneers.

Raymond James Financial, Inc. has proven to be much more than just a good fit. It's the perfect fit. But just who is Raymond James?

From 1962 to today, an overview

Raymond James Financial is a diversified financial services holding company headquartered in St. Petersburg, Florida. Over the last 37 years, the firm has built a national reputation as a leader in investment and financial planning for individuals, corporations and municipalities. Through its two investment firms, Raymond James & Associates and Raymond James Financial Services, the firm has 3,700 Financial Advisors in more than 1,450 locations throughout the United States and internationally. The firm also acquired Roney & Co. earlier this year. In addition, its asset management subsidiaries currently manage in excess of \$14 billion.

A public company since 1983, Raymond James Financial's shares are traded on the New York Stock Exchange under the symbol RJF. It is one of the 10 largest securities dealers in the United States, with offices coast-to-coast. In 1998, Raymond James Financial became a \$1 billion company. Worldwide, the firm has more than 7,500 Associates.

Florida born and bred, the firm was founded in 1962 by Bob James as Robert A. James Investments. It was among the first firms in the country to pioneer the concept of financial planning as a common-sense approach to money management.

In 1964, Bob bought the firm of Raymond and Associates, comprised of 15 Associates in the Bradenton-Sarasota area, and Raymond James & Associates was created. It surprises most people who are unfamiliar with the firm to learn that no one by the name of Raymond James exists. It's simply a combination of the two names, Robert James and Edward Raymond, who sold his firm to Bob.

By the time Bob's son, Tom James, joined the firm in 1966, new offices of Raymond James & Associates were pop-

The Raymond James Financial Center, the firm's sprawling headquarters complex, is situated on 45 acres in northeast St. Petersburg right in the heart of the Tampa Bay area. Three fourth-story bridges connect the three towers. The bridge between Towers 2 and 3 is 320 feet long, making it one of the longest in Florida and a landmark in the area. The Financial Center houses Tom James' personal art collection, the largest privately owned collection in the Southeast, and is surrounded by beautiful landscaping comprised entirely of plants and trees indigenous to Florida.

ping up all over Florida.

Today, Raymond James Financial subsidiaries include an international financial services firm with its own insurance agency, federal savings bank, trust companies, merchant banking company and asset management subsidiaries. The firm has international offices in Argentina, Belgium, Canada, England, France, Germany, India, Italy, Luxembourg, Switzerland and Turkey.

Being first is nothing new to Raymond James

In 1998, when Raymond James decided to buy the naming rights to Tampa's new community stadium, it became the first investment firm in the United States to make such a bold move. But being first is nothing new at Raymond James.

Raymond James is widely known as a firm of firsts. In addition to being one of the first firms to offer financial planning, it was among the first to affiliate an insurance agency in support of its financial planning process. It also became one of the first to offer clients the alternative of wrap-fee accounts and the first to provide investors with a "Client Bill of Rights," a detailed explanation of an investor's

rights and responsibilities.

In 1998, Bob James achieved another first when it became the only firm to offer investors exclusive mutual fund research with specific recommendations (highly recommended/hold-under review or not recommended) on load and no-load mutual funds and sectors.

Service makes Raymond James special

A key factor in the firm's success is its unswerving commitment to clients, embodied in a philosophy called "Service 1st." Bob James, whose concern for people and their financial well-being was exemplary, set this extraordinary standard for client service.

The firm's commitment to service has only grown more resolute over the years as Tom has continued to stress his father's allegiance to client service. Now, Tom's sons, Hunt and Cort, have joined the firm with a vision of continuing the corporate culture initiated by their grandfather. In fact, it was Hunt, director of Corporate Client Services, who shepherded the concept of naming the stadium.

The firm is also distinguished for its support of the communities in which we

live and work. In Tampa Bay alone, Raymond James is perennially one of the largest contributors to the United Way, sponsors major art events such as the Gasparilla Festival of the Arts, supports the Florida Orchestra, contributes to several prominent museums and aids many Tampa Bay educational institutions. Raymond James also encourages its Associates to participate enthusiastically in volunteer activities which enrich the community and its people.

Work, work, play environment

It's commonly known in the Tampa Bay area that people who choose to work for Raymond James usually remain with the firm. Many Associates have celebrated and surpassed their 20-, 25-, even 30-year anniversaries with the 37-year-old firm.

Raymond James works hard to find employees who meet the firm's standards in terms of knowledge, aptitude, energy and service orientation. And once those employees are on board, Raymond James works even harder to ensure that they stay with the company.

While the turnover rate may be low, the firm's growth rate is tremendous. At any time, there are 100-150 openings at the corporate office. On average, the firm

receives 15,000 applications a year and conducts 3,200 interviews. Not surprisingly, a large percentage of new hires spring from Associate referrals.

Two key factors figure into the high employee retention rate at Raymond James. They are the firm's distinctive "work, work, play" environment and the educational opportunities the firm offers.

In addition, Associates are encouraged to continue their academic studies and the company reimburses for college tuition costs in most cases.

Another benefit enjoyed by Associates at Raymond James is the opportunity to enjoy magnificent art on every floor of every tower at the Raymond James Financial Center. Tom's personal art collection is one of the largest private collections in the Southeast and runs the gamut from Wall Street paintings by Leroy Neiman to stunning outdoor Indian bronzes by Dave McGary. The collection is maintained by a full-time art curator who supervises Associate, client and community tours on a regular basis.

It may seem like a stretch for a firm that specializes in investment and financial planning and is noted for its art and community involvement to partner with the hard-hitting rising star of the National Football League, the Tampa Bay Buccaneers. But it's proven to be a good match.

Finances and football - an intelligent mix

Raymond James' decision to buy the naming rights to the stadium was a surprise to everyone, including the Associates, mainly because the firm participated as a silent contender.

Tom believes that the national exposure of having the firm's name associated with one of the NFL's finest sports facilities will pay big dividends in building brand identity beyond the boundaries of Florida.

"We're very well known in our own backyard," explains Tom, "but we have to think beyond local bounds and alter our strategy in terms of name recognition. This is the first of many steps in that direction."

It seems like a smart step. Marketing experts predict that by the time Tampa hosts Super Bowl XXXV in 2001, Raymond James Stadium will be well on its way to becoming a household name.

The partnership between the Buccaneers and Raymond James has proven to be a good one. At least two Buccaneers interned at Raymond James

during the spring to learn more about the corporate world and hone their business skills. The Raymond James Financial Center also served as host when the team announced first-round draft choice DT Anthony McFarland in April.

According to Tom, "We're proud to have our firm's name associated with the Buccaneers and we look forward to growing that partnership by having our two teams work together to improve the community of Tampa Bay."

BUCS IN THE COMMUNITY

The Tampa Bay Buccaneers owners, players, coaches and staff members support a variety of community programs. Over the course of the last year, members from all areas of the Buccaneer organization donated significant amounts of time and funding to established charities, and several created their own philanthropic programs. The following is a sample of the many community programs the Buccaneers have created and supported:

• Buccaneers owner **Malcolm Glazer** made a commitment to donate up to \$2 million over a 30-year period to the Tampa Bay Sports Commission, a contribution that will promote the continued development of amateur sports in Hillsborough and Pinellas counties. Glazer made a preliminary donation of \$75,000 in 1997 and gave \$60,000 for the Bucs' eight victories in 1998. Glazer will continue to donate an additional \$7,500 for every Buccaneer victory over the next 30 years.

• The Buccaneers community relations department started the NFL's only Student Advisory Board, an all-student

committee that brings intelligent, motivated high school students together to perform marketing and community service projects and develop their leadership skills in preparation for continuing their education. Student Advisory Board members serve as liaisons between the Buccaneers and their schools, and are responsible for working on a community service project and developing creative techniques to market the team to fellow students. During their one-year term, Board members have the opportunity to attend Buccaneers training camp practices, have dinner with the players, meet Head Coach Tony Dungy and tour Raymond James Stadium.

• Running back **Warrick Dunn** helped seven single-mother families become first-time homeowners through his second annual "Homes for the Holidays" program. Dunn made the down payments on new homes for four Tampa families two days before Thanksgiving, and did the same for three single-mother families in his hometown of Baton Rouge, Louisiana the week before Christmas. Dunn worked with local businesses to fill each house with such necessities as furniture for every room, washer and dryer, kitchen appliances and lawn mowers. He also stocked each kitchen with food, all in time for the holidays.

• Offensive tackle **Jerry Wunsch** treated a group of pediatric cancer patients to a four-day winter ski trip in his hometown of Wausau, Wisconsin during his second annual "Jerry's Journey." Wunsch arranged for a group of 15 children from the Tampa Children's Cancer Center to meet 10 additional young cancer patients from Wausau for a weekend of games, fun and friendship. During their stay in Wisconsin, the travelers enjoyed such activities as cross-country and downhill skiing, dog sled and snowmobile rides, arts and craft ses-

sions, campfires and a chili dinner in an authentic Wisconsin Warming Hut. Wunsch took 11 children from the Tampa Bay area and six from Wisconsin on a similar trip to Rochester, New York in 1998.

For the second consecutive year, **Shari Glazer** served as chairperson for "AIDSWalk Tampa '99," an annual event organized by the Tampa AIDS Network to generate money and awareness for Bay

area residents who are affected by HIV disease. As one of AIDSWalk Tampa '99's largest sponsors, Glazer and the Buccaneers formed a walking team of Bucs staff members and also donated several items to be used as prizes for walkers.

Every year the Buccaneers host "NationsBank Bucs For Charity," an event that brings together Buccaneers fans and players in a fund-raising effort that benefits several Tampa Bay charities. During the event, Buccaneers players interact with fans in a variety of games and contests. Each player mans his own booth, and fans have the opportunity to participate with the players in their chosen activities at each station. In 1998,

NationsBank Bucs For Charity proceeds were distributed equally among charities such as Big Brothers/Big Sisters, the Hardy Nickerson Foundation, Metropolitan Ministries, Shriner's Hospital, the Warrick Dunn Fund, the Children's Home, the United Way, the Derrick Brooks Fund, the Tampa Bay Sports Commission, Jerry Wunsch's "Circle of Friends" and the Mike Alstott Fund.

Receiver **Bert Emanuel and his wife, Teri**, host a group of families from the Family Literacy Center's "Read to Me" program at each Buccaneer home game. The Center offers adult literacy programs and provides daycare for children whose parents are in class. "Read to me" focuses on the importance of reading to your children and creates opportunities for families to read together.

Linebacker **Hardy Nickerson** manages the Hardy Nickerson Foundation, which benefits at-risk Bay area youth and targets those in need of strong male role models and mentors. The Foundation has donated over 12 computers to local Boys & Girls Clubs through the "Hardy's Homework Shops" program, and will be operating a mobile computer center that benefits inner city youth this fall. Since its inception in 1996, the Foundation has made contributions to benefit Cystic Fibrosis, provided funding for 11 children to attend a local private school, and hosted 20 youth at each Buccaneer home game.

Safety **John Lynch and his wife, Linda**, joined forces with the Tampa Bay Sports Commission to create a comprehensive Youth Sport Achievement Awards program that recognizes Hillsborough county's student-athletes of all ages. Through the Lynch Family Legacy Scholarship, the Lynch family provides financial assistance to high school seniors headed for college. Students nominated for the scholarship must

adhere to certain criteria, including achieving a minimum GPA and participating in interscholastic and community service activities. In addition, the Lynch family hosts a group of Boys & Girls Club members at each Buccaneers home game as part of the "Lynch's Safety Zone" program.

As part of his outreach into the Bay area's Latin community, **G Jorge Diaz** adopted 57 needy Hispanic children from Ruskin Elementary School, a predominantly Latin school with a large migrant population, during the 1998 holiday season. Diaz accompanied the children to a local Target store and provided each student \$50 to spend on items of their choice. Diaz also threw a Christmas party for the students and provided each youngster with a new pair of shoes and an adidas T-shirt. Diaz also donated \$1,500 worth of school supplies to Ruskin Elementary School. Diaz created the same program with Wimama Elementary School in 1997.

on the faces of hundreds of underprivileged Hillsborough County students by providing the children new footwear through his "Sapp for Shoes" program. Sapp began the program in 1997, when he provided more than 100 pairs of shoes to Hillsborough County children. He expanded the effort in 1998 by forming a partnership with Payless ShoeSource, the Hillsborough Education Foundation and Hillsborough County Public Schools that provided up to 10,000 pairs of shoes to at-risk students. Sapp plans to bring his program to the Orlando area in 1999.

The Buccaneers are currently developing the "Cheering You On" program through which the team provides a Buccaneer toy and an interactive "get well" card to 30,000 pediatric patients admitted annually into the six major children's hospitals in Central Florida. The goal of the program is to reduce the impact of stressful or traumatic situations young children often experience when hospitalized.

Quarterback **Trent Dilfer** makes financial contributions and time commitments to the American Red Cross, American Cancer Society, Underprivileged Children's Fund, United Way, Fellowship of Christian Athletes,

Veteran T Paul Gruber conducts a football clinic for the children who reside at the Coalition for the Homeless in Orlando.

Metropolitan Ministries, Joshua House, Habitat for Humanity, the Spring of Tampa Bay, Police Athletic League, Hillsborough and Pinellas law enforcement agencies and several California homeless shelters.

Every year Pro Bowl LB **Derrick Brooks** works with the youth at Tampa's Audley Evans Center as part of his "Brooks Bunch" program. Kids in Brooks Bunch receive tickets to all Buccaneer home games and have a chance to travel to various locations around the country on educational field trips. In June, Brooks accompanied a group of students to Washington, D.C. where they visited such landmarks as the White House, Capitol Hill, the Lincoln Memorial and the Smithsonian Institution. Students had to study the history of Washington, D.C. and complete the required research and writing assignments to earn a spot on Brooks' trip. Brooks is currently planning a trip to Africa for the year 2000.

Pro Bowl C **Tony Mayberry** is involved

in several Bay area charities. Every November, Mayberry heads to the Cactus Club Restaurant in Old Hyde Park Village to lead a group of Buccaneer players in serving Thanksgiving dinner to disadvantaged children. Mayberry and his wife, Rachel, work with Metropolitan Ministries during the holiday season to prepare food baskets for Tampa's homeless families. The couple also adopts families through the Big Brothers/Big Sisters program every Christmas, and they provide school uniforms for students at select Hillsborough County elementary schools.

Safety **Damien Robinson** serves as a mentor to the young men who reside at the Leslie Peters Halfway House in Tampa. Robinson makes frequent visits to the center, provides tickets to all Buccaneer home games and hosted a Christmas party for the men last year.

Since 1993, several Buccaneers have served as "Big Brothers" through the Big Brothers/Big Sisters of Tampa Bay organization. G **Jorge Diaz**, WR **Karl Williams**, LB **Shelton Quarles** and Tight Ends Coach **Ricky Thomas** currently have little brothers.

FB **Mike Alstott** hosts the annual Mike Alstott Youth Football Camp, a four-

day event that typically involves approximately 350 Bay area children. Every year, about 100 underprivileged children are able to attend Alstott's camp through camp scholarships provided by the Buccaneers.

Several Buccaneer players and coaches have established scholarships that benefit either Bay area students or kids from that player's or coach's high school or college. Those Bucs include DE **Chidi Ahanotu**, LB **Derrick Brooks**, QB **Trent Dilfer**, T **Paul Gruber**, C **Tony Mayberry**, LB **Hardy Nickerson**, S **John Lynch** and Defensive Backs/Assistant Head Coach **Herman Edwards**.

Tackle **Paul Gruber** hosts the annual Police Athletic League Youth Football Camp with the help of QB Trent Dilfer and several other Buccaneer players. In addition to sponsoring the youth football clinic, Gruber and his wife, Brenda, have worked closely with Tampa's homeless population through their commitment to Metropolitan Ministries.

Defensive Backs/Assistant Head Coach **Herman Edwards** is in his 12th year hosting the Herm Edwards' Youth Football Clinic. He is the only NFL coach

to host a weeklong youth football camp. The camp, which is held in California, is free of charge, typically attracts over 300 children, and features an end-of-camp banquet and an auction that raises money for academic scholarships.

Several Buccaneers host youth groups from local charities and schools at every Buccaneer home game. Those Buccaneers include Head Coach **Tony Dungy**, Defensive Backs/Assistant Head Coach **Herman Edwards**, WRs **Bert Emanuel**, **Karl Williams** and **Reidel Anthony**, QB **Trent Dilfer**, S **John Lynch**, LB **Derrick Brooks**, FB **Mike Alstott**, DT **Brad Culpepper**, T **Jerry Wunsch**, C **Tony Mayberry** and DE **Chidi Ahanotu**.

DT **Brad Culpepper** hosts an annual golf tournament each off-season that benefits the Children's Miracle Network at Shands Hospital in Gainesville. Culpepper also works closely with Shriners Hospitals for Children and donated \$12,000 to the facility located at the University of South Florida this year.

In an effort to assist their favorite charities through funding and creative programming, RB **Warrick Dunn**, FB **Mike Alstott**, LB **Derrick Brooks** and T **Jerry**

Pro Bowl C Tony Mayberry and G Frank Middleton share Valentines Day cheer with the kids at the Arnold Plamer Hospital for Children and Women in Orlando.

Wunsch established funds in their names through the Community Foundation of Tampa Bay.

Guard **Frank Middleton** adopted the dropout prevention classrooms at Jefferson High School by making frequent visits to the school, where he encouraged the students to improve their grades and start setting goals to attend college. At the end of the 1997-98 school year, over 35 students improved their GPA by one letter grade and Middleton rewarded them with dinner at Landry's Seafood House. Middleton also spends most of his Monday, Tuesday and Thursday evenings at the Skyway little league park giving lessons in football and life to the Tampa Bay Youth Football League's Jr. Buccaneers.

In June, WR **Karl Williams** hosted the inaugural Karl Williams Celebrity Golf Tournament in honor of his late father, William Wilson, who died of cancer last year. All proceeds from the tournament benefited "Karl's Kids," a program

Williams created with the Children's Cancer Center in honor of his father. Karl's Kids and their families attend every Buccaneers home game and several training camp practices, among other activities.

The Buccaneers have recently increased their outreach into the Central Florida area, and have spent a great deal of time with residents of the Orlando community. In March, T **Paul Gruber** and members of the team's cheerleading squad spent an afternoon visiting families who currently reside at the Coalition for the Homeless in downtown Orlando. During the holiday season S **Damien Robinson** visited children who were patients at the Arnold Palmer Hospital for Children and Women and the Florida Hospital. Center **Tony Mayberry** and G **Frank Middleton** visited the pediatric units of the same facilities on Valentine's Day.

Through his foundation, Pro Bowl LB Hardy Nickerson donated \$25,000 to Seminole Presbyterian School to start a scholar-athlete scholarship program for minority students.

Receiver **Reidel Anthony** served as the official spokesperson for Tampa Children's Hospital's "Kids Are Heroes" program, an initiative that recognizes children in the Bay area community who have performed heroic and unselfish acts. Now in its third year of existence, the program rewards students age five-18 who have demonstrated such heroic deeds as setting a good example for their peers, performing a selfless act, displaying compassion when another person or animal is in need or putting someone else's needs before their own. A panel of judges consisting of patients at Tampa Children's Hospital selects the winners. The honorees, along with their families and the people who nominated them, were recognized at the program's awards banquet, during which Reidel presented award certificates and trophies.

The Buccaneers work with the NFL's "Coach of the Week" program, an initiative designed to aid and promote the development of high school football. Each week during the high school football season, the Buccaneers select one high school football coach as the Coach of the Week winner. Each recipient receives several items and privileges, including a certificate signed by NFL Commissioner Paul Tagliabue and NFL Director of Football Operations Gene Washington, a football signed by Bucs Head Coach **Tony Dungy**, special mentions on the

For the past 10 years, the Buccaneers have worked with the St. Joseph's Hospital Foundation to raise money for pediatric cancer research. In 1999, a dozen Bucs players and cheerleaders participated in "Fight Kids Cancer with Style," an event that kicks off the Foundation's annual fundraising initiative for pediatric cancer patients. Linebackers **Derrick Brooks**, **Shelton Quarles**

and **Jeff Gooch**, WR **Reidel Anthony**, DT **Brad Culpepper**, K **Martin Gramatica**, and G **Jorge Diaz** and Tampa Bay Buccaneers Cheerleaders Mimi Kilpatrick, Caroline Still, Jackie Kelly, Kimberly Kolinski and Jennifer Rockhill spent an afternoon letting patients from Tampa Children's Hospital at St. Joseph's give them hair styles, manicures, facials and massages. The patients were assisted in their efforts by members of the Elizabeth Arden Red Door Salon, one of several Bay area salons that collected monetary donations for the Foundation throughout the months of June and July.

Receiver Reidel Anthony presents an award to a young hero During Tampa Children's Hospital at St. Joseph's "Kids Are Heroes" banquet.

After being recognized as the "SwashBuclers" since the Tampa Bay Buccaneers were introduced into the NFL in 1976, the team's 31-member dance team has adopted a new name: the Tampa Bay Buccaneers Cheerleaders.

The name change is an effort to publicize the organization's cheerleaders on a national and international level. The Tampa Bay Buccaneer Cheerleaders bring a fresh, energetic style of entertainment to the Buccaneers' sidelines every Sunday and share a community-minded spirit with the rest of the Buccaneer organization.

The squad is comprised of athletes, businesswomen, mothers and full-time college students. While not working at their jobs or performing at a game, the Tampa Bay Buccaneers Cheerleaders are volunteering a considerable amount of time to various community organizations throughout the Bay Area. The team makes routine appearances at the Boys & Girls Club of Tampa, All Children's Hospital, United Way, American Heart Association and Shriners Hospital for Children.

In addition to these numerous Bay area appearances, Tampa Bay Buccaneers Cheerleader Mimi Kilpatrick will make the club's first international visit. Kilpatrick was one of six NFL cheerleaders selected to spend 10 days in Japan teaching cheer and dance clinics in conjunction with Japan's summer professional football league.

Cheerleading Coordinator Carole Wood enters her second season with the Buccaneers after serving as captain and guest choreographer for the Atlanta Falcons Cheerleaders from 1991 to 1997. Wood uses her 20 years of cheerleading and dance experience to map out all the squad's pre-game and sideline dance routines, while also managing its day-to-day operations and community and corporate appearances. Under Wood's guidance, the Tampa Bay Buccaneers are committed to creating a dynamic, exciting game day atmosphere for Buccaneers fans.

Wood will also direct the Junior Program for the second consecutive season. The clinic provides youngsters (7-17) an opportunity to learn cheer and dance routines from the Tampa Bay Buccaneers Cheerleaders. At the conclusion of the clinic, participants will have the opportunity to perform during one of the Buccaneers' NFL Halftime Shows.

BUCCANEER PRE-SEASON TV

END ZONE

RON JAWORSKI

DAVE SIMS

JOHN PETERSON

For the tenth consecutive year and the 23rd overall season, WTOG-TV, UPN-44, will serve as the official pre-season television station for the Tampa Bay Buccaneers. WTOG-TV will provide live coverage of all four pre-season games. The station will also air a live pre-game show ("Countdown to Kickoff") and half time show from each pre-season location.

WTOG's pre-season package will feature live telecasts of the Buccaneers' contests beginning with their home opener on Saturday, August 14 against the Cleveland Browns at 8:00 p.m. EDT. On August 21 at 8:30 p.m., the Buccaneers will take on the Kansas City Chiefs at Arrowhead Stadium EDT. The Buccaneers will then host the New England Patriots on Saturday, August 28 at 8:00 p.m. EDT and conclude their 1999 pre-season schedule against the Washington Redskins at Jack Kent Cooke Stadium on Friday, September 3 at 8:00 p.m. EDT.

Ron Jaworski will serve as the color analyst for the Bucs' pre-season games. Jaworski has provided analysis on a myriad of NFL shows for ESPN the past eight years, including NFL Monday Night Countdown, Edge NFL Matchup and NFL 2 Night. He is also a frequent contributor as a pre and post-game reporter on NFL Sunday Countdown. Additionally, the former Philadelphia Eagles quarterback was nominated for an Emmy in 1996 for his work as the host of Eagles Game Day Live.

Joining Jaworski in the broadcast booth will be Dave Sims, who will handle the play-by-play duties for the third consecutive season. Sims is an Emmy award-winning announcer who has called college basketball action for CBS Sports during NCAA tournaments and regular season action with ABC, ESPN and the Big East/Creative Sports Networks. Additionally, he

serves as the play-by-play voice covering NFL regular season games and NCAA basketball on Westwood One Radio Network. Sims' other credits include Major League Baseball play-by-play announcing for ESPN and track and field coverage for NBC Sports at the 1988 Seoul Olympics and 1990 Goodwill games. Sims is currently the host of the Philadelphia Phillies Sunday pre-game "Phillies Weekly" show.

WTOG's John Peterson will provide sideline reporting and will host the Bucs' pre-game and halftime show. Before coming to UPN-44, Peterson was the sports director at WXLV-TV (ABC) in Greensboro, North Carolina. From 1987-95, Peterson served as the sports director for WTXX-TV (ABC) in Tallahassee, Florida, where he worked for the Seminole Radio Network broadcasting Florida State University football and basketball games. His accolades include "Best Sportscast" from the Florida Sportscasters Association and two Associated Press Awards in the "Best Feature" category.

Doug Graber will join Peterson as a sideline reporter after serving as the color analyst for one Bucs' pre-season game last year. The former Bucs defensive coordinator (1987-89) also currently works as the color analyst for the University of South Florida Bulls football program and spent 1997-98 working with USF, ESPN-Regional and SportsChannel. Before he entered the field of broadcasting, Graber worked since 1966 as a football coach at the high school, college and professional level.

WTOG will host a weekly half-hour Buccaneers show every Saturday at 6:30 p.m. EDT during the regular season. The show provides fans an opportunity to hear coaches, players and key front office executives discuss the past week's game and provide a look ahead to the following week's opponent.

BUCCANEERS' RADIO NETWORK

Gene Deckerhoff

For the ninth consecutive year, WQYK-FM (99.5) will serve as the flagship station for the Tampa Bay Buccaneers' Radio Network. WQYK broadcasts all Buccaneer games in stereo with a 100,000-watt signal that blankets the Tampa Bay area. WQYK will also simulcast Buccaneer football on its AM affiliate, 50,000-watt WQYK (1010 Talks).

For the past nine years, WQYK has been the top-rated radio station in the Tampa Bay market. The station has consistently been an industry leader and has also been an active corporate participant in the Tampa Bay community. This season, WQYK's coverage will again include the pre-game show along with a post-game report.

Handling the play-by-play duties for the 11th straight season is Gene Deckerhoff. Considered one of the nation's premier play-by-play announcers, Deckerhoff has also served as the voice of Florida State University football and basketball for the past 19 years.

Deckerhoff is the former play-by-play man for the USFL's Tampa Bay Bandits and also served as the sports director for WCTV-TV in Tallahassee. Deckerhoff is a five-time recipient of the Florida Sportscaster of the Year award.

Buccaneer fans across the state can tune into Tampa Bay games thanks to the Buccaneers' Radio Network. Deckerhoff's descriptions of the action and all of the attending pre-game, halftime and post-game action are simulcast on at least 13 AM and FM stations in locations ranging from Gainesville (WRKG, 99.5 FM) to Stuart (WSTU, 1450 AM).

**IN MEMORY OF
DAVID LOGAN
1956-1999**

David Logan, a beloved member of the Buccaneer family since 1979, died on January 13, 1999 at the age of 42. He is survived by his wife, Maxine, his son, David, and his daughter, Katie.

Before his death, Logan was prepared to enter his ninth season as the color analyst on WQYK's top-rated Buccaneer game broadcasts. An insightful and well-prepared broadcaster, Logan also did analysis for CBS, Jefferson-Pilot and the Sunshine Network and was the host of a nightly sports call-in show on local 24-hour news station Bay News Nine.

Logan is also remembered as one of the best players in Buccaneer history. Though he was not drafted until the 12th round in 1979, the former University of Pittsburgh standout played eight seasons for Tampa Bay and one for Green Bay, leaving his mark throughout the Buccaneers' record book. The second-leading sacker in team history (39), Logan also ranks sixth on the team's career tackle chart (624) and was the longtime holder of the team's consecutive starts streak (103). Recognized as one of the NFL's best nose tackles during his league tenure, Logan scored a remarkable four defensive touchdowns.

David Logan joined the Tampa Bay franchise during the team's breakthrough 1979 season and remained a true Buccaneer up through the team's recent return to NFL prominence. In the interim, he was a quiet but unbroken source of support for the franchise and a symbol of the hard work and determination for which the organization stands. He will be remembered fondly by everyone in the Buccaneer family.

RAYMOND JAMES STADIUM

 TAMPA BAY BUCCANEERS

"I think it's the most exciting venue in the National Football League. Game enhancements like the spectacular pirate ship at Buccaneer Cove plus all of the amenities for the fans make Raymond James Stadium one of the finest stadiums in the country. A Buccaneers' game at Raymond James Stadium is more than just a day at a football stadium, it's a football experience."
